GENERAL PROXY INFORMATION

This Information Circular (“Circular”), together with the Notice of Meeting and the Proxy (collectively, the “Meeting Materials”) is being furnished in connection with the solicitation of proxies (“Proxies”) and voting instruction forms (“VIFs”) by the management of Skeena for use at the annual general meeting of the Shareholders of the Company (the “Meeting”) to be held at the time and place and for the purposes set forth in the Notice of Meeting and at any adjournment thereof. It is expected the solicitation will be primarily by mail. Proxies and VIFs may also be solicited personally or by telephone by directors, officers or regular employees of the Company at nominal cost. The cost of solicitation will be borne by the Company.

Skeena is not using the ‘Notice and Access’ procedures available under NI 54-101 in respect of the Meeting.

COMPLETION AND VOTING OF PROXIES AND VIF’S

Voting

Voting at the Meeting will be by a show of hands, each registered Shareholder and each person representing a registered or unregistered Shareholder through a Proxy or VIF (a “**Proxyholder**”) having one vote, unless a poll is required (if the number of Shares represented by Proxies and VIFs that are to be voted against a motion are greater than 5% of the votes that could be cast at the Meeting) or requested, whereupon each such Shareholder and Proxyholder is entitled to one vote for each Share held or represented, respectively.

To approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an ‘ordinary resolution’) unless the motion requires a ‘special resolution’ in which case a majority of 66 $\frac{2}{3}$ % of the votes cast will be required.

Appointment of Proxyholders

The persons named in the enclosed form of Proxy or VIF as Proxyholders are directors or officers of the Company. **A Shareholder has the right to appoint a person (who need not be a Shareholder) other than the persons named in the Proxy or VIF as Proxyholders to attend and vote on the Shareholder’s behalf at the Meeting. To exercise this right, the Shareholder must strike out the names of the persons named in the Proxy or VIF as Proxyholders and insert the name of the Shareholder’s nominee in the space provided or, if the Shareholder is a registered Shareholder, complete another form of Proxy.**

If the instructions in a Proxy are certain, the shares represented thereby will be voted or withheld from voting in accordance with such instructions on any poll that may be called for, and, where a choice with respect to any matter to be acted upon has been specified in the Proxy, the shares represented thereby will, on a poll, be voted accordingly.

Where no choice has been specified by the shareholder and the management proxyholders named in the form of Proxy have been appointed, such shares will be voted in accordance with the recommendations of management as set out on the form of Proxy.

The enclosed form of Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the persons appointed proxyholders thereunder to vote with respect

to any amendments or variations of matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of the printing of this Circular, the management of the Company knows of no such amendment, variation or other matter which may be presented to the Meeting.

The Proxy or VIF must be dated and signed by the Shareholder or the Shareholder's attorney authorized in writing in order to be valid. In the case of a corporation, the Proxy or VIF must be dated and executed under its corporate seal or signed by a duly authorized officer of, or attorney for, the corporation.

Shareholders must return their completed Proxies and VIFs, together with the power of attorney or other authority, if any, under which it was signed or a notarially certified copy thereof, in accordance with the instructions thereon. Proxies (but not VIFs, unless the VIF has Computershare's name and address on the top right corner of the first page) may also be returned to the Company's transfer agent, Computershare Investor Services Inc. (Attn: Proxy Department), by fax within North America at 1-866-249-7775, outside North America at (+1) 416-263-9524, by mail to 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or by hand delivery to 2nd Floor, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9. **Proxies received after the time set out in the Proxy or VIF for delivery thereof may be accepted or rejected by the Chairman of the Meeting in the Chairman's discretion.**

Registered Shareholders

Only persons registered as Shareholders in the Company's central securities register as of the close of business on the Record Date or duly appointed Proxyholders will be recognized to make motions at the Meeting.

Unregistered Shareholders

Shareholders holding their Shares through intermediaries (such as stockbrokers, securities dealers, banks, trust companies, trustees and their agents and nominees; "**Intermediaries**") will not be recognized nor may they make motions or vote at the Meeting except as described below.

