Senior Notes Offering

On December 3, 2020, Bausch Health Companies Inc. (the “Company”) completed its previously announced offering of \$1,000,000,000 aggregate principal amount of its 5.000% Senior Notes due 2029 (the “2029 Notes”) and \$1,000,000,000 aggregate principal amount of its 5.250% Senior Notes due 2031 (the “2031 Notes” and, together with the 2029 Notes, the “Notes”).

The Notes were offered in the United States and sold to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and outside the United States to non-U.S. persons pursuant to Regulation S under the Securities Act. The Notes have not been and will not be registered under the Securities Act or any state securities law and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements.

The proceeds of the Notes offering, along with cash on hand, will be used to fund the Company’s previously announced redemptions in full of its outstanding (i) 4.50% Senior Notes due 2023 and (ii) 5.50% Senior Notes due 2023, and to pay related fees and expenses.

The Notes Indenture

The Notes were issued pursuant to the indenture, dated as of December 3, 2020 (the “Indenture”), among the Company, the guarantors named therein and The Bank of New York Mellon, as trustee.

Interest and Maturity

Pursuant to the Indenture, the 2029 Notes will mature on February 15, 2029 and the 2031 Notes will mature on February 15, 2031. Interest on each series of the Notes will be payable semi-annually in arrears on each February 15 and August 15, beginning on August 15, 2021.

Guarantees

The Notes will initially be jointly and severally guaranteed on a senior unsecured basis by each of the Company’s subsidiaries that is a guarantor under the Company’s existing credit agreement (the “Credit Agreement”), the Company’s existing senior secured notes (the “Existing Senior Secured Notes”) and the Company’s existing senior unsecured notes (together, the “Note Guarantors”).

Ranking

The Notes and the guarantees related thereto will be:

- senior unsecured obligations of the Company and the Note Guarantors, as applicable;
- *pari passu* in right of payment with all existing and future unsubordinated indebtedness of the Company or the applicable Note Guarantor;
- senior in right of payment to all existing and future indebtedness of the Company or the applicable Note Guarantor that expressly provides for its subordination to the Notes or the applicable guarantee;
- structurally subordinated to all existing and future indebtedness and other liabilities of the Company’s subsidiaries that do not guarantee the Notes to the extent of the value of such subsidiaries’ assets; and
- effectively subordinated to all existing and future secured indebtedness of the Company or the applicable Note Guarantor, including the Credit Agreement and the Existing Senior Secured Notes, to the extent of the value of the assets securing such indebtedness.

Redemption

The 2029 Notes will be redeemable at the option of the Company, in whole or in part, at any time on or after February 15, 2024, at the redemption prices as set forth in the Indenture. The 2031 Notes will be redeemable at the option of the Company, in whole or in part, at any time on or after February 15, 2026, at the redemption prices as set forth in the Indenture.

In addition, the Company may redeem some or all of the 2029 Notes prior to February 15, 2024 at a price equal to 100% of the principal amount thereof plus a “make-whole” premium. Prior to February 15, 2024, the Company may redeem up to 40% of the aggregate principal amount of the 2029 Notes using the net cash proceeds of certain equity offerings at the redemption price set forth in the Indenture.

In addition, the Company may redeem some or all of the 2031 Notes prior to February 15, 2026 at a price equal to 100% of the principal amount thereof plus a “make-whole” premium. Prior to February 15, 2024, the Company may redeem up to 40% of the aggregate principal amount of the 2031 Notes using the net cash proceeds of certain equity offerings at the redemption price set forth in the Indenture.

Upon the occurrence of a change of control (as defined in the Indenture), unless the Company has exercised its right to redeem all of the Notes of a series, as described above, holders of the Notes of such series may require the Company to repurchase such holder’s Notes, in whole or in part, at a purchase price equal to 101% of the principal amount of such Notes plus accrued and unpaid interest to, but excluding, the purchase date applicable to such Notes.

Certain Covenants

The Indenture contains covenants that limit the ability of the Company and any of its restricted subsidiaries (as such term is defined in the Indenture), to, among other things:

- incur or guarantee additional indebtedness;
- make certain investments and other restricted payments;

ARTICLE 2

THE SECURITIES

Section 2.1 Form and Dating. The Notes and the Trustee's certificate of authentication with respect thereto shall be substantially in the form set forth in Exhibit A-1, in the case of the 2029 Notes and Exhibit A-2, in the case of the 2031 Notes, which are incorporated in and made part of this Indenture. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage. The Company shall provide any such notations, legends or endorsements to the Trustee in writing. The Notes shall be in a minimum denomination of \$2,000 and integral multiples of \$1,000 in excess thereof. Each Note shall be dated the date of its authentication. The Notes are being offered and sold by the Company in transactions exempt from, or not subject to, the registration requirements of the Securities Act.

(a) Restricted Global Notes. All of the Notes are initially being offered and sold to (i) qualified institutional buyers as defined in Rule 144A in reliance on Rule 144A under the Securities Act or (ii) outside the United States to persons other than U.S. persons in reliance upon Regulation S under the Securities Act, and shall be issued initially in the form of one or more 144A Global Notes and Regulation S Global Notes, respectively, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Trustee, as custodian for the depository, DTC, and registered in the name of its nominee, Cede & Co., duly executed by the Company and authenticated by the Trustee as hereinafter provided. The aggregate principal amount of the Restricted Global Notes may from time to time be increased or decreased by adjustments made on the records of the Notes Custodian as hereinafter provided, subject in each case to compliance with the Applicable Procedures.

(b) Form of Notes. Notes issued in global form shall be substantially in the form of Exhibit A-1 attached hereto in the case of the 2029 Global Notes or Exhibit A-2 attached hereto in the case of the 2031 Global Notes (including the Global Note Legend thereon and the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Definitive Notes shall be substantially in the form of Exhibit A-1 or Exhibit A-2, as applicable, attached hereto (but without the Global Note Legend thereon and without the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Each Global Note shall represent such of the outstanding Notes of the applicable series as shall be specified therein and each shall provide that it shall represent the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee or the Notes Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.12 hereof and shall be made on the records of the Trustee and the Depository.

Members of, or participants in, the Depository ("**Agent Members**") shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository or under the Global Note, and the Depository (including, for this purpose, its nominee) may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner and Holder of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall (A) prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or (B) impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

(c) Additional Notes. Subject to compliance with the provisions of Section 4.9 hereof, the Company may issue Additional Notes of any series in an unlimited amount under this Indenture.

(d) Regulation S Global Notes. Global Notes offered and sold in reliance on Regulation S shall initially be represented by one or more Regulation S Global Notes, substantially in the form of Exhibit A-1 attached hereto in the case of the 2029 Regulation S Global Notes and Exhibit A-2 attached hereto in the case of the 2031 Regulation S Global Notes, with such applicable legends as are provided in

Exhibit A-1 and Exhibit A-2, respectively. The Regulation S Global Notes will be deposited, upon issuance, on behalf of the purchasers of the Notes represented thereby with the Trustee, as custodian for the Depository and registered in the name of the Depository or the nominee of the Depository, duly executed by the Company and authenticated by the Trustee as hereinafter provided.

The aggregate principal amount of the Regulation S Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

(e) Book Entry Provisions. The Company shall execute and the Trustee shall, in accordance with this Section 2.1(e), authenticate and deliver initially one or more Global Notes of each series that (i) shall be registered in the name of the applicable Depository or its nominee, (ii) shall be delivered by the Trustee to the applicable Depository or pursuant to the applicable Depository's instructions and (iii) shall bear legends substantially in the form of the first paragraph of Exhibit A-1 or Exhibit A-2 attached hereto.

Section 2.2 Execution and Authentication. An Officer of the Company shall sign the Notes for the Company by manual or facsimile signature. Typographic and other minor errors or defects in any such facsimile signature shall not affect the validity or enforceability of any Note which has been authenticated and delivered by the Trustee.

If an Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

A Note shall not be valid until an authorized signatory of the Trustee manually or electronically signs the certificate of authentication on the Note. The signature shall be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee shall authenticate and make available for delivery the 2029 Notes for original issue in an initial aggregate principal amount of \$1,000,000,000 and the 2031 Notes for original issue in an initial aggregate principal amount of \$1,000,000,000 and Additional Notes of either series, as contemplated by Section 2.1(c) hereof, in each case upon receipt of a written order of the Company signed by an Officer of the Company (a "**Company Order**"). The Company Order shall specify the amount of Notes to be authenticated and shall provide that all such Notes will be represented by a Restricted Global Note and the date on which such issue of Notes is to be authenticated. For the avoidance of doubt, each of the 2029 Notes and the 2031 Notes shall constitute a separate series hereunder. The aggregate principal amount of any series of Notes outstanding at any time may not exceed the applicable amounts in the foregoing sentence, except as provided in Sections 2.1(c) and 2.7 hereof.

The Trustee shall act as the initial authenticating agent. Thereafter, the Trustee may appoint an authenticating agent acceptable to the Company to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent shall have the same rights as an Agent to deal with the Company or an Affiliate of the Company.

The Notes shall be issuable only in registered form without coupons and only in minimum denominations of \$2,000 principal amount and integral multiples of \$1,000 in excess thereof.

Section 2.3 Registrar and Paying Agent. The Company shall maintain one or more offices or agencies where Notes may be presented for registration of transfer or for exchange (each, a "**Registrar**"), one or more offices or agencies where Notes may be presented for payment (each, a "**Paying Agent**") and one or more offices or agencies where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company will at all times maintain a Paying Agent, Registrar and an office or agency where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served in the Borough of Manhattan in the City of New York.

The Company shall enter into an appropriate agency agreement with any Agent not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such Agent. The Company shall notify the Trustee of the name and address of any Agent not a party to this Indenture. If the Company fails to maintain a Registrar, Paying Agent or agent for service of notices and demands in any place required by this Indenture, or fail to give the foregoing notice, the Trustee shall act as such. The Company or any Affiliate of the Company may act as Paying Agent (except for the purposes of Section 4.1 and Article 8).

The Company hereby initially designates the Trustee as Paying Agent, Registrar and Notes Custodian, and the office or agency of the Trustee in the Borough of Manhattan, The City of New York (which shall initially be the office located at 240 Greenwich Street, New York, NY 10286) as one such office or agency of the Company for each of the aforesaid purposes.

The Company may change the Paying Agents or Registrar in its sole discretion without prior notice to the Holders.

