SSR MINING PUBLISHES ESG AND SUSTAINABILITY REPORT

VANCOUVER, B.C. - SSR Mining Inc. (NASDAQ: SSRM) (TSX: SSRM) ("SSR Mining") announced today the publication of its ESG and Sustainability Report. The report outlines our approach to sustainability across a range of areas and summarizes our 2019 performance. The report's theme "Delivering on Our Commitments" underscores our ongoing commitment to transparency with our stakeholders.

Paul Benson, President and CEO, commented, "I am pleased to introduce our second annual ESG and Sustainability Report, which further builds on our operational excellence program by setting goals for continuous improvement in social, environmental, and safety performance. The spirit of delivering on our commitments is embedded in how SSR Mining operates and this will continue to be a foundational principle for years to come."

Sustainability Report Highlights

- The health and safety of our people are the highest priority across our company, with a 50% improvement in Total Recordable Injury Frequency Rate (TRIFR).
- Focus on strengthening diversity, with women representing 13% of total workforce, 22% of the Board of Directors, and 30% of the Chinchillas mine workforce. We also joined the Catalyst Accord and 30% Club of Canada – two initiatives aimed at accelerating advancement of women in Canada.
- Achieved first decile, peer-leading ISS Governance and Social QualityScore.
- Emphasis on hiring from local communities, with 100% of employees hired locally at the Chinchillas mine and 30% of Seabee's total workforce identifying as Indigenous.
- Multi-year local Social Development Fund at Puna Operations with initial funding of US\$500,000.
- Anti-corruption and human rights training delivered to corporate head office and operating sites.

The report is available on our website at www.ssrmining.com/corporate_responsibility/.