If Shares are listed in an account statement provided to a Shareholder by an Intermediary, those Shares are probably not registered in the Shareholder's name. Such Shares will probably be registered in the name of the Intermediary or its nominee and can only be voted through a duly completed Proxy given by the Intermediary. Without specific instructions, Intermediaries are prohibited from voting Shares for their clients. **Therefore, each unregistered Shareholder should ensure that voting instructions are communicated to the appropriate party well in advance of the Meeting.**

NI 54-101 requires Intermediaries to seek voting instructions from those beneficial Shareholders that have refused to allow their address to be provided to the Company ("**OBOs**") in advance of Shareholder meetings. Intermediaries may have their own mailing procedures and provide their own form of VIF to clients, which should be carefully followed by unregistered Shareholders to ensure their Shares are voted at the Meeting. The VIF supplied to OBOs by Intermediaries is substantially similar to the Proxy provided by the Company directly to the registered Shareholders, however, it is limited to instructing the Intermediary (as the registered Shareholder) how to vote on behalf of the OBO.

Most Intermediaries in Canada and the United States of America ("**USA**") delegate responsibility for obtaining instructions from OBOs to a third party corporation such as Broadridge Investor Services (if the Shareholder is an unregistered (beneficial) Shareholder that has consented to allow its address to be provided to the Company (a "**NOBO**"), the Company or its transfer agent may do so directly). This third party corporation sends a machine-readable VIF to OBOs and asks the OBOs to return the VIFs to them or provide instructions to them through the Internet or by telephone. The third party corporation (or the Company or its agent, if it has sent the VIF to the NOBO directly) then tabulates the results of all

instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting.

Skeena is taking advantage of certain provisions under NI 54-101 that allow it to send Meeting Materials to NOBOs directly. In accordance with the requirements of NI 54-101, Skeena has distributed copies of the Meeting Materials to the clearing agencies and Intermediaries for onward distribution to OBOs. The Company will pay for intermediaries to forward the Meeting Materials to OBOs.

These securityholder materials are being sent to both registered and Non-Registered Holders. If you are a Non-Registered Holder, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

If a NOBO wishes to attend the Meeting and vote in person (or have another person attend and vote on behalf of the NOBO), the NOBO should insert the name of the NOBO (or the name of the person that the NOBO wants to attend and vote on the NOBO's behalf) in the space provided on the VIF and return it to Computershare in accordance with the instructions provided on the VIF. If Computershare or the Company receives a written request that the NOBO or its nominee be appointed as Proxyholder, if management is holding a proxy with respect to common shares beneficially owned by such NOBO, the Company must arrange, without expense to the NOBO, to appoint the NOBO or its nominee as Proxyholder in respect of those common shares. Under NI 54-101, unless corporate law does not allow it, if the NOBO or its nominee is appointed as Proxyholder by the Company in this manner, the NOBO or its nominee, as applicable, must be given the authority to attend, vote and otherwise act for and on behalf of management in respect of all matters that come before the meeting and any adjournment or postponement of the meeting. If the Company receives such instructions at least one business day before the deadline for submission of proxies, it is required to deposit the proxy within that deadline, in order to appoint the NOBO or its nominee as Proxyholder. **If a NOBO requests that the NOBO or its nominee be appointed as Proxyholder, the NOBO or its appointed nominee, as applicable, will need to attend the meeting in person in order for the NOBOs vote to be counted.**

If an OBO wishes to attend the Meeting and vote in person (or have another person attend and vote on behalf of the OBO), the OBO should insert the OBO's name (or the name of the person the OBO wants to attend and vote on the OBO's behalf) in the space provided for that purpose on the request for voting instructions form and return it to the OBO's intermediary or send the intermediary another written request that the OBO or its nominee be appointed as Proxyholder. The Intermediary is required under NI 54-101 to arrange, without expense to the OBO, to appoint the OBO or its nominee as Proxyholder in respect of the OBO's common shares. Under NI 54-101, unless corporate law does not allow it, if the Intermediary makes an appointment in this manner, the OBO or its nominee, as applicable, must be given authority to attend, vote and otherwise act for and on behalf of the Intermediary (who is the registered shareholder) in respect of all matters that come before the meeting and any adjournment or postponement of the meeting. An Intermediary who receives such instructions at least one business day before the deadline for submission of proxies is required to deposit the proxy within that deadline, in order to appoint the OBO or its nominee as Proxyholder. **If an OBO requests that the Intermediary appoint the OBO or its nominee as Proxyholder, the OBO or its appointed nominee, as applicable, will need to attend the meeting in person in order for the OBOs vote to be counted.**

If an unregistered Shareholder receives a VIF and does not wish to attend the Meeting as a Proxyholder, the VIF must be returned, or instructions respecting the voting of Shares must be

communicated, to the third party corporation (or the Company or its transfer agent) in advance of the Meeting to have the Shares voted in accordance with the instructions on that VIF.