Section 2.4 Paying Agent to Hold Money in Trust. Prior to 11:00 a.m., New York City time, on each due date of the principal of or interest on any Notes, the Company shall deposit with a Paying Agent a sum sufficient to pay such principal or interest, if any, so becoming due. A Paying Agent shall hold in trust for the benefit of Noteholders or the Trustee all money held by the Paying Agent for the payment of principal of or interest on the Notes, and shall notify the Trustee of any default by the Company (or any other obligor on the Notes) in making any such payment. If the Company or an Affiliate of the Company acts as Paying Agent, the Company or such Affiliate shall, before 11:00 a.m., New York City time, on each due date of the principal of or interest on any Notes, segregate the money and hold it as a separate trust fund. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee, and the Trustee may at any time during the continuance of any Default, upon written request to a Paying Agent, require such Paying Agent to pay forthwith to the Trustee all sums so held in trust by such Paying Agent. Upon doing so, the Paying Agent (other than the Company) shall have no further liability for the money. For the avoidance of doubt, in no event shall any Paying Agent (unless the Company or an Affiliate of the Company is acting as Paying Agent) be required to advance funds for any payment on the Notes of any series hereunder or to make any such payment until the Paying Agent has actually received such funds from the Company.

Section 2.5 Noteholder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Noteholders. If the Trustee is not the Registrar, the Company shall furnish to the Trustee on or before each interest payment date, and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Noteholders.

Section 2.6 Transfer and Exchange.

(a) Subject to compliance with any applicable additional requirements contained in Section 2.12 hereof, when a Note is presented to a Registrar with a request to register a transfer thereof or to exchange such Note for an equal principal amount of Notes of the same series of other authorized denominations, the Registrar shall register the transfer or make the exchange as requested; *provided, however*, that every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed or accompanied by an assignment form and, if applicable, a transfer certificate in the form (s) included in Exhibit A-1 (in the case of the 2029 Notes), Exhibit A-2 (in the case of the 2031 Notes) and Exhibit C, as applicable, and in form satisfactory to the Registrar, duly executed by the Holder thereof or its attorney duly authorized in writing. To permit registration of transfers and exchanges, upon surrender of any Note for registration of transfer or exchange at an office or agency maintained pursuant to Section 2.3 hereof, the Company shall execute and the Trustee shall authenticate Notes of a like aggregate principal amount of the same series at the Registrar's request. Any exchange or transfer shall be without charge, except that the Company or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto, and *provided*, that this sentence shall not apply to any exchange pursuant to Section 2.10, 2.12(a), 3.6, 3.11 or 9.5 hereof.

Neither the Company, any Registrar nor the Trustee shall be required to exchange or register a transfer of any Notes of any series or portions thereof in respect of which a Change of Control Purchase Notice or a notice in connection with an Asset Sale Offer has been delivered and not withdrawn by the Holder thereof (except, in the case of the purchase of a Note in part, the portion thereof not to be purchased).

All Notes of any series issued upon any transfer or exchange of Notes shall be valid obligations of the Company, evidencing the same debt and entitled to the same benefits under this Indenture, as the Notes of such series surrendered upon such transfer or exchange.

(b) Any Registrar appointed pursuant to Section 2.3 hereof shall provide to the Trustee such information as the Trustee may reasonably require in connection with the delivery by such Registrar of Notes of any series upon transfer or exchange of Notes of such series.

(c) Each Holder of a Note agrees to indemnify the Company and the Trustee against any liability that may result from the transfer, exchange or assignment of such Holder's Note in violation of any provision of this Indenture and/or applicable United States federal, state, Canadian federal, provincial or territorial securities law.

Section 2.7 Replacement Notes. If any mutilated Note is surrendered to the Company, a Registrar or the Trustee, or the Company, a Registrar and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, and there is delivered to the Company, the applicable Registrar and the Trustee such security or indemnity as will be required by them to save each of them harmless, then, in the absence of notice to the Company, such Registrar or the Trustee that such Note has been acquired by a bona fide purchaser, the Company shall execute, and upon its written request the Trustee shall authenticate and deliver, in exchange for any such mutilated Note or in lieu of any such destroyed, lost or stolen Note, a new Note of like tenor, principal amount and series, bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, or is about to be purchased by the Company pursuant to Article 3, the Company in its discretion may, instead of issuing a new Note, pay or purchase such Note, as the case may be.

Upon the issuance of any new Notes under this Section 2.7, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other reasonable expenses (including the reasonable fees and expenses of the Trustee or the Registrar) in connection therewith.

Every new Note issued pursuant to this Section 2.7 in lieu of any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Company, whether or not the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all benefits of this Indenture equally and proportionately with any and all other Notes of such series duly issued hereunder.

The provisions of this Section 2.7 are (to the extent lawful) exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

Section 2.8 Outstanding Notes. Notes of a series outstanding at any time are all Notes of such series authenticated by the Trustee, except for those canceled by it, those delivered to it for cancellation or surrendered for transfer or exchange and those described in this Section 2.8 as not outstanding.

If a Note is replaced pursuant to Section 2.7 hereof, it ceases to be outstanding unless the Company receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser.

If a Paying Agent (other than the Company or an Affiliate of the Company) holds on a Redemption Date, Change of Control Purchase Date or the Final Maturity Date money sufficient to pay the principal of (including premium, if any) and interest on Notes (or portions thereof) payable on that date, then on and after such Redemption Date, Change of Control Purchase Date or the Final Maturity Date, as the case may be, such Notes (or portions thereof, as the case may be) shall cease to be outstanding and interest on them shall cease to accrue.

Subject to the restrictions contained in Section 2.9 hereof, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

Section 2.9 Treasury Notes. In determining whether the Holders of the required principal amount of Notes of a series have concurred in any notice, direction, waiver or consent, Notes of such series owned by the Company or any other obligor on the Notes of such series or by any Affiliate of the Company or of such other obligor shall be disregarded, except that, for purposes of determining whether the Trustee shall be protected in relying on any such notice, direction, waiver or consent, only Notes of such series which a Trust Officer of the Trustee actually knows are so owned shall be so disregarded. Notes of a series so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right so to act with respect to the Notes of such series and that the pledgee is neither the Company nor any other obligor on the Notes of such series or any Affiliate of the Company or of such other obligor.

Section 2.10 Temporary Notes. Until Definitive Notes are ready for delivery, the Company may prepare and execute, and, upon receipt of a Company Order, the Trustee shall authenticate and deliver, temporary Notes. Temporary Notes shall be substantially in the form of Definitive Notes but may have variations that the Company with the consent of the Trustee considers appropriate for temporary Notes. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate and deliver Definitive Notes in exchange for temporary Notes.

Section 2.11 Cancellation. The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee or its agent any Notes surrendered to them for transfer, exchange, payment or conversion. The Trustee and no one else shall cancel, in accordance with its standard procedures, all Notes surrendered for transfer, exchange, payment, conversion or cancellation and shall deliver the canceled Notes to the Company. All Notes which are purchased or otherwise acquired by the Company or any of its Subsidiaries prior to the Final Maturity Date of such Notes may be delivered to the Trustee for cancellation or resold. The Company may not hold or resell such Notes or issue any new Notes to replace any Notes delivered for cancellation.

Section 2.12 Legend; Additional Transfer and Exchange Requirements.

(a) If Notes are issued upon the transfer, exchange or replacement of Notes subject to restrictions on transfer and bearing the legends set forth on the form of Notes attached hereto as Exhibit A-1 (in the case of the 2029 Notes) and Exhibit A-2 (in the case of the 2031 Notes), as applicable (collectively, the "**Legend**"), or if a request is made to remove the Legend on a Note, the Notes so issued shall bear the Legend, or the Legend shall not be removed, as the case may be, unless there is delivered to the Company such satisfactory evidence, which shall include an opinion of counsel if requested by the Company, as may be reasonably required by the Company, that neither the Legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of Rule 144 under the Securities Act or that such Notes are not "restricted" within the meaning of Rule 144 under the Securities Act; *provided*, that no such evidence need be supplied in connection with the sale of such Note pursuant to a registration statement that is effective at the time of such sale. Upon (i) provision of satisfactory evidence if requested, or (ii) notification by the Company to the Trustee and Registrar of the sale of such Note pursuant to a registration statement that is effective at the time of such sale, the Trustee, at the written direction of the Company, shall authenticate and deliver a Note of the same series that does not bear the Legend. If the Legend is removed from the face of a Note and the Note is subsequently held by an Affiliate of the Company, the Legend shall be reinstated.

(b) A Global Note may not be transferred, in whole or in part, to any Person other than the Depository or a nominee or any successor thereof, and no such transfer to any such other Person may be registered; *provided*, that the foregoing shall not prohibit any transfer of a Note that is issued in exchange for a Global Note but is not itself a Global Note; *provided further*, that in no event shall a beneficial interest in a Regulation S Global Note be transferred to a U.S. Person prior to the receipt by the Registrar of any certificates required pursuant to Regulation S, as determined by the Company. No transfer of a Note to any Person shall be effective under this Indenture or the Notes unless and until such Note has been registered in the name of such Person. Notwithstanding any other provisions of this Indenture or the Notes, transfers of a Global Note, in whole or in part, shall be made only in accordance with this Section 2.12.

(c) Subject to the succeeding paragraph, every Note shall be subject to the restrictions on transfer provided in the Legend. Whenever any Restricted Note is presented or surrendered for registration of transfer or for exchange for a Note registered in a name other than that of the Holder, such Note must be accompanied by a certificate in substantially the form set forth in Exhibit A-1 or Exhibit A-2, as applicable, dated the date of such surrender and signed by the Holder of such Note, as to compliance with such restrictions on transfer. The Registrar shall not be required to accept for such registration of transfer or exchange any Note not so accompanied by a properly completed certificate.

(d) The restrictions imposed by the Legend upon the transferability of any Note shall cease and terminate when such Note has been sold pursuant to an effective registration statement under the Securities Act or transferred in compliance with Rule 144 under the Securities Act (or any successor provision thereto) or, if earlier, upon the expiration of the holding period applicable to sales thereof under Rule 144(d)(1)(ii) under the Securities Act (or any successor provision). Any Note as to which such restrictions on transfer shall have expired in accordance with their terms or shall have terminated may, upon a surrender of such Note for exchange to the Registrar in accordance with the provisions of this Section 2.12 (accompanied, in the event that such restrictions on transfer have terminated by reason of a transfer in compliance with Rule 144 or any successor provision, by, if requested by the Company or the Registrar, an opinion of counsel reasonably acceptable to the Company and addressed to the Company to the effect that the transfer of such Note has been made in compliance with Rule 144 or such successor provision), be exchanged for a new Note, of like tenor, series and aggregate principal amount, which shall not bear the restrictive Legend. The Company shall inform the Trustee of the effective date of any registration statement registering any Notes under the Securities Act. The Trustee shall not be liable for any action taken or omitted to be taken by it in good faith in accordance with the aforementioned opinion of counsel or registration statement.

