Seabridge Gold Publishes Inaugural Sustainability Report

Toronto, Canada ... Seabridge Gold (TSX: SEA) (NYSE: SA) has filed its first comprehensive Sustainability Report detailing the Company's approach and progress towards integrating sustainability into all aspects of our business. To review the 71-page, report please go to <https://www.seabridgegold.com/sustainability>.

Seabridge Chairman and CEO Rudi Fronk stated, "Since our inception, we have endeavored to do the right things from an environmental, social and governance perspective. The success we have achieved at our 100% owned KSM project is a testament to our commitment in these areas. Being a responsible and welcome member of the communities in which we operate is an essential part of our business strategy. We look forward to continuing to report on these matters as we move forward with our projects."

The report was prepared with select disclosures and guidance from the Sustainability Standards Accounting Board (SASB) Metals and Mining Industry Standards and the Global Reporting Initiative (GRI) Standards, as well as metrics designed for Seabridge Gold by its sustainability consultant, SOOP Strategies, Inc.

Seabridge holds a 100% interest in several North American gold projects. Seabridge's assets include the KSM and Iskut projects located near Stewart, British Columbia, Canada, the Courageous Lake project located in Canada's Northwest Territories, the Snowstorm project in the Getchell Gold Belt of Northern Nevada and the 3 Aces project set in the Yukon Territory.