Shareholders with questions respecting the voting of Shares held through an Intermediary should contact that Intermediary for assistance.

REVOCATION OF PROXIES AND VIF'S

Shareholders have the power to revoke Proxies and VIFs previously given by them. Revocation can be effected by an instrument in writing (which includes a Proxy or VIF, as applicable, bearing a later date) signed by a Shareholder or the Shareholder's attorney authorized in writing and, for a corporation, executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation. Such instrument must be delivered to Computershare as set out under 'Completion and Voting of Proxies and VIFs – Appointment of Proxyholders' above, to the Company as set out under 'Additional Information' below or to the Company's registered office (at Suite # 650 - 1021 West Hastings Street, Vancouver, BC, Canada V6E 0C3 or by fax to (+1) 604-558-7695 any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, or deposited with the Chairman of the Meeting prior to the commencement of the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as disclosed in this Circular, none of the directors or executive officers of the Company, any person who has held such a position during the financial years ended December 31, 2016 or December 31, 2015, any proposed nominee for election as a director of the Company nor any associate or affiliate of the foregoing persons, has any substantial or material interest, directly or indirectly, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Shares are the only class of shares of the Company entitled to be voted at the Meeting. All issued Shares are entitled to be voted at the Meeting and each has one non-cumulative vote. Only Shareholders of record as at the close of business on December 5, 2017 (the "**Record Date**") will be entitled to vote at the Meeting or any adjournment thereof.

On October 20, 2017 the Company completed a share consolidation, exchanging 10 pre-consolidation common shares of the Company for 1 post-consolidation common share. Accordingly, the common share figures set out herein are post-consolidation common shares. There were 75,678,037 common shares of the Company issued and outstanding as of the Record Date.

To the knowledge of the directors and executive officers of the Company, no persons beneficially own, directly or indirectly, or exercise control or direction over Shares which, as of the Record Date, represent more than 10% of the voting rights attached to all outstanding Shares.

FINANCIAL STATEMENTS

The audited consolidated financial statements of the Company for the fiscal years ended December 31, 2016 and December 31, 2015 together with the reports of the auditors thereon, as well as the interim financial statements of the Company for the nine-month period ended September 30, 2017 are being presented at the Meeting.

Cease Trade Orders, Bankruptcies, Penalties and Sanctions

During the ten years preceding the date of this Circular, other than as disclosed below, no proposed director of the Company has, to the knowledge of the Company, been a director, chief executive officer or chief financial officer of any company that:

- (a) was subject to an order that was issued while the proposed director was acting in the capacity as a director, chief executive officer or chief financial officer; or
- (b) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

During the ten years preceding the date of this Circular, other than as disclosed below, no proposed director of the Company has, to the knowledge of the Company, been a director, chief executive officer or chief financial officer of any company that:

- (a) while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold the assets of that company; or
- (b) has become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

Rupert Allan was a director of Great Western Minerals Group Ltd. (“GWMG”) from 2007 to July 2015. Don Siemens was a director of Great Western Minerals Group Ltd. (“GWMG”) from January 2014 to July 2015. On April 30, 2015 GWMG was granted protection from its creditors under the *Companies’ Creditors Arrangement Act* (the “CCAA”) upon receiving an initial order from the Ontario Superior Court of Justice Commercial List. On May 11, 2015, an order was issued by the Financial and Consumers Affairs Authority of the Province of Saskatchewan that all trading in the securities of GWMG be ceased due to its failure to file certain required continuous disclosure documents. On December 4, 2015, PricewaterhouseCoopers LLP, as court-appointed monitor for GWMG’s CCAA proceedings, filed an assignment in bankruptcy under the *Bankruptcy and Insolvency Act* on behalf of GWMG. GWMG was eventually delisted and the assets were disposed of by PricewaterhouseCoopers LLP.

No proposed director of the Company has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority or been subject to any other penalties or sanctions imposed by a court, or regulatory body that would likely be considered important to a reasonable security holder in deciding to vote for a proposed director.

PARTICULARS OF OTHER MATTERS TO BE ACTED ON AT THE MEETING

Re-approval of the Company Stock Option Plan

The Company Stock Option Plan is subject to annual approval of the Shareholders pursuant to the policies of the TSXV. At the Meeting, Shareholders will be asked to re-approve the Company Stock Option Plan.

