TREASURY OFFERING OF CLASS A VARIABLE VOTING SHARES AND/OR CLASS B VOTING SHARES

December 16, 2020

An amended and restated preliminary short-form prospectus of the Company dated December 16, 2020 containing important information relating to the securities described in this document has been filed with the securities regulatory authorities in each of the provinces and territories of Canada. A copy of the amended and restated preliminary short-form prospectus, and any further amendment, is required to be delivered to any investor with this document. The amended and restated preliminary short-form prospectus is still subject to completion.

There will not be any sale or any acceptance of an offer to buy the securities until a receipt for the final short-form prospectus has been issued.

The securities described in this document have not been and will not be registered under the U.S. Securities Act 1933, as amended (the "Securities Act") or any U.S. state securities laws. Accordingly, the securities described herein will not be offered in the United States except to persons reasonably believed to be qualified institutional buyers, as defined under Rule 144A of the Securities Act, in reliance on exemptions from registration provided under the Securities Act and the rules thereunder.

This document does not provide full disclosure of all material facts relating to the securities offered. Investors should read the preliminary short-form prospectus, the amended and restated preliminary short-form prospectus and the final short-form prospectus and any amendment for disclosure of those facts, especially risk factors relating to the securities offered, before making an investment decision.
