Re: Skeena Resources Limited (the “Entity”)

We refer to the prospectus supplement dated September 20, 2022 to the short form base shelf prospectus dated November 4, 2020 relating to the issue and sale of common shares of the Entity being filed by the Entity under the Securities Acts in each of the provinces of Canada, except the province of Québec.

We, KPMG LLP, consent to being named and to the use, through incorporation by reference in the above-mentioned prospectus supplement, of our report dated March 31, 2022 to the shareholders and board of directors of the Entity on the following consolidated financial statements:

- Consolidated statement of financial position as of December 31, 2021,
- Consolidated statements of loss and comprehensive loss, changes in shareholders' equity and cash flows for the year ended December 31, 2021, and
- the related notes.

We report that we have read the prospectus supplement and all information specifically incorporated by reference therein and have no reason to believe that there are any misrepresentations in the information contained therein that are derived from the consolidated financial statements upon which we have reported or that are within our knowledge as a result of our audit of such consolidated financial statements. We have complied with Canadian generally accepted standards for an auditor's consent to the use of a report of the auditor included in an offering document, which does not constitute an audit or review of the prospectus as these terms are described in the *CPA Canada Handbook – Assurance*.

Yours very truly,

Chartered Professional Accountants