The TSXV policies with respect to incentive stock options provide that listed companies may only issue incentive stock options pursuant to the terms of a stock option plan that has been approved by Shareholders and the TSXV. At the shareholder meeting held February 8, 2017, pursuant to the policies, management of the Company proposed, and the Shareholders approved, the Company’s Stock Option Plan, a rolling stock option plan which reserves a maximum of 10% of the issued Shares on the applicable grant date for grant of Options under the plan. The policies require that such a rolling plan be re-approved each year by the Shareholders and the TSXV.

Management of the Company believes that Options serve an important function in furnishing directors, officers, employees and consultants (collectively the “**Eligible Parties**”) of the Company an opportunity to invest in the Company in a simple and effective manner and to better align the interests of the Eligible Parties with those of the Company and its shareholders through ownership of Shares. Accordingly, at the Meeting the Shareholders will be asked to consider re-approving the Company Stock Option Plan and the

allotment and reservation of sufficient Shares from treasury to provide the Shares necessary for issuance upon the exercise from time to time of Options granted pursuant to the Company Stock Option Plan.

The Company Stock Option Plan has been prepared by the Company in accordance with the policies of the TSXV and is in the form of a rolling stock option plan reserving for issuance upon the exercise of Options granted pursuant to the Company's Stock Option Plan, a maximum of 10% of the issued and outstanding Shares at any time, less any Shares required to be reserved with respect to Options granted by the Company prior to the implementation of the Company Stock Option Plan. The Company's Stock Option Plan is administered at the Board level. Subject to the provisions of the Company's Stock Option Plan, the Board in its sole discretion will determine all Options to be granted pursuant to the Company's Stock Option Plan, the exercise price therefor and any special terms or vesting provisions applicable thereto. The Board will comply with all TSXV and other regulatory requirements in granting Options and otherwise administering the Company's Stock Option Plan.

For a description of the current Option Plan please see 'Executive Compensation - Stock Option Plan' below.

A full copy of the Company Stock Option Plan will be available at the Meeting. Shareholders may also obtain a copy of the Company Stock Option Plan in advance of the Meeting upon request to the Company, at Suite 650, 1021 West Hastings Street, Vancouver, British Columbia V6E 0C3, or on SEDAR at www.sedar.com under the Company's profile.

The Board believes that passing of the following resolution is in the best interest of the Company. Accordingly, Shareholders will be asked to approve the following ordinary resolution at the Meeting:

“BE IT RESOLVED, as an Ordinary Resolution of the Shareholders of the Company, THAT:

1. The continued use of the Company Stock Option Plan by the Company be and is hereby ratified and approved.
2. The Board, or any committee of the Board created pursuant to the Company's Stock Option Plan, is authorized to make such amendments to the Company's Stock Option Plan from time to time as the Board may, in its discretion, consider to be appropriate or as may be required by the Exchange, in accordance with the Company's Stock Option Plan and the policies of the TSXV and other regulatory authorities, as applicable.
3. Any one director or officer of the Company be and is hereby authorized and directed to do all such acts and things and to execute and deliver, under the corporate seal of the Company or otherwise, all such deeds, documents, instruments and assurances as in his or her opinion may be necessary or desirable to give effect to the foregoing resolutions.”

The foregoing resolution must be approved by a majority (more than 50%) of the votes cast by Shareholders present in person or represented by proxy at the Meeting in order for it to be adopted.

EXECUTIVE COMPENSATION

In the following information, a “**Named Executive Officer**” or “**NEO**” means each of the CEO and CFO of the Company (or any person carrying out the functions of a CEO or CFO) and the three highest paid executive officers, if any, of the Company and any subsidiary serving at the end of the financial year ended December 31, 2016 whose total individual compensation (excluding the value of any pension) was more than \$150,000 in the last financial year (including any CEO, CFO and executive officer that held such position for only a part of the last financial year).

Compensation Discussion and Analysis

Philosophy

The philosophy used by the Corporate Governance and Compensation Committee in determining the compensation of the Named Executive Officers is that the compensation should:

- assist the Company in attracting and retaining key individuals as NEOs,
- align the interests of NEOs with those of the Shareholders,
- reflect each NEO's performance, expertise, responsibilities and length of service to the Company,
- reflect the Company's past performance and current state of development, and
- be commensurate with the Company's financial ability to remunerate its NEOs.

Compensation Components

The Company's process for determining executive compensation is comparable to that used by most employers in the mineral exploration industry. The compensation of the Named Executive Officers is comprised of three components: (i) base salary; (ii) incentive bonus; and (iii) stock options.

