AND TO: Aris Mining Corporation (the “**Company**”)

CONSENT OF QUALIFIED PERSON

To Whom It May Concern

I, David Bird, BS, MSc, PG, SME-RM of Piteau Associates hereby consent to the public filing of the technical report entitled “Technical Report for the Marmato Gold Mine, Caldas Department, Colombia, Pre-Feasibility Study of the Lower Mine Expansion Project” dated November 23rd, 2022 and effective June 30, 2022 (the “Technical Report”) with the Securities Regulatory Authorities.

I further consent (a) to the public filing of the Technical Report with the Toronto Stock Exchange (TSX) and the Securities Regulatory Authorities and any publication of the Technical Report by them for regulatory purposes, including electronic publication in the public company files on their websites accessible by the public, and (b) to the publication of the Technical Report by the Company on its company website.

I further consent to use of extracts or a summary of information from the Technical Report being included in the Company’s material change report dated November 23rd, 2022 (the “MCR”), the Company’s news release dated November 23rd, 2022 (the “News Release” and, together with the MCR, the “Disclosure Documents”) and being named in the Disclosure Documents as having prepared the Technical Report.

I certify that I have read the Disclosure Documents, that the Disclosure Documents fairly and accurately represent the information in the sections of the Technical Report for which I am responsible that supports the disclosure and that I have no reason to believe that there are any misrepresentations (as defined in the Securities Act (British Columbia)) contained therein that are (a) derived from the Technical Report or (b) within my knowledge as a result of the services I have performed in connection with the Technical Report.

Dated this 23rd day in November, 2022.