(e) As used in this Section 2.12, the term “transfer” encompasses any sale, pledge, transfer, hypothecation or other disposition of any Note.

(f) The provisions of clauses (iii), (iv) and (v) below shall apply only to Global Notes:

(i) Notwithstanding any other provisions of this Indenture or the Notes, a Global Note shall not be exchanged in whole or in part for a Note of such series registered in the name of any Person other than the Depositary or one or more nominees thereof, *provided*, that a Global Note of a series may be exchanged for Notes of such series registered in the names of any person designated by the Depositary in the event that (A) the Depositary has notified the obligors that it is unwilling or unable to continue as Depositary for such Global Note and the Company fails to appoint a successor Depositary or (B) an Event of Default has occurred and is continuing with respect to the Notes of such series. Any Global Note exchanged pursuant to clause (A) above shall be so exchanged in whole and not in part, and any Global Note exchanged pursuant to clause (B) above may be exchanged in whole or from time to time in part as directed by the applicable Depositary. Any Note issued in exchange for a Global Note or any portion thereof shall be a Global Note; *provided*, that any such Note so issued that is registered in the name of a Person other than the Depositary or a nominee thereof shall not be a Global Note.

(ii) Notes issued in exchange for a Global Note of a series or any portion thereof shall be issued in definitive, fully registered form, without interest coupons, shall be of the same series, shall have an aggregate principal amount equal to that of such Global Note or portion thereof to be so exchanged, shall be registered in such names and shall be in such authorized denominations as the Depositary shall designate and shall bear the applicable legends provided for herein. Any Global Note to be exchanged in whole shall be surrendered by the Depositary to the Trustee, as Registrar. With regard to any Global Note to be exchanged in part, either such Global Note shall be so surrendered for exchange or, if the Trustee is acting as custodian for the Depositary or its nominee with respect to such Global Note, the principal amount thereof shall be reduced, by an amount equal to the portion thereof to be so exchanged, by means of an appropriate adjustment made on the records of the Trustee. Upon any such surrender or adjustment, the Trustee shall authenticate and deliver Notes of the same series issuable on such exchange to or upon the order of the Depositary or an authorized representative thereof.

(iii) Subject to the provisions of clause (v) below, the registered Holder may grant proxies and otherwise authorize any Person, including Agent Members and persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(iv) In the event of the occurrence of any of the events specified in clause (i) above, the obligors will promptly make available to the Trustee a reasonable supply of applicable Definitive Notes in definitive, fully registered form, without interest coupons.

(v) Neither Agent Members nor any other Persons on whose behalf Agent Members may act shall have any rights under this Indenture with respect to any Global Note registered in the name of the Depository or any nominee thereof, or under any such Global Note, and the Depository or such nominee, as the case may be, may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner and holder of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or such nominee, as the case may be, or impair, as between the Depository, its Agent Members and any other Person on whose behalf an Agent Member may act, the operation of customary practices of such Persons governing the exercise of the rights of a holder of any Note.

(vi) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Agent Members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so as and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(g) Euroclear and Clearstream Procedures Applicable. The provisions of the “Operating Procedures of the Euroclear System” and “Terms and Conditions Governing Use of Euroclear” and the equivalent procedures of Clearstream shall be applicable to transfers of beneficial interests in Global Notes that are held by Participants through Euroclear or Clearstream.

Section 2.13 CUSIP, Common Code and ISIN Numbers. The Company in issuing the Notes of any series may use one or more “CUSIP” and “ISIN” numbers (if then generally in use), and, if so, the Trustee shall use “CUSIP” and “ISIN” numbers in notices of purchase as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a purchase and that reliance may be placed only on the other identification numbers printed on the Notes, and any such purchase shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee of any change in the “CUSIP” and “ISIN” numbers applicable to any series of the Notes.

ARTICLE 3

REDEMPTION AND PURCHASES

Section 3.1 Right to Redeem. The Company, at its option, may redeem the Notes of a series in accordance with the provisions of Sections 3.7 and 3.8(g) hereof.

If the Company elects to redeem the Notes of a series, it shall notify the Trustee at least 15 days prior to the Redemption Date (unless a shorter notice period shall be satisfactory to the Trustee) of the Redemption Date, the aggregate principal amount of the Notes and series of such Notes to be redeemed and the Section of this Indenture pursuant to which such Notes are being redeemed.

Section 3.2 Selection of Notes to Be Redeemed. The Company will give not less than 10 days' nor more than 60 days' notice of any redemption. If the Company elects to redeem less than all of the outstanding Notes of a series, the Notes of that series will be selected for redemption as follows:

- (i) in accordance with the procedures of The Depository Trust Company and in compliance with the requirements of the applicable stock exchange to the extent the Notes of such series are held in the form of Global Notes; or
- (ii) on a *pro rata* basis, by lot or by such method as the Trustee deems fair and appropriate to the extent the Notes of such series are held in the form of Definitive Notes.

In the event of a partial redemption by lot, the particular Notes to be redeemed will be selected, unless otherwise provided herein, not less than 10 nor more than 60 days prior to the Redemption Date from the outstanding Notes of the applicable series not previously called for redemption.

The Notes and portions of the Notes selected for redemption will be in amounts of \$2,000 or whole multiples of \$1,000 except that if all of the Notes of a series of a Holder are to be redeemed, the entire outstanding amount of Notes of such series held by such Holder, even if not a multiple of \$1,000, shall be redeemed. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

Section 3.3 Notice of Redemption. At least 10 days but not more than 60 days before a Redemption Date, the Company shall send, or shall cause to be sent, a notice of redemption by first-class mail (postage prepaid) or otherwise transmit in accordance with applicable procedures of DTC, to the Trustee and to each Holder of Notes of the applicable series to be redeemed.

The notice shall identify the Notes to be redeemed and shall state:

- the aggregate principal amount of the Notes to be redeemed;
- the series of Notes to be redeemed;
- the Redemption Date (which shall be a Business Day);
- the redemption price;
- the name and address of the Paying Agent;
- that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- if fewer than all the outstanding Notes of a series are to be redeemed, the certificate numbers, if any, and principal amounts of the particular Notes of such series to be redeemed;
- that, unless the Company defaults in the deposit of the redemption price, interest on Notes called for redemption will cease to accrue on and after the Redemption Date;
- the Section of this Indenture pursuant to which the Notes are being redeemed;
- the CUSIP numbers of the Notes; and
- any conditions precedent to such redemption.

At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense, *provided*, that the Company makes such request at least three Business Days prior to the date by which such notice of redemption must be given to Holders in accordance with this Section 3.3. Redemption notices may be given more than 60 days prior to a Redemption Date if the notice is issued in connection with a defeasance of the Notes of such series pursuant to Sections 8.3 or 8.4 or a satisfaction and discharge of this Indenture with respect to such series of Notes pursuant to Section 8.1. If a redemption is subject to satisfaction of one or more conditions precedent, the applicable redemption notice shall describe such condition, and if applicable, shall state that, in the Company's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied, without the requirement of an additional notice period to the Holders, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date as so delayed. The Trustee shall have no responsibility for calculating the redemption price.

Section 3.4 Effect of Notice of Redemption. Once notice of redemption is given and any conditions set forth therein have been satisfied, Notes called for redemption become due and payable on the Redemption Date and at the redemption price stated in the notice. Upon surrender to the Paying Agent, such Notes shall be paid at the redemption price stated in the notice.

On and after the Redemption Date, unless the Company defaults in the deposit of the redemption price and subject to satisfaction of any conditions precedent, interest will cease to accrue on the Notes or any portion of the Notes called for redemption, and all other rights of the Holder will terminate other than the right to receive the redemption price, without interest from the Redemption Date, on surrender of the Notes.

Section 3.5 Deposit of Redemption Price. Prior to 11:00 a.m. (New York City time) on the Redemption Date, the Company shall deposit with the Paying Agent (or the Trustee) money sufficient to pay the redemption price (as calculated by the Company) on all Notes to be redeemed on that date.

Section 3.6 Notes Redeemed in Part. Upon surrender of a Note that is redeemed in part, the Company shall execute and the Trustee shall authenticate and deliver to the Holder, without service charge, a new Note in an authorized denomination equal in principal amount to, and in exchange for, the unredeemed portion of the Note surrendered.

The Company shall calculate the redemption price, including any Applicable Premium.

(2) the redemption occurs within 180 days of the date of the closing of such Equity Offering.

(e) On or after February 15, 2026, the Company may redeem all or a part of the 2031 Notes upon not less than 10 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest on the 2031 Notes redeemed, to, but not including, the applicable redemption date, if redeemed during the twelve-month period beginning on February 15 of the years indicated below:

The Company shall calculate the redemption price, including any Applicable Premium.

(g) In connection with any optional redemption of a series of Notes, any such redemption may, at the Company's discretion, be subject to one or more conditions precedent. If a redemption is subject to satisfaction of one or more conditions precedent, the applicable redemption notice shall describe such condition, and if applicable, shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, without the requirement of an additional notice period to the Holders, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date as so delayed.

(h) If the Company or any Note Guarantor becomes obligated to pay, on the next date on which any amount will be payable with respect to a series of Notes, any Additional Amounts as a result of (i) any amendment to, or change in, the laws or regulations of a Relevant Taxing Jurisdiction (as defined in Section 4.21 herein) which amendment or change is publicly announced and becomes effective after November 18, 2020 (or, if the applicable Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction on a date after November 18, 2020, after such later date) or (ii) any amendment to, or change in, an official written interpretation or application of such laws or regulations (including by virtue of a holding by a court of competent jurisdiction) which amendment or change is publicly announced and becomes effective after November 18, 2020 (or, if the applicable

Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction on a date after November 18, 2020, after such later date) (each of the foregoing clauses (i) and (ii), a “**Change in Tax Law**”) and the Company or the applicable Note Guarantor cannot avoid any such payment obligation by taking reasonable measures available to it (including making payment through a paying agent located in another jurisdiction, but not including the substitution of an obligor if the Company would be required to pay Additional Amounts), the Company may, at its option, redeem the Notes of such series then outstanding, in whole but not in part, at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), provided, however, that if such right to redeem is triggered by the obligation of a Note Guarantor to pay Additional Amounts, such right to redeem will apply only if the payment giving rise to such obligation cannot be made by the Company or another Note Guarantor without the obligation to pay Additional Amounts. Notice of the Company’s intent to redeem the Notes of such series shall not be given until the Company delivers to the Trustee an opinion of tax counsel to the effect that there has been such Change in Tax Law which would entitle the Company to redeem the Notes of such series hereunder and an Officers’ Certificate to the effect that the Company or the applicable Note Guarantor cannot avoid its obligation to pay Additional Amounts by taking reasonable measures available to it. The foregoing provisions shall apply mutatis mutandis to any successor Person to the Company or the applicable Note Guarantor, after such successor Person becomes a party to this Indenture, with respect to a Change in Tax Law that is publicly announced and becomes effective after such successor Person becomes a party to this Indenture.