There are not any formal policies or procedures for determining the remuneration of the NEOs and Board. Instead, the Corporate Governance and Compensation Committee generally considers the appropriate level of remuneration without any formal objectives, criteria or analysis. Levels of remuneration are usually first informally discussed among the members of the Corporate Governance and Compensation Committee before being formally considered and approved. No specific formulas have been developed to assign a specific weighting to each of these components. Instead, the Corporate Governance and Compensation Committee considers the Company's performance and recommends compensation based on this assessment. Accordingly, each case is determined on its own merits and circumstances after being considered in light of prevailing economic conditions – both on a corporate level and on a national and international level – and industry norms for such remuneration.

Neither the Board nor any committee of the Board considered the implications of the risks associated with the Company's compensation policies and practices.

No NEO or director is permitted to purchase financial instruments, including prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Stock options already held by NEOs are considered in granting new options to them.

Finally, in assessing compensation levels, the Corporate Governance and Compensation Committee relies on the experience of its members as officers and directors of other publicly traded mineral exploration companies. The purpose of this process is to:

- understand the competitiveness of current pay levels for each executive position relative to companies with similar business characteristics;
- identify and understand any gaps that may exist between the Company's compensation rates and compensation paid by other companies; and
- establish as a basis for developing salary adjustments and short-term and long-term incentive awards.

Each of these compensation components is described below.

Base Salary:

The base salary for each Named Executive Officer is based on assessment of factors such as:

- current competitive market and economic conditions;
- compensation levels within the peer group; and
- particular skills of the NEOs, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual.

Using this information, budgetary guidelines and other internally generated planning and forecasting tools, the Corporate Governance and Compensation Committee performs an assessment of the compensation of all NEOs, when requested by the Company's management. The Corporate Governance and Compensation Committee then sets the base salaries of the CEO, CFO and other NEOs.

Incentive Bonus:

The Corporate Governance and Compensation Committee annually reviews and, if it determines them to be appropriate, approves the payment of incentive bonuses. The bonuses are generally paid by way of cash payments. The amount of the bonuses paid is based partly on the Company's success in reaching its objectives and partly on each Named Executive Officer's performance.

As part of determining bonuses to be paid, the Board reviews corporate performance objectives during the year. In the last financial year, the principal objectives included:

- discoveries of significant mineralization on one or more of the Company's properties;
- maintaining compliance with the regulatory and disclosure framework;
- increasing investors' interest in the Company;
- increasing the Company's market capitalization and working capital; and
- maximizing Shareholder value from the development and sale, option, joint venture or other disposition of mineral properties.

The success of the NEOs' contributions to the Company in reaching its overall goals is a factor in the determination of their annual bonus. The Corporate Governance and Compensation Committee assesses each NEO's performance on the basis of the NEO's contribution to the achievement of corporate goals and the needs of the Company that arise on a day-to-day basis. This assessment is used by the Corporate Governance and Compensation Committee with respect to the determination of annual bonuses for the NEOs.

Stock Options:

The Option Plan is designed to encourage Share ownership and entrepreneurship in Named Executive Officers and other senior management and employees. The Corporate Governance and Compensation Committee believes that the Option Plan aligns the interests of the NEOs' with the interests of Shareholders by linking a component of executive compensation to the longer term performance of the Shares.

Option Based Awards to Named Executive Officers

Stock options granted to NEOs are granted, from time to time, as the Corporate Governance and Compensation Committee feels is appropriate in the circumstances and in such amounts as are determined by the Corporate Governance and Compensation Committee.

In determining stock option grants, the Corporate Governance and Compensation Committee takes into account the options previously granted by the Company. In addition, it considers individual performance and its assessment of individual contribution to Shareholder value.

In addition to determining the number of Shares to be subject to options granted pursuant to the methodology outlined above, the Corporate Governance and Compensation Committee also determines, subject to and in accordance with the provision of the Option Plan, the following terms of the options:

- the exercise price;
- the terms on which the options vest; and
- any other material terms and conditions.

Contracts with Named Executive Officers

The Company's employment and consulting contracts with its Named Executive Officers are verbal arrangements. These agreements provide for the remuneration of such officers as summarized in the Summary Compensation Table below. The agreements may be terminated at the election of such officers or the Company on reasonable notice.

