Dear Sirs/Mesdames:

**Re: Taseko Mines Limited (the “Entity”)**

We refer to the short form base shelf prospectus of the above Entity dated December 15, 2017 relating to the offering for sale of common shares, warrants, subscription receipts, debt securities or units of the Entity.

We consent to be named and to the use, through incorporation by reference in the above-mentioned short form base shelf prospectus, of our report dated February 21, 2017 to the shareholders of the Entity on the following consolidated financial statements:

- Consolidated balance sheets as at December 31, 2016 and December 31, 2015,
- Consolidated statements of comprehensive loss, changes in equity and cash flows for the years then ended, and
- notes, comprising a summary of significant accounting policies and other explanatory information

We report that we have read the short form base shelf prospectus and all information specifically incorporated by reference therein and have no reason to believe that there are any misrepresentations in the information contained therein that are derived from the consolidated financial statements upon which we have reported or that are within our knowledge as a result of our audit of such consolidated financial statements. We have complied with Canadian generally accepted standards for an auditor's consent to the use of a report of the auditor included in an offering document, which does not constitute an audit or review of the prospectus as these terms are described in the CPA Canada Handbook – Assurance.

Yours very truly,

Chartered Professional Accountants