(i) Any redemption pursuant to this Section 3.7 shall be made pursuant to the provisions of Sections 3.1 through 3.6 hereof.

(j) In connection with any redemption under this Section 3.7, the Company shall deliver to the Trustee an Officers’ Certificate and Opinion of Counsel to the effect that all conditions precedent in this Indenture to the redemption have been complied with.

Section 3.8 Purchase of Notes at Option of the Holder Upon Change of Control.

(a) If at any time that Notes of any series remain outstanding there shall occur a Change of Control with respect to a series of Notes, such series of Notes shall be purchased by the Company at the option of the Holders of such series, as of the Change of Control Purchase Date, at a purchase price equal to 101% of the principal amount of the Notes of such series, together with accrued and unpaid interest, including interest on any unpaid overdue interest, if any, to, but excluding, the Change of Control Purchase Date (the “**Change of Control Purchase Price**”), subject to satisfaction by or on behalf of any Holder of the requirements set forth in subsection (c) of this Section 3.8.

(b) Within 30 days after the occurrence of a Change of Control with respect to either series of Notes, the Company shall transmit a written notice (“**Company Notice**”) of the Change of Control to the Trustee and to each Holder of such series of Notes (and to beneficial owners as required by applicable law) pursuant to which the Company shall make an offer (a “**Change of Control Offer**”) to each Holder to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of each Holder’s Notes of such series at the Change of Control Purchase Price. The notice shall include the form of a Change of Control Purchase Notice to be completed by the Holder, shall describe the transaction or transactions that constitute the Change of Control and shall state:

(i) that the Change of Control Offer is being made pursuant to this Section 3.8 and that all Notes of the applicable series tendered will be accepted for payment;

(ii) the date by which the Change of Control Purchase Notice pursuant to this Section 3.8 must be given;

(iii) the purchase date, which date shall be no earlier than 30 days and no later than 60 days after the date the Company Notice is mailed (the “**Change of Control Purchase Date**”);

- (iv) the Change of Control Purchase Price;
- (v) the Holder's right to require the Company to purchase the Notes of such series;
- (vi) the name and address of the Paying Agent;
- (vii) that, unless the Company defaults in making such payment, any Note of such series accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Purchase Date;
- (viii) the procedures that the Holder must follow to exercise rights under this Section 3.8; and
- (ix) the procedures for withdrawing a Change of Control Purchase Notice, including a form of notice of withdrawal.

If any of the Notes of such series is in the form of a Global Note, then the Company shall modify such notice to the extent necessary to accord with the procedures of the Depository applicable to the repurchase of Global Notes of such series.

(c) A Holder may exercise its rights specified in subsection (a) of this Section 3.8 upon delivery of a written notice (which shall be in substantially the form included in Exhibit A hereto, as applicable, and which may be delivered by letter, overnight courier, hand delivery, facsimile transmission or in any other written form and, in the case of Global Notes, may be delivered electronically or by other means in accordance with the Depository's customary procedures) of the exercise of such rights (a "**Change of Control Purchase Notice**") to any Paying Agent at any time prior to the close of business on the Business Day next preceding the Change of Control Purchase Date.

The delivery of such Note to any Paying Agent (together with all necessary endorsements) at the office of such Paying Agent shall be a condition to the receipt by the Holder of the Change of Control Purchase Price therefor.

The Company shall purchase from the Holder thereof, pursuant to this Section 3.8, a portion of a Note of the applicable series if the principal amount of such portion is \$2,000 or an integral multiple of \$1,000 in excess thereof. Provisions of this Indenture that apply to the purchase of all of a Note pursuant to Sections 3.8 through 3.13 also apply to the purchase of such portion of such Note.

Notwithstanding anything herein to the contrary, any Holder delivering to a Paying Agent the Change of Control Purchase Notice contemplated by this subsection (c) shall have the right to withdraw such Change of Control Purchase Notice in whole or in a portion thereof that is a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof at any time prior to the close of business on the Business Day next preceding the Change of Control Purchase Date by delivery of a written notice of withdrawal to the Paying Agent in accordance with Section 3.9 hereof.

A Paying Agent shall promptly notify the Company of the receipt by it of any Change of Control Purchase Notice or written withdrawal thereof.

Anything herein to the contrary notwithstanding, in the case of Global Notes, any Change of Control Purchase Notice may be delivered or withdrawn and such Notes may be surrendered or delivered for purchase in accordance with the Applicable Procedures as in effect from time to time.

(d) The Company will not be required to make a Change of Control Offer upon a Change of Control with respect to a series of Notes if (1) a third party makes the Change of Control Offer with respect to such series of Notes in the manner, at the times and otherwise in compliance with the requirements applicable to a Change of Control Offer made by the Company set forth in subsection (b) of this Section 3.8 and purchases all Notes of such series properly tendered and not withdrawn under the Change of Control Offer, (2) notice of redemption with

respect to such series of Notes has been given pursuant to Sections 3.1 or 3.7 hereof, unless and until there is a default in payment of the applicable redemption price, or (3) after giving effect to such Change of Control, (i) no Default or Event of Default has occurred and is continuing, (ii) the Change of Control transaction has been approved by the Board of Directors of the Company, and (iii) the Notes of such series have received an Investment Grade Rating. In addition, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of launching the Change of Control Offer.

(e) The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Purchase Date.

(f) The provisions under this Indenture relative to the Company's obligation to make an offer to repurchase the Notes of a series as a result of a Change of Control (including any required notice period) may be waived or modified with respect to a series of Notes with the written consent of the Holders of a majority in principal amount of the Notes of that series, including after the entry into an agreement that would result in the need to make a Change of Control Offer.

(g) With respect to a series of Notes, in the event that Holders of not less than 90% in aggregate principal amount of the outstanding Notes of such series validly tender and do not withdraw such Notes in a Change of Control Offer and the Company purchases all of the Notes of that series validly tendered and not withdrawn by such Holders, within 60 days of such purchase, the Company will have the right, upon not less than 10 days' nor more than 60 days' prior notice, to redeem all of the Notes of that series that remain outstanding following such purchase at a redemption price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest on the Notes of that series to, but excluding, the date of redemption. Any redemption pursuant to this Section 3.8(g) shall be made pursuant to the provisions of Sections 3.1 through 3.6 hereof.

Section 3.9 Effect of Change of Control Purchase Notice. Upon receipt by any Paying Agent of the Change of Control Purchase Notice specified in Section 3.8(c) hereof, the Holder of the Note in respect of which such change of Control Purchase Notice was given shall (unless such Change of Control Purchase Notice is withdrawn as specified below) thereafter be entitled to receive the Change of Control Purchase Price with respect to such Note. Such Change of Control Purchase Price shall be paid to such Holder promptly following the later of (a) the Change of Control Purchase Date with respect to such Note (*provided* the conditions in Section 3.8(c) hereof have been satisfied) and (b) the time of delivery of such Note to a Paying Agent by the Holder thereof in the manner required by Section 3.8(c) hereof.

A Change of Control Purchase Notice may be withdrawn by means of a written notice (which may be delivered by mail, overnight courier, hand delivery, facsimile transmission or in any other written form and, in the case of Global Notes, may be delivered electronically or by other means in accordance with the Depository's customary procedures) of withdrawal delivered by the Holder to a Paying Agent at any time prior to the close of business on the Business Day immediately preceding the Change of Control Purchase Date, specifying the principal amount of the Note or portion thereof (which must be a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof) with respect to which such notice of withdrawal is being submitted.

Section 3.10 Deposit of Change of Control Purchase Price. On or before 11:00 a.m., New York City time on the Change of Control Purchase Date, the Company shall deposit with the Trustee or with a Paying Agent (other than the Company or an Affiliate of the Company) an amount of money (in immediately available funds if deposited on such Change of Control Purchase Date) sufficient to pay the aggregate Change of Control Purchase Price of all the Notes of such series or portions thereof that are to be purchased as of such Change of Control Purchase Date. The manner in which the deposit required by this Section 3.10 is made by the Company shall be at the option of the Company, *provided* that such deposit shall be made in a manner such that the Trustee or a Paying Agent shall have immediately available funds on the Change of Control Purchase Date.

If a Paying Agent holds, in accordance with the terms hereof, money sufficient to pay the Change of Control Purchase Price of any Note of such series for which a Change of Control Purchase Notice has been tendered and not withdrawn in accordance with this Indenture then, on the Change of Control Purchase Date, interest will cease to accrue on such Notes or any portion of such Notes as to which a Change of Control Purchase Notice has

been tendered and not withdrawn in accordance with this Indenture and all other rights of the Holder of such Notes will terminate other than the right to receive the Change of Control Purchase Price, without interest from the Change of Control Purchase Date, on surrender of such Notes.

Section 3.11 Notes Purchased in Part. Any Note that is to be purchased only in part shall be surrendered at the office of a Paying Agent, and promptly after the Change of Control Purchase Date the Company shall execute and the Trustee shall authenticate and deliver to the Holder of such Note, without service charge, a new Note or Notes of the applicable series, of such authorized denomination or denominations as may be requested by such Holder, in aggregate principal amount equal to, and in exchange for, the portion of the principal amount of the Note so surrendered that is not purchased.

Section 3.12 Compliance with Securities Laws upon Purchase of Notes. In connection with any offer to purchase or purchase of Notes under Section 3.8 hereof, the Company shall (a) comply with Rule 14e-1 (or any successor to such Rule), if applicable, under the Exchange Act, and (b) otherwise comply with all United States federal and state securities laws and Canadian federal, provincial and territorial securities laws in connection with such offer to purchase or purchase of Notes, all so as to permit the rights of the Holders and obligations of the Company under Sections 3.8 through 3.11 hereof to be exercised in the time and in the manner specified therein. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of this Article 3, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Article 3 by virtue of such conflict.