Securities Authorized for Issuance under Equity Compensation Plans

Stock Option Plan

The Company's Stock Option Plan (the "Option Plan"), a rolling plan, has been established in accordance with the policies of the Exchange. The purpose of the Option Plan is to attract and motivate the directors, officers and employees of the Company and any subsidiaries, employees of any management corporation and consultants to the Company (collectively, "Optionees") and thereby advance the Company's interests by providing them an opportunity to acquire an equity interest in the Company through the exercise of stock options granted to them under the Option Plan. The Company's Stock Option Plan was last amended at the Company's Annual General Meeting held on February 23, 2016 and a copy of the Amended Stock Option Plan was attached to the Company's Information Circular as Schedule "B".

Pursuant to the Option Plan, the Board may grant stock options to Optionees in consideration of them providing their services to the Company or a subsidiary. The number of Shares subject to each option is determined by the Corporate Governance and Compensation Committee within the guidelines established by the Option Plan. The options enable such persons to purchase Shares at a price fixed pursuant to such guidelines. The options are exercisable by the Optionee giving the Company notice and payment of the exercise price for the number of Shares to be acquired.

The Option Plan authorizes stock options to be granted to the Optionees on the following terms:

1. The number of Shares available for issuance pursuant to outstanding options cannot exceed an aggregate of 10% of the issued Shares.
2. The number of Shares subject to issuance upon the exercise of options granted under the Option Plan by one Optionee or all Optionees providing investor relations services is subject to the following limitations
 - (a) no Optionee can be granted options during a 12 month period to purchase more than
 - (i) 5% of the issued Shares unless disinterested Shareholder approval has been obtained (such approval has not been sought), or
 - (ii) 2% of the issued Shares, if the Optionee is a consultant, and

- (b) the number of Shares subject to options held by all Optionees providing investor relations services cannot exceed 2% in the aggregate.
3. Approval by disinterested Shareholders must be obtained (such approval has not been, nor is it intended to be, sought) if options granted under the Option Plan, together with all of the Company's previously established and outstanding stock options, stock option plans, employee stock purchase plans or any other compensation or incentive mechanisms involving the issuance or potential issuance of Shares, could result in:
 - (a) the grant to insiders, within a one year period, of options to purchase that number of Shares exceeding 10% of the outstanding Shares, or
 - (b) the issuance to any one insider and such insider's associates, within a one year period, of Shares totalling in excess of 5% of the outstanding Shares.
 4. The exercise price of the options cannot be set at less than the greater of \$0.05 per Share and the closing trading price of the Shares on the day before the granting of the stock options.
 5. The options may be exercisable for up to ten years.
 6. There are no vesting requirements unless the Optionee is providing investor relations services to the Company, in which case the options must vest over at least 12 months with no more than one-quarter vesting in any three month period. However, the Board may impose additional vesting requirements and, subject to obtaining any required approval from the Exchange, may authorize all non-vested options to vest immediately.
 7. The options can only be exercised by the Optionee (to the extent they have already vested) for so long as the Optionee is a director, officer or employee of, or consultant to, the Company or any subsidiary or is an employee of the Company's management corporation and within a period thereafter not exceeding the earlier of:
 - (a) the original expiry date;
 - (b) 90 days (or such longer period as the Board may determine) after ceasing to be a director, officer, employee or consultant for any reason other than death; or
 - (c) if the Optionee dies, within one year from the Optionee's death.
 8. The options are not assignable except to a wholly-owned holding corporation.
 9. No financial assistance is available to Optionees under the Option Plan.
 10. Any amendments to the Option Plan or outstanding stock options are subject to the approval of the Exchange and, if required by the Exchange or the Option Plan, of the Shareholders, possibly with only 'disinterested Shareholders' being entitled to vote. Disinterested Shareholder approval must be obtained for the reduction of the exercise price of options (including the cancellation and re-issuance of options so as to effectively reduce the exercise price) of options held by insiders. The amendment to an outstanding stock option will also require the consent of the Optionee.

No options have been granted under the Option Plan which are subject to Shareholder approval.

The Board's approach to granting options is consistent with prevailing practice in the mineral exploration industry. Grants of options depend on the length of service of the NEO and directors. There are, therefore, no formulae followed or performance goals or significant conditions which must be met before options will be granted. Options are always granted at the prevailing market price of the Shares.

