

Form 62-103F3

Required Disclosure by an Eligible Institutional Investor under paragraph 4.5(d) of Part 4

Item 1 – Identity of the Eligible Institutional Investor

Name: Van Eck Associates Corporation (“VEAC”)
Address: 666 Third Avenue
New York, NY 10017
USA

VEAC is relying on aggregation relief provided by Section 5.1 of Part 5 of National Instrument 62-103 in respect of the securities disclosed herein for the exchange traded fund business unit (the “**ETF Business Unit**”). Disclosure is being made by VEAC only with respect to the ETF Business Unit and securities owned or controlled by other business units or investment funds have not been, or may not have been, disclosed.

Item 2 – Security and Reporting Issuer

As at November 30, 2021, the number of common shares of G Mining Ventures Corp. (formerly, Kanadario Gold Inc.)(the “**Reporting Issuer**”) held in the ETF Business Unit over which VEAC has investment authority has increased by 888,000 from the number of common shares previously reported. However, there has been a net decrease of approximately 6.86% in the ETF Business Unit’s security holding percentage, from the approximately 14.13%, partially diluted, previously reported due to the increase in total issued and outstanding Common Shares of the issuer.

As such, as of November 30, 2021, the holdings of the ETF Business Unit over which VEAC has investment authority is 11,731,966 common shares and 5,421,983 warrants of the Reporting Issuer, representing a security holding percentage of approximately 7.27%, partially diluted, assuming approximately 235,810,914 total issued and outstanding common shares of the Reporting Issuer on a partially diluted basis.

Certificate

VEAC is eligible to file reports under Part 4 of National Instrument 62-103 in respect of the Reporting Issuer.

I, as the eligible institutional investor, certify that the statements made in this report are true and complete in every respect.