Section 3.13 Repayment to the Company. To the extent that the aggregate amount of cash deposited by the Company pursuant to Section 3.10 with respect to any series of Notes hereof exceeds the aggregate Change of Control Purchase Price (including interest thereon) of the Notes of such series or portions thereof that the Company is obligated to purchase, then promptly after the Change of Control Purchase Date, and upon request, the Trustee or a Paying Agent, as the case may be, shall return any such excess cash to the Company.

Section 3.14 Offer to Purchase by Application of Excess Proceeds. In the event that, pursuant to Section 4.14 hereof, the Company is required to commence an offer to all Holders to purchase Notes of a series ("**Asset Sale Offer**"), it shall follow the procedures specified below.

The Asset Sale Offer shall be made to all Holders of each series of Notes and all holders of other Indebtedness that is *pari passu* with the Notes (including Notes of the other series) containing provisions similar to those set forth in this Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets. The Asset Sale Offer shall remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the "**Offer Period**"). No later than three Business Days after the termination of the Offer Period (the "**Purchase Date**"), the Company shall apply a portion of the Excess Proceeds as calculated pursuant to Section 4.14 hereof (the "**Offer Amount**") to the purchase of Notes of any series and such other *pari passu* Indebtedness (on a pro rata basis, if applicable) or, if less than the Offer Amount has been tendered, all of such Notes of the applicable series and other *pari passu* Indebtedness tendered in response to the Asset Sale Offer. Payment for any Notes so purchased shall be made in the same manner as interest payments are made.

Upon the commencement of an Asset Sale Offer, the Company shall send, by first-class mail, a notice to the Trustee and each of the applicable Holders. The notice will contain all instructions and materials necessary to enable such Holders to tender such series of Notes pursuant to the Asset Sale Offer. The notice, which will govern the terms of the Asset Sale Offer, will state:

- (1) that the Asset Sale Offer is being made pursuant to this Section 3.14 and Section 4.14 hereof and the length of time the Asset Sale Offer will remain open;
- (2) the Offer Amount, the purchase price and the Purchase Date;
- (3) that with respect to any series of Notes, any Note not tendered or accepted for payment will continue to accrue interest;

(4) that, unless the Company defaults in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer shall cease to accrue interest after the Purchase Date;

(5) that, with respect to any series of Notes, Holders electing to have a Note purchased pursuant to an Asset Sale Offer may elect to have such series of Notes purchased in a principal amount of \$2,000 (or in integral multiples of \$1,000 in excess thereof) only;

(6) that Holders electing to have a Note purchased pursuant to any Asset Sale Offer shall be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, or transfer by book-entry transfer, to the Company, the Depositary, if appointed by the Company, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;

(7) that Holders shall be entitled to withdraw their election if the Company or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(8) that, if the aggregate principal amount of any Notes of such series and other *pari passu* Indebtedness surrendered in connection with the Asset Sale Offer exceeds the Offer Amount, the Company shall select Notes of such series and other *pari passu* Indebtedness to be purchased on a pro rata basis based on the principal amount of the applicable series of Notes and such other *pari passu* Indebtedness surrendered (with such adjustments as may be deemed appropriate by the Company so that only such Notes in denominations of \$2,000 (or integral multiples of \$1,000 in excess thereof), will be purchased); and

(9) that Holders of any Notes whose Notes were purchased only in part will be issued new Notes of such series equal in principal amount to the unpurchased portion of such Notes surrendered (or transferred by book-entry transfer).

On or before the Purchase Date, the Company shall, to the extent lawful, accept for payment, on a pro rata basis to the extent necessary, the Offer Amount of the applicable Notes of such series or portions thereof tendered pursuant to the Asset Sale Offer, or if less than the Offer Amount has been tendered, all such Notes of such series tendered, and shall deliver to the Trustee an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this Section 3.14. The Company, the Depositary or the Paying Agent, as the case may be, shall promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the applicable series of Notes tendered by such Holder and accepted by the Company for purchase, and the Company shall promptly issue a new Note of such series, and the Trustee, upon written request from the Company, shall authenticate and mail or deliver such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Company to the Holder thereof. The Company shall publicly announce the results of the Asset Sale Offer on or as soon as practicable after the Purchase Date.

Other than as specifically provided in this Section 3.14, any purchase pursuant to this Section 3.14 shall be made pursuant to the provisions of Sections 3.1 through 3.6 hereof.

ARTICLE 4

COVENANTS

Section 4.1 Payment of Notes. The Company shall promptly make all payments in respect of the Notes of each series on the dates and in the manner provided in the Notes and this Indenture. An installment of principal or interest shall be considered paid on the date it is due if the Paying Agent (other than the Company) holds by 11:00 a.m., New York City time, on that date money, deposited by the Company or an Affiliate thereof, sufficient

to pay the installment. Except in the case of a redemption, a Change of Control Offer or an Asset Sale Offer, accrued and unpaid interest on any Note that is payable, and is punctually paid or duly provided for, on any interest payment date shall be paid to the Person in whose name that Note is registered at the close of business on the record date for such interest at the office or agency of the Company maintained for such purpose. The Company shall (in immediately available funds), to the fullest extent permitted by law, pay interest on overdue principal (including premium, if any) and overdue installments of interest from the original due date to the date paid, at the rate applicable to the Note, which interest shall be payable on demand.

The Company will make payments in respect of the Notes represented by the Global Notes (including principal, premium, if any, and interest) by wire transfer of immediately available funds to the accounts specified by the Holder of the Global Note. The Company will make all payments of principal, interest and premium, if any, with respect to Definitive Notes by wire transfer of immediately available funds to the accounts specified by the Holders of the Definitive Notes, in the case of a Holder holding an aggregate principal amount of Notes of any series of \$1,000,000 or more, or, if no such account is specified or in the case of a Holder holding an aggregate principal amount of Notes of any series of less than \$1,000,000, by mailing a check to each such Holder's registered address. All payments shall be made in immediately available funds in U.S. dollars. Payments to any Holder holding an aggregate principal amount of Notes of any series in excess of \$1,000,000 shall be made by wire transfer in immediately available funds to an account maintained by such Holder in the United States, if such Holder has provided wire transfer instructions to the Company at least 10 Business Days prior to the payment date. Any wire transfer instructions received by the Trustee will remain in effect until revoked by the Holder.

Section 4.2 Maintenance of Office or Agency.

(a) The Company shall maintain in the United States of America, an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co registrar) where Notes may be surrendered for payment, registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

(b) The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in the United States of America, for such purposes. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Company hereby designates the offices of the Trustee set forth in Section 2.3 hereof as one such office or agency of the Company.

Section 4.3 Reports.

(a) Whether or not required by the SEC's rules and regulations, so long as any Notes are outstanding, the Company shall furnish (to the extent not publicly available on the SEC's EDGAR system) to the Trustee and the Holders of Notes and post on the Company's website (in a format that is accessible to Holders of Notes as well as prospective Holders of Notes), within the time periods specified in the SEC's rules and regulations:

(i) all quarterly and annual reports that would be required to be filed with the SEC on Forms 10-Q and 10-K if the Company were required to file such reports; and

(ii) all current reports that would be required to be filed with the SEC on Form 8-K if the Company were required to file such reports.

All such reports shall be prepared in all material respects in accordance with all of the rules and regulations applicable to such reports (other than consolidating financial information required by Rule 3-10 or 3-16 of Regulation S-X or any comparable provision so long as the Company complies with Section 4.3(d)). Each annual report on Form 10-K shall include a report on the Company's consolidated financial statements by the Company's independent registered public accountants. In addition, the Company shall file a copy of each of the reports referred to in clauses (i) and (ii) above with the SEC for public availability within the time periods specified in the rules and regulations applicable to such reports (unless the SEC will not accept such a filing or the Company is no longer subject to the periodic reporting requirements of the Exchange Act for any reason) and make such information available to securities analysts and prospective investors upon request.

(b) If, at any time, the Company is no longer subject to the periodic reporting requirements of the Exchange Act for any reason, and regardless of whether it continues to file reports with the SEC, the Company shall nevertheless continue making the reports specified in Section 4.3(a) hereof available to the Holders of the Notes, prospective investors and securities analysts by posting such information on its website. While the Company remains subject to the periodic reporting requirements of the Exchange Act, the Company agrees that it shall not take any action for the purpose of causing the SEC not to accept any such filings. If, notwithstanding the foregoing, the SEC will not accept the Company's filings for any reason, the Company shall post the reports referred to in Section 4.3(a) hereof on its website within the time periods that would apply if the Company were required to file those reports with the SEC.

(c) The Company further agrees that, for so long as any Notes remain outstanding, at any time it is not required to file the reports required by Section 4.3(a) or (b) hereof with the SEC, it shall furnish to the Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(d) The quarterly and annual financial information required by Sections 4.3(a) and (b) hereof shall include a reasonably detailed presentation, either on the face of the financial statements, in the footnotes of the financial statements or in Management's Discussion and Analysis of Financial Condition and Results of Operations that discloses the total assets, liabilities, revenues and income from operations of Subsidiaries of the Company that do not Guarantee the Notes. The Trustee shall not be responsible for determining whether this clause 4.3(d) has been satisfied, nor shall it have any liability in connection therewith.

(e) Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

(f) Notwithstanding anything herein to the contrary, in the event that the Company fails to comply with its obligation to file or provide such information, documents and reports as required by this Section 4.3, the Company will be deemed to have cured such Default with respect to any series of Notes for purposes of Section 6.1(d) upon the filing or provision of all such information, documents and reports required hereunder prior to the expiration of 90 days after written notice to the Company of such failure from the Trustee or the Holders of at least 25% of the principal amount of such series of Notes.

Section 4.4 Compliance Certificates. The Company shall deliver to the Trustee, within 90 days after the end of each fiscal year of the Company (beginning with the fiscal year ending December 31, 2020), an Officers' Certificate as to the signer's knowledge of the Company's compliance with all conditions and covenants on their part contained in this Indenture and stating whether or not the signer knows of any Default or Event of Default. If such signer knows of such a Default or Event of Default, the Officers' Certificate shall describe the Default or Event of Default and the efforts to remedy the same. For the purposes of this Section 4.4, compliance shall be determined without regard to any grace period or requirement of notice provided pursuant to the terms of this Indenture.

Section 4.5 Further Instruments and Acts. Upon request of the Trustee, the Company will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purposes of this Indenture.

Section 4.6 Maintenance of Corporate Existence. Subject to Article 5 hereof, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence and the corporate existence of each Restricted Subsidiary; *provided, however*, that the Company shall not be required to preserve the corporate existence of any Restricted Subsidiary if (a) the Board of Directors or management of the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and the Restricted Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes, (b) if a Subsidiary is to be dissolved or merged or consolidated in compliance with this Indenture or (c) such Subsidiary has no assets.