Other than as disclosed herein, the Company is not aware of any material transaction involving any director or executive officer of the Company, any director or executive officer of any shareholder who holds more than 10% of the voting rights attached to the Shares, any proposed nominee for election as a director of the Company, or any shareholder who holds more than 10% of the voting rights attached to the Shares or any associate or affiliate of any of the foregoing, which has been entered into since January 1, 2017 or in any proposed transaction which, in either case, has materially affected or will materially affect the Corporation or any of its subsidiaries, except as follows:

In conjunction with a financing in 2015, the Company received \$1,500,000 from Eros Resources Limited and committed to spend the funds exclusively on qualifying Canadian Exploration Expenditures ("CEE").

On April 21, 2016, the loan was converted to 25,000,000 (2,500,000 post-consolidation) common shares of the Company. The Company and Eros Resources Limited share two common directors (Ronald Netolitzky and Donald R. Siemens) and an officer (Andrew MacRitchie).

CORPORATE GOVERNANCE

National Instrument 58-101 *Disclosure of Corporate Governance Practices* of the Canadian Securities Administrators requires the Company to annually disclose certain information regarding its corporate governance practices. That information is disclosed below.

Mandate of the Board of Directors

The Board has responsibility for the stewardship of the Company. That stewardship includes responsibility for strategic planning, identification of the principal risks of the Company's business and implementation of appropriate systems to manage these risks, succession planning (including appointing, training and monitoring senior management), communications with investors and the financial community and the integrity of the Company's internal control and management information systems.

Independence of the Directors

A director is 'independent' if the director is free from any interest and any business or other relationship which could, or could reasonably be perceived to, materially interfere with the director's ability to act in the best interests of the Company, other than interests and relationships arising from shareholding.

The following table describes whether the current and proposed directors are independent and, if not independent, sets out the reasons:

Director or Nominee	Independent	Reason why the Director is not Independent
ALLAN, J. Rupert	No	Is the Vice-President, Exploration of the Company
COLES, Walter Jr.	No	Is the President and CEO of the Company
NETOLITZKY, Ronald K.	Yes	-
PARRY, Craig	Yes	-
TREDGER, Peter N.	Yes	-
SIEMENS, Donald R.	Yes	-

The Board facilitates its exercise of independent supervision over the Company's management through regular meetings of the Board. The meetings are held both with and without members of the Company's management in attendance.

The Board does not hold regularly scheduled meetings without the non-independent directors and members of management. However, when consideration of a matter concerns or affects a director, that director recuses himself from the meeting and consideration of the matter so that the independent directors can have an open and candid discussion of, and freely vote on, the matter.

Other Directorships

The current and proposed directors are also directors of the following other reporting issuers (publicly traded corporations):

Name	Name and Jurisdiction of Reporting Issuer
ALLAN, J. Rupert	-
COLES, Walter Jr.	Nickel North Exploration Corp.
NETOLITZKY, Ronald K.	Aben Resources Ltd. Eros Resources Corp. Masuparia Gold Corporation Pacific Iron Ore Corporation
PARRY, Craig.	NexGen Energy Ltd.
TREDGER, Peter N.	IMPACT Silver Corp.
SIEMENS, Donald R.	Eros Resources Corp. Arizona Mining Inc. Atlantic Gold Corporation Epicore Bionetworks Inc Hansa Resources Limited

Orientation and Continuing Education

The Board takes the steps set forth below to ensure that all new directors receive orientation regarding the role of the Board, its committees and its directors, and the nature and operation of the Company.

The first step is to assess a new director's set of skills and professional background. This allows the orientation to be customized to that director's needs since different information regarding the nature and operations of the Company's business will be necessary and relevant to each new director.

Once that assessment is complete, the second step is taken by one or more existing directors, who may be assisted by the Company's management, to provide the new director with the appropriate orientation through meetings, telephone calls and correspondence.

To ensure the Board provides continuing information for its directors so they maintain the skill and knowledge necessary for them to meet their obligations as directors of the Company, there are technical presentations made as required at meetings of the Board. The presentations can range from a review of the Company's financial statements to various aspects of the Company's business. The Board believes the discussion among the directors, management and outside experts at these meetings provides a valuable learning resource for directors without expertise in the subject matter being presented.

Ethical Business Conduct

As part of its responsibility for the stewardship of the Company, the Board seeks to foster a culture of ethical conduct by striving to ensure the Company carries out its business in line with high business and moral standards and applicable legal and financial requirements. At present, the Board has not adopted guidelines or stipulations or a code to encourage and promote a culture of ethical business conduct since the small size of its Board and its limited activities do not warrant such measures. The Company does promote ethical business conduct through the nomination of Board members it considers of good moral character and sound reputation.

