

Robin van Poelje named as Chief Executive Officer of Topicus.com

TORONTO, Nov. 25, 2021 (GLOBE NEWSWIRE) --

Topicus.com Inc. (the "Company") (TSXV:TOI) announced today that, after successfully leading the integration of the Topicus operating group into the Company since its acquisition in January 2021, Daan Dijkhuizen has made the decision not to continue in his current role as Chief Executive Officer of the Company for a second year. Mr. Dijkhuizen wishes to focus on leading Constellation Software's organic growth efforts and will do so as Managing Partner of Constellation Software's newly announced VMS Ventures fund. Mr. Dijkhuizen will continue to lead the Topicus operating group within the Company and will also continue as a member of the Board of Directors of the Company.

Additional information on Constellation Software's newly formed VMS Ventures fund will be available at [csissoftware.com.category/press-releases](https://csissoftware.com/category/press-releases).

As a result of Mr. Dijkhuizen's decision, the Board of Directors of the Company has accepted his resignation and appointed Robin van Poelje, the current Chairman of the Board of the Company, to replace Mr. Dijkhuizen as Chief Executive Officer of the Company, effective immediately.

Mr. Dijkhuizen stated: "Leading the Topicus operating group into Topicus.com Inc. and the subsequent public listing of Topicus.com Inc has been an exciting and fruitful journey. I will stay at Topicus.com Inc as a board member. I look forward to continue building the future of Topicus operating group as CEO and to leading the fund as managing partner focusing on Constellation's larger organic growth opportunities."

Forward Looking Statements

Certain statements herein may be "forward looking" statements that involve known and unknown risks, uncertainties and other factors that may cause the actual events to be materially different from any future events expressed or implied by such forward-looking statements. Words such as "may", "will", "expect", "believe", "plan", "intend", "should", "anticipate" and other similar terminology are intended to identify forward looking statements. Such forward looking statements involve significant risks and uncertainties, should not be read as guarantees of future results, and will not necessarily be accurate indications of whether or not such results will be achieved, or when such results will be achieved. A number of factors could cause actual results to vary significantly from the results discussed in the forward looking statements. These forward looking statements reflect current assumptions and expectations regarding future events and are made as of the date hereof and the Company assumes no obligation, except as required by law, to update any forward looking statements to reflect new events or circumstances.