Section 4.7 Changes in Covenants When Notes Rated Investment Grade. In the event of the occurrence of a Fall Away Event with respect to the Notes of a series (and notwithstanding the failure of the Company subsequently to maintain an Investment Grade Rating with respect to such series of Notes), the provisions of Sections 4.8, 4.9, 4.12, 4.13 and 4.14 hereof and clause (iv) of Section 5.1(a) hereof will no longer be applicable to the Notes of the applicable series.

Section 4.8 Restricted Payments.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly:

(i) declare or pay any dividend or make any other payment or distribution on account of the Company's or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving the Company or any of its Restricted Subsidiaries) or to the direct or indirect holders of the Company's or any of its Restricted Subsidiaries' Equity Interests in their capacity as such (other than dividends or distributions payable in Equity Interests (other than Disqualified Stock) of the Company or to the Company or a Restricted Subsidiary of the Company);

(ii) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving the Company) any Equity Interests of the Company or any direct or indirect parent of the Company;

(iii) purchase, redeem, defease or otherwise acquire or retire for value, prior to scheduled maturity, scheduled repayment or scheduled sinking fund payment, any Indebtedness of the Company or any Note Guarantor that is contractually subordinated in right of payment to the Notes or a Note Guarantee, except (i) from the Company or a Restricted Subsidiary of the Company or (ii) the purchase, redemption, defeasance or other acquisition or retirement of any such Indebtedness made in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of such purchase, redemption, defeasance or other acquisition or retirement; or

(iv) make any Restricted Investment

(all such payments and other actions set forth in clauses (i) through (iv) above being collectively referred to as "**Restricted Payments**"), unless, at the time of and after giving effect to such Restricted Payment:

(1) no Default or Event of Default has occurred and is continuing or would occur as a consequence of such Restricted Payment;

(2) the Company would, at the time of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test or Total Leverage Ratio test set forth in Section 4.9(a) hereof; and

(3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Company and its Restricted Subsidiaries after January 30, 2015 (excluding

Restricted Payments permitted by clauses (ii) through (ix), (xi), (xii), (xiii) and (xiv) of Section 4.8(b)), is less than the sum, without duplication, of:

(A) an amount (which shall not be less than zero) equal to 50% of the Consolidated Net Income of the Company for the period (taken as one accounting period) from October 1, 2014 to the end of the Company's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment, *plus*

(B) 100% of the aggregate net cash proceeds (or the fair market value of assets) received by the Company since January 30, 2015 as a contribution to its common equity capital or from the issue or sale of Equity Interests of the Company (other than Excluded Contributions or Disqualified Stock) or from the issue or sale of convertible or exchangeable Disqualified Stock or convertible or exchangeable debt securities of the Company that have been converted into or exchanged for such Equity Interests (other than Equity Interests (or Disqualified Stock or debt securities) sold to a Subsidiary of the Company), *plus*

(C) to the extent that any Restricted Investment that was made after January 30, 2015 is sold for cash or otherwise liquidated or repaid for cash, the lesser of (i) the cash return of capital with respect to such Restricted Investment (less the cost of disposition, if any) or (ii) the initial amount of such Restricted Investment, *plus*

(D) to the extent that any Unrestricted Subsidiary of the Company is redesignated as a Restricted Subsidiary after January 30, 2015, the lesser of (i) the Fair Market Value of the Company's Investment in such Subsidiary as of the date of such redesignation or (ii) such Fair Market Value as of the date on which such Subsidiary was originally designated as an Unrestricted Subsidiary, *plus*

(E) \$3.7 billion, *plus*

(F) Declined Asset Sale Proceeds or Retained Asset Sale Proceeds.

(b) The preceding provisions shall not prohibit:

(i) the payment of any dividend within 60 days after the date of declaration of the dividend, if at the date of declaration the dividend payment would have complied with the provisions of this Indenture (it being understood that the amount of any such dividend shall be included in the aggregate amount of Restricted Payments determined in Section 4.8(a)(3) only once and not as separate Restricted Payments made at both declaration and payment);

(ii) any Restricted Payment made in exchange for, or in an amount equal to the net cash proceeds of, the substantially concurrent sale (other than to the Company or a Restricted Subsidiary of the Company) of, Equity Interests of the Company (other than Disqualified Stock); *provided*, that an amount equal to such Restricted Payment will be excluded from clause (3)(B) of Section 4.8(a) hereof;

(iii) the defeasance, redemption, repurchase or other acquisition or retirement of subordinated Indebtedness of the Company or any Note Guarantor with the net cash proceeds from, or in exchange for, an incurrence of Permitted Refinancing Indebtedness;

(iv) the payment of any dividend or any other payment or distribution by a Restricted Subsidiary of the Company to the holders of its Equity Interests of any class on a pro rata basis to the holders of such class;

(v) so long as no Default or Event of Default has occurred and is continuing, the repurchase, redemption or other acquisition or retirement for value of Equity Interests of the Company or any Restricted Subsidiary of the Company held by any present or former employee, director, officer or

consultant of, or service provider to, the Company or any of its Restricted Subsidiaries pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or agreement (including, for the avoidance of doubt, any principal and interest payable on any notes issued by the Company in connection with any such repurchase, retirement or other acquisition), or any stock subscription or shareholder agreement; *provided* that the aggregate amount of Restricted Payments made under this clause (v) shall not exceed in any calendar year \$25.0 million (with unused amounts for any year being carried over to the next succeeding year, but not to any subsequent year, with the permitted amount for each year being used prior to any amount carried over from the previous year); *provided further*, that such amount in any calendar year may be increased by an amount not to exceed:

(i) the cash proceeds of key man life insurance policies received by the Company or its Restricted Subsidiaries after the Issue Date; less

(ii) the amount of any Restricted Payments previously made with the cash proceeds described in subclause (i) of this clause (v);

(vi) payments to holders of Equity Interests (or to the holders of Indebtedness that is convertible into or exchangeable for Equity Interests upon such conversion or exchange) in lieu of the issuance of fractional shares;

(vii) repurchases of Equity Interests deemed to occur in connection with the exercise or vesting of stock options or similar instruments to the extent necessary to pay withholding or similar taxes related to such exercise or vesting of stock options or similar instruments;

(viii) the making of additional Restricted Payments in an amount not to exceed the portion, if any, of the Excluded Contributions on such date that the Company elects to apply to this clause (viii) (plus, without duplication of amounts referred to in this clause (viii), in an amount equal to the Net Proceeds from a disposition of property or assets acquired after the Issue Date, if the acquisition of such property or assets was financed with Excluded Contributions up to the amount of such Excluded Contributions);

(ix) repurchases or retirement for value of Equity Interests deemed to occur upon exercise of stock options or warrants if such Equity Interests represent a portion of the exercise price of such options or warrants;

(x) the repurchase, redemption or other acquisition or retirement for value of any subordinated Indebtedness or Disqualified Stock pursuant to provisions similar to those described under Section 3.8 and Section 4.14; *provided* that, prior thereto, all Notes tendered by Holders in connection with a Change of Control Offer or Asset Sale Offer, as applicable, have been repurchased, redeemed or acquired for value;

(xi) so long as no Default or Event of Default has occurred and is continuing, the declaration and payment of dividends to holders of any class or series of Disqualified Stock of the Company or its Restricted Subsidiaries issued in accordance with Section 4.9;

(xii) so long as no Default or Event of Default has occurred and is continuing, other Restricted Payments; *provided, however*, that if the Total Leverage Ratio as of the date of any Restricted Payment to be made pursuant to this clause (xii) is greater than or equal to 5.0 to 1.0, such Restricted Payment shall be permitted to be made pursuant to this clause (xii) only if the amount of such Restricted Payment, when taken together with the amount of all other Restricted Payments previously made pursuant to this clause (xii) when the Total Leverage Ratio was greater than or equal to 5.0 to 1.0, does not exceed the greater of (x) \$750.0 million and (y) 2.5% of Consolidated Total Assets in the aggregate;

(xiii) the distribution, as a dividend or otherwise, of shares of Capital Stock of, or Indebtedness owed to the Company or a Restricted Subsidiary by, Unrestricted Subsidiaries; and

(xiv) any payments or deliveries in connection with (a) a Permitted Bond Hedge Transaction or (b) Permitted Warrant Transaction or Packaged Rights (i) by delivery of shares of the Company's Equity Interests (other than Disqualified Stock) or (ii) otherwise, to the extent of a payment or delivery received from a Permitted Bond Hedge Transaction (whether such payment or delivery on the Permitted Warrant Transaction is effected by netting, set-off or otherwise).

(c) The amount of all Restricted Payments (other than cash) shall be the Fair Market Value (determined, for purposes of this Section 4.8, by the Company or, in the case of any asset(s) valued in excess of \$750.0 million, by the Board of Directors of the Company) on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment. For purposes of determining compliance with this Section 4.8, in the event that a Restricted Payment meets the criteria of more than one of the categories described in clauses (i) through (xiv) of clause (b) of this Section 4.8, including Section 4.8(a) or the definition of "Permitted Investment," the Company will be permitted to classify such Restricted Payment and later reclassify all or a portion of such Restricted Payment in any manner that complies with this Section 4.8. In addition, a Restricted Payment need not be permitted solely by reference to one provision permitting such Restricted Payment but may be permitted in part by one such provision and in part by one or more other provisions of this Section 4.8 permitting such Restricted Payment.

Section 4.9 Incurrence of Indebtedness and Issuance of Preferred Stock.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise (collectively, "**incur**"), with respect to any Indebtedness (including Acquired Debt), and the Company shall not issue any Disqualified Stock and shall not permit any of its Restricted Subsidiaries to issue any Disqualified Stock or preferred stock; *provided, however*, that the Company or any Restricted Subsidiary may incur Indebtedness (including Acquired Debt) or issue Disqualified Stock and any Restricted Subsidiary may issue preferred stock if (x) the Fixed Charge Coverage Ratio for the Company's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or preferred stock is issued would have been at least 2.0 to 1.0, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the Disqualified Stock or preferred stock had been issued, as the case may be, at the beginning of such four-quarter period or (y) the Total Leverage Ratio on the date on which such additional Indebtedness is incurred or such Disqualified Stock or preferred stock is issued would have been no higher than 6.5 to 1.0, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), giving effect to the incurrence of the additional Indebtedness, Disqualified Stock or preferred stock.