In addition, the Board must comply with the conflict of interest provisions of its governing corporate legislation and relevant securities regulatory instruments and stock exchange policies (which require that interested directors recuse themselves from the consideration of, and voting on, such matters), to ensure its directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

Nomination of Directors

The Board has responsibility for identifying and assessing potential Board candidates. Recruitment of new directors has generally resulted from recommendations made by directors, management and shareholders. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors.

Compensation

The Company handles corporate governance and compensation matters at the Board level including determination of compensation of the Company's directors and officers. Compensation payable is determined by considering compensation paid for directors and CEOs of companies of similar size and stage of development in the mining exploration industry and determining an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Company. In setting the compensation, the performance of the CEO is reviewed in light of the Company's objectives and other factors that may have impacted the success of the Company.

The Option Plan is administered at the Board level and the Board, in its sole discretion, determines all options to be granted pursuant to the Option Plan, the exercise price therefor and any special terms or vesting provisions applicable thereto. For more particulars, see "Securities Authorized for Issuance under Equity Compensation Plans" herein.

Board Committees

The Board has a Corporate Governance Committee, members of which are Don Siemens (Chair), Craig Parry and Peter Tredger. In addition, the Board has a Compensation Committee, members of which are Craig Parry (Chair), Ronald Netolitzky, and Peter Tredger.

Assessments

The Board does not consider that formal assessments would be useful at this stage of the Company's development. The Board conducts informal periodic assessments of the effectiveness of the Board and the individual directors.

AUDIT COMMITTEE

National Instrument 52-110 *Audit Committees* of the Canadian Securities Administrators ("NI 52-110") requires the Audit Committee of the Board to meet certain requirements. It also requires the Company to disclose in this Circular certain information regarding the Audit Committee. That information is disclosed below.

Overview

The purpose of the Audit Committee is to provide assistance to the Board in fulfilling its legal and fiduciary obligations with respect to matters involving the accounting and financial reporting processes and audits of financial statements, the integrity of financial statements, compliance with legal and

regulatory requirements, the qualification and independence of external auditor and the performance of the external independent auditor. It is the objective of the Audit Committee to maintain a free and open means of communication among the members of the Board, the auditor and the financial and senior management of the Company.

To satisfy such purposes and objectives, the Audit Committee is responsible for:

- recommending to the Board an external auditor to be elected by the Shareholders at each Annual General Meeting and approving the compensation of such external auditor;

- reviewing and approving the Company’s hiring policies, if applicable, regarding current and former partners and employees of the Company’s current and former auditors.

The Company’s auditor reports directly to the Audit Committee.

**SCHEDULE “A”
CHARTER FOR THE AUDIT COMMITTEE
OF THE
BOARD OF DIRECTORS (THE “BOARD”)
OF
SKEENA RESOURCES LIMITED (THE “COMPANY”)**

(Accepted by the Board on May 27, 2005)

Mandate

The primary function of the audit committee (the “Committee”) is to assist the Board of Directors in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company’s systems of internal controls regarding finance and accounting and the Company’s auditing, accounting and financial reporting processes. Consistent with this function, the Committee will encourage continuous improvement of, and should foster adherence to, the Company’s policies, procedures and practices at all levels. The Committee’s primary duties and responsibilities are to (i) serve as an independent and objective party to monitor the Company’s financial reporting and internal control system and review the Company’s financial statements; (ii) review and appraise the performance of the Company’s external auditors; and (iii) provide an open avenue of communication among the Company’s auditors, financial and senior management and the board of directors.

Composition

The Committee shall be comprised of three directors as determined by the board of directors, the majority of whom shall be free from any relationship that, in the opinion of the board of directors, would interfere with the exercise of his or her independent judgment as a member of the Committee. The Committee relies on the exemption in section 6.1 of the MI 52-110 that states venture issuers are exempt from the requirements of Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations).

At least one member of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Company’s Charter, the definition of “financially literate” is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company’s financial statements.

The board of directors at its first meeting following the annual shareholders’ meeting shall elect the members of the Committee. Unless a Chair is elected by the full board of directors, the members of the Committee may designate a Chair by a majority vote of the full Committee membership.

Meetings

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. As part of its job to foster open communication, the Committee will meet at least annually with the Chief Financial Officer and the external auditors in separate sessions.

Responsibilities and Duties

To fulfil its responsibilities and duties, the Committee shall:
