

Bausch + Lomb to Participate in Citi Global Healthcare Conference

VAUGHAN, Ontario, Nov. 18, 2025 – Bausch + Lomb Corporation (NYSE/TSX: BLCO), a leading global eye health company dedicated to helping people see better to live better, today announced that Chairman and CEO Brent Saunders and Executive Vice President and Chief Financial Officer Sam Eldessouky will participate in a fireside chat at the 2025 Citi Global Healthcare Conference on Wednesday, Dec. 3, 2025, at 9:00 a.m. ET.

A live webcast, as well as a post-event recording, will be available on the Investor Relations page of the Bausch + Lomb website: <http://ir.bausch.com/investors/events-presentations>.

About Bausch + Lomb

Our mission is simple – we help people see better to live better, all over the world. For nearly two centuries we’ve evolved with the changing needs of patients and customers, and our commitment to innovation and improving the standard of care in eye health has never been stronger. From contact lenses to prescription products, over-the-counter options, surgical devices and more, we’re turning bold ideas into better outcomes through passion, perseverance and purpose.