(b) Subsection (a) of this Section 4.9 shall not prohibit the incurrence of any of the following items of Indebtedness (collectively, "**Permitted Debt**");

(i) the incurrence by the Company and its Restricted Subsidiaries of Indebtedness under Credit Facilities in an aggregate principal amount at any one time outstanding under this clause (i) not to exceed (a) \$1,250.0 million plus (b) the greater of (x) \$1,500.0 million and (y) 39.0% of LTM Consolidated Cash Flow (measured at the time of such incurrence);

(ii) the incurrence by the Company and its Restricted Subsidiaries of the Existing Indebtedness, including the Existing Notes;

(iii) the incurrence by the Company and the Note Guarantors of Indebtedness represented by the Initial Notes (including the Note Guarantees and any future Note Guarantees);

(iv) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness represented by Capital Lease Obligations, in an aggregate amount, including all Permitted Refinancing Indebtedness incurred to refund, refinance or replace any Indebtedness incurred pursuant to this clause (iv), not to exceed the greater of (x) \$275.0 million and (y) 1.0% of Consolidated Total Assets at any time outstanding;

(v) mortgage financings or purchase money obligations, in each case, incurred for the purpose of financing all or any part of the purchase price or cost of construction or improvement of property, plant or equipment used in the business of the Company or any Restricted Subsidiary of the Company, in an aggregate principal amount, including all Permitted Refinancing Indebtedness incurred to refund, refinance or replace any Indebtedness incurred pursuant to this clause (v), not to exceed the greater of (x) \$675.0 million and (y) 2.5% of Consolidated Total Assets at any time outstanding;

(vi) the incurrence by the Company or any of its Restricted Subsidiaries of Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to refund, refinance or replace, Indebtedness (other than intercompany Indebtedness) that was permitted by this Indenture to be incurred under Section 4.9(a) hereof or clauses (ii), (iii), (xii), (xiv) or (xxi) of this Section 4.9(b) or this clause (vi) or, solely to the extent of the excess (if any) of the amount of Indebtedness incurred and outstanding under clause (xx) of this Section 4.9(b) prior to the applicable refinancing over the maximum aggregate amount permitted to be incurred and outstanding under clause (xx) of this Section 4.9(b) at the time of such refinancing, clause (xx) of this Section 4.9(b);

(vii) the incurrence by the Company or any of its Restricted Subsidiaries of intercompany Indebtedness between or among the Company and any of its Restricted Subsidiaries; *provided, however*, that:

(A) if the Company or a Note Guarantor is the obligor on such Indebtedness and the obligee is not the Company or another Note Guarantor, such Indebtedness must be expressly subordinated (without regard to security interest) to the prior payment in full in cash of all Obligations with respect to the Notes; and

(B) (i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than the Company or a Restricted Subsidiary of the Company and (ii) any sale or other transfer of any such Indebtedness to a Person that is not either the Company or a Restricted Subsidiary of the Company shall be deemed, in each case, to constitute an incurrence of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be, that is not permitted by this clause (vii);

(viii) (i) the incurrence by the Company or any of its Restricted Subsidiaries of Hedging Obligations that are incurred and not for speculative purposes and (ii) the incurrence by a Securitization Special Purpose Entity of Indebtedness in a Qualified Securitization Transaction that is without recourse to the Company or to any other Restricted Subsidiary of the Company or their assets (other than Standard Securitization Undertakings);

(ix) the Guarantee by the Company or any Restricted Subsidiary of the Company of Indebtedness of the Company or any Restricted Subsidiary that was permitted to be incurred under this Section 4.9 (other than the Note Guarantees); *provided* that if the Indebtedness being guaranteed is subordinated to or *pari passu* with the Notes or any Note Guarantee, then the Guarantee shall be subordinated to the same extent as the Indebtedness guaranteed (without regard to security interest);

(x) the accrual of interest, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, and the payment of dividends on Disqualified Stock in the form of additional shares of the same class of Disqualified Stock will not be deemed to be an incurrence of Indebtedness or an issuance of Disqualified Stock for purposes of this Section 4.9; *provided*, in each such case, that the amount thereof is included in Fixed Charges of the Company as accrued;

(xi) obligations in respect of performance and surety bonds and completion guarantees or similar obligations provided by the Company or any Restricted Subsidiary of the Company in each case in the normal course of business (whether or not consistent with past practice);

(xii) the incurrence by the Company or any of its Restricted Subsidiaries of Acquired Debt; *provided, however*, that on the date of acquisition and after giving effect thereto on a pro forma basis, (i) the Fixed Charge Coverage Ratio of the Company (A) would be at least 2.0 to 1.0 or (B) would be equal to or greater than such Fixed Charge Coverage Ratio immediately prior to such acquisition or (ii) the Total Leverage Ratio of the Company (A) would be no higher than 6.5 to 1.0 or (B) would be equal to or lower than such Total Leverage Ratio immediately prior to such acquisition;

(xiii) the incurrence by any Foreign Subsidiary or other Non-Guarantor Subsidiary of Indebtedness in an aggregate principal amount at any time outstanding, including all Permitted Refinancing Indebtedness incurred to refund, refinance or replace any Indebtedness incurred pursuant to this clause (xiii), not to exceed the greater of (x) \$675.0 million or (y) 2.5% of Consolidated Total Assets;

(xiv) Indebtedness of the Company or any Restricted Subsidiary incurred in connection with or in contemplation of, or to provide all or any portion of the funds or credit support utilized to consummate, the acquisition by the Company or any Restricted Subsidiary of the Company of property used or useful in a Permitted Business (whether through the direct purchase of assets or the purchase of Capital Stock of, or merger or consolidation with, any Person owning such assets); *provided, however*, on the date of such incurrence and after giving effect thereto on a pro forma basis, (i) the Fixed Charge Coverage Ratio of the Company (A) would be at least 2.0 to 1.0 or (B) would be equal to or greater than such Fixed Charge Coverage Ratio immediately prior to such incurrence or (ii) the Total Leverage Ratio of the Company (A) would be no higher than 6.5 to 1.0 or (B) would be equal to or lower than such Total Leverage Ratio immediately prior to such incurrence;

(xv) Indebtedness incurred by the Company or any of its Restricted Subsidiaries constituting reimbursement obligations with respect to letters of credit issued in the ordinary course of business, including letters of credit in respect of workers' compensation claims, death, disability or other employee benefits or property, casualty or liability insurance or self-insurance, or other Indebtedness with respect to reimbursement-type obligations regarding workers' compensation claims; *provided, however*, that upon the drawing of such letters of credit or the incurrence of such Indebtedness, such obligations are reimbursed within 30 days following such drawing or incurrence;

(xvi) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds, *provided* that such Indebtedness is extinguished within five Business Days of notice of its incurrence;

(xvii) Indebtedness of the Company or any of its Restricted Subsidiaries supported by a letter of credit issued pursuant to the Credit Facilities, in a principal amount not in excess of the stated amount of such letter of credit;

(xviii) Indebtedness of the Company or any of its Restricted Subsidiaries consisting of (i) the financing of insurance premiums or (ii) take-or-pay or similar obligations contained in supply arrangements, in each case, incurred in the ordinary course of business;

(xix) the incurrence by the Company or any of its Restricted Subsidiaries of additional Indebtedness in an aggregate principal amount (or accreted value, as applicable) at any time outstanding, including all Permitted Refinancing Indebtedness incurred to refund, refinance or replace any Indebtedness incurred pursuant to this clause (xix), not to exceed the greater of (x) \$1,000.0 million and (y) 3.75% of Consolidated Total Assets;

(xx) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness secured by a Lien under Credit Facilities in an aggregate principal amount such that, on a pro forma basis (including a pro forma application of the proceeds therefrom), the Secured Leverage Ratio would not exceed 3.50 to 1.00;

(xxi) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness of the Company and/or any Restricted Subsidiary in an aggregate outstanding principal amount not to exceed 100% of the amount of any capital contributions or other proceeds received by the Company or any Restricted Subsidiary (a) from the issuance or sale of its Equity Interests (other than Disqualified Stock) or (b) in the form of any cash contribution, plus the fair market value, as determined by the Company in good faith, of Cash Equivalents, marketable securities or other property received by the Company or any Restricted Subsidiary from the issuance and sale of its Equity Interests (other than Disqualified Stock) or a contribution to the capital of the Company or any Restricted Subsidiary (including through consolidation, amalgamation or merger), in each case after the Issue Date, and in each case other than (x) any proceeds received from the sale of Equity Interests to, or contributions from, the Company or any of its Restricted Subsidiaries, (y) to the extent the relevant proceeds have otherwise been applied to make Restricted Payments hereunder and (z) any Excluded Contribution; and

(xxii) the incurrence of Indebtedness of any joint venture or Indebtedness of the Company or any Restricted Subsidiary incurred on behalf of any joint venture or any guarantees by the Company or any Restricted Subsidiary of Indebtedness of any joint venture in an aggregate outstanding principal amount for all such Indebtedness not to exceed at any time the greater of \$350.0 million and 1.25% of Consolidated Total Assets.

(c) The Company shall not, and shall not permit any Note Guarantor to, incur any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of the Company or the Note Guarantors unless such Indebtedness is also contractually subordinated in right of payment to the Notes on substantially identical terms; *provided, however*, that no Indebtedness of the Company or the Note Guarantors shall be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Company or any Note Guarantor solely by virtue of being unsecured or having a junior lien priority.

(d) For purposes of determining compliance with this Section 4.9, in the event that an item of proposed Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (i) through (xxii) of Section 4.9(b) hereof, or is entitled to be incurred pursuant to subsection (a) of this Section 4.9, the Company shall be permitted to classify such item of Indebtedness on the date of its incurrence, or later reclassify from time to time all or a portion of such item of Indebtedness, in any manner that complies with this Section 4.9. Indebtedness permitted by this Section 4.9 need not be permitted solely by reference to one clause permitting such Indebtedness but may be permitted in part by one such clause and in part by one or more other clauses of this Section 4.9 permitting such Indebtedness. Indebtedness under Credit Facilities outstanding on the Issue Date will be deemed to have been incurred on such date in reliance on the exception provided by clause (xx) of Section 4.9(b) hereof.

(e) In addition, for purposes of determining compliance with this Section 4.9, the Company or the applicable Restricted Subsidiary may, pursuant to an Officers' Certificate delivered to the Trustee, elect to treat all or any portion of the commitment under any Indebtedness (including with respect to any revolving loan commitment) as being incurred at the time of such commitment, in which case any subsequent incurrence of Indebtedness under such commitment shall not be deemed to be an incurrence at such subsequent time.

Section 4.10 [Reserved].

Section 4.11 Liens.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or suffer to exist any Lien securing Indebtedness of any kind on any asset now owned or hereafter acquired, except Permitted Liens, unless contemporaneously therewith:

(i) in the case of any Lien securing Indebtedness that ranks *pari passu* with the Notes of a series or a Note Guarantee of such series, effective provision is made to secure the Notes of such series or such Note Guarantee, as the case may be, equally and ratably with or prior to such obligation with a Lien on the same assets of the Company or such Restricted Subsidiary, as the case may be; and

(ii) in the case of any Lien securing Indebtedness that is subordinated in right of payment to the Notes of a series or a Note Guarantee of such series, effective provision is made to secure the Notes of such series or such Note Guarantee, as the case may be, with a Lien on the same assets of the Company or such Restricted Subsidiary, as the case may be, that is prior to the Lien securing such subordinated obligation.

Any Lien created for the benefit of Holders pursuant to this Section 4.11 shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged, without any action on the part of the Holders, upon the release and discharge of each Lien described in clauses (i) and (ii) in this Section 4.11.

Section 4.12 Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or restriction on the ability of any such Restricted Subsidiary to:

- (i) pay dividends or make any other distributions on its Capital Stock to the Company or any of its Restricted Subsidiaries or pay any indebtedness owed to the Company or any of its Restricted Subsidiaries;
- (ii) make loans or advances to the Company or any of its Restricted Subsidiaries; or
- (iii) transfer any of its properties or assets to the Company or any of its Restricted Subsidiaries.

(b) The restrictions set forth in Section 4.12(a) hereof shall not apply to encumbrances or restrictions existing under or by reason of:

(i) agreements, including agreements governing Existing Indebtedness as in effect on the date of this Indenture and any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of those agreements, *provided* that the amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Company, not materially more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those contained in those agreements on the date of this Indenture;

(ii) this Indenture, the Notes and the Note Guarantees;

(iii) any encumbrance or restriction pursuant to Credit Facilities incurred under clause (i) or (xx) of Section 4.9(b) hereof;

(iv) applicable law, rule, regulation or order, approval, license, permit or similar restriction, including under contracts with foreign governments or agencies thereof entered into in the ordinary course of business;

(v) any instrument governing Indebtedness, Capital Stock or assets of a Person acquired by the Company or any of its Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness was incurred, or such Capital Stock was issued, in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired and any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of those agreements provided that the amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Company, not materially more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those contained in those agreements on the date of the acquisition, *provided* that, in the case of Indebtedness, such Indebtedness was permitted to be incurred under Section 4.9 hereof;

- (vi) customary non-assignment provisions in leases, contracts and licenses entered into in the ordinary course of business;
- (vii) purchase money obligations for property that impose restrictions on that property of the nature described in clause (iii) of Section 4.12(a) hereof;
- (viii) any agreement for the sale or other disposition of a Restricted Subsidiary that restricts distributions, transfers, loans or advances by that Restricted Subsidiary pending its sale or other disposition;
- (ix) Permitted Refinancing Indebtedness; *provided* that the restrictions contained in the agreements governing such Permitted Refinancing Indebtedness are not, in the good faith judgment of the Company, materially more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced;
- (x) Permitted Liens securing Indebtedness that limit the right of the debtor to dispose of the assets subject to such Liens;
- (xi) customary provisions in joint venture agreements, asset sale agreements, stock sale agreements and other similar agreements entered into with the approval of the Board of Directors of the Company or otherwise in the ordinary course of business;
- (xii) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;
- (xiii) restrictions in agreements or instruments which prohibit the payment or making of dividends or other distributions other than on a pro rata basis;
- (xiv) contractual requirements of a Securitization Special Purpose Entity in connection with a Qualified Securitization Transaction; *provided*, that such restrictions apply only to such Securitization Special Purpose Entity; and
- (xv) any agreement or instrument governing Indebtedness or preferred stock permitted to be incurred subsequent to the Issue Date pursuant to Section 4.9 hereof which encumbrances or restrictions (x) are not, in the good faith judgment of the Company, materially more restrictive, taken as a whole, than those contained in this Indenture or (y) will not, in the good faith judgment of the Company, affect the ability of the Company to make anticipated payments of principal, interest or premium on the Notes.

Section 4.13 Transactions with Affiliates.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate (each, an “**Affiliate Transaction**”) involving aggregate payments or consideration in excess of \$100.0 million, unless:

- (i) the Affiliate Transaction is on terms that are no less favorable, taken as a whole, to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person, as determined by the Company in good faith; and

(ii) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$750.0 million, such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of the Company.

(b) The following items shall be deemed not to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.13(a) hereof:

(i) any employment agreement or benefit or similar plan entered into by the Company or any of its Restricted Subsidiaries in the ordinary course of business of the Company or such Restricted Subsidiary;

(ii) transactions between or among the Company and/or its Restricted Subsidiaries;

(iii) transactions with a Person that is an Affiliate of the Company solely because the Company owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;

(iv) the payment of reasonable compensation and fees to, and the provision of customary indemnities to, current or former officers, directors, employees or consultants of the Company or any of its Restricted Subsidiaries;

(v) issuances or sales of Equity Interests (other than Disqualified Stock) of the Company to Affiliates or employees of or consultants to the Company;

(vi) Restricted Payments that are permitted by the provisions of Section 4.8 hereof and Permitted Investments;

(vii) transactions effected pursuant to agreements in effect on the date of this Indenture and any amendment, modification or replacement to such agreement (so long as the amendment, modification or replacement is not, in the good faith judgment of the Company, materially more disadvantageous to the Company or such Restricted Subsidiary, taken as a whole, than the terms of those agreements in effect on the date of this Indenture);

(viii) [Reserved];

(ix) transactions with a Permitted Joint Venture in which the Company or any Restricted Subsidiary holds or acquires an ownership interest (whether by way of Capital Stock or otherwise) so long as the terms of any such transactions, in the good faith judgment of the Company, are not materially less favorable, taken as a whole, to the Company or such Restricted Subsidiary than they are to other joint venture partners;

(x) any agreement that grants registration and other customary rights in connection therewith or otherwise to the direct or indirect security holders of the Company or any Restricted Subsidiary (and the performance of such agreements);

(xi) transactions with Affiliates solely in their capacity as Holders of Indebtedness or Capital Stock of the Company or any of its Restricted Subsidiaries, where such Affiliates receive the same consideration as non-Affiliates in such transactions;

(xii) transactions affected as part of a Qualified Securitization Transaction; and

(xiii) transactions in which the Company or any Restricted Subsidiary, as the case may be, delivers to the Trustee a copy of a letter from an accounting, appraisal or investment banking firm of national standing addressed to the Company stating that such transaction meets the requirements of Section 4.13(a)(i).

Section 4.14 Asset Sales.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

(i) The Company (or its Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the Fair Market Value (determined, for purposes of this clause (i), by the Company or, in the case of any asset(s) valued in excess of \$750.0 million, by the Board of Directors of the Company) of the assets or Equity Interests issued or sold or otherwise disposed of; and

(ii) except in the case of a Permitted Asset Swap, at least 75% of the consideration received in the Asset Sale by the Company or such Restricted Subsidiary is in the form of cash or Cash Equivalents. For purposes of this provision, each of the following will be deemed to be cash:

(A) any liabilities, as shown on the Company's most recent consolidated balance sheet, of the Company or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes and the Note Guarantees) (i) that are assumed by the transferee of any such assets pursuant to an agreement that releases the Company or such Restricted Subsidiary from further liability or (ii) that are discharged by the transferee in a transaction pursuant to which neither the Company nor any Restricted Subsidiary has any liability following such Asset Sale;

(B) any securities, notes or other obligations received by the Company or any such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash within 180 days after the consummation of the applicable Asset Sale, to the extent of the cash received in that conversion;

(C) any Designated Noncash Consideration having an aggregate Fair Market Value that, when taken together with all other Designated Noncash Consideration previously received and then outstanding, does not exceed at the time of the receipt of such Designated Noncash Consideration (with the Fair Market Value of each item of Designated Noncash Consideration being measured at the time received and without giving effect to subsequent changes in value) the greater of \$800.0 million or 3.0% of Consolidated Total Assets; and

(D) future payments to be made in cash or Cash Equivalents owed to the Company or a Restricted Subsidiary in the form of licensing, royalty, earnout or Milestone Payment (or similar deferred cash payments).

(b) Within 450 days after the receipt of any Net Proceeds from an Asset Sale, the Company or the applicable Restricted Subsidiary may apply an amount equal to those Net Proceeds:

(i) to repay (w) Indebtedness and other Obligations under the Credit Agreement and, if the Indebtedness repaid under the Credit Agreement is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto, (x) other secured indebtedness, (y) other Indebtedness which ranks *pari passu* in right of payment with the Notes (provided in the case of this clause (y) the Company shall equally and ratably reduce obligations under each series of Notes in accordance with Section 3.7 hereof, through privately negotiated transactions or open market purchases (in each case, *provided* that such purchases are at or above 100% of the principal amount thereof), or by making an offer (in accordance with Section 4.14(c)) to all Holders to purchase, at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, the pro rata principal amount of such series of Notes) or (z) other Indebtedness of a Non Guarantor Subsidiary, so long as the relevant assets were assets of such Subsidiary;

(ii) to acquire all or substantially all of the assets of, or a majority of the Voting Stock of, another Permitted Business or the minority interest in any Permitted Business;

- (iii) to make payments with respect to the acquisition or license of intellectual property rights that are used in a Permitted Business;
- (iv) to make a capital expenditure in or that is useful in a Permitted Business;
- (v) to retire Notes (x) pursuant to Section 3.7 hereof, (y) through privately negotiated transactions or open market purchases or (z) by making an offer to purchase Notes in accordance with Section 4.14(c); or
- (vi) to acquire other assets (other than cash and Cash Equivalents) that are used or useful in a Permitted Business;

provided that (1) a binding commitment to apply any Net Proceeds from an Asset Sale as set forth in clauses (ii), (iii), (iv) or (vi) of this Section 4.14(b) shall be treated as a permitted application of the Net Proceeds from the date of such commitment so long as the Company or such Restricted Subsidiary enters into such commitment with the good faith expectation that such Net Proceeds will be applied to satisfy such commitment within 180 days of the end of such 450-day period (an “**Acceptable Commitment**”) and, in the event any Acceptable Commitment is later cancelled or terminated for any reason before the Net Proceeds are applied in connection therewith, then the Company or such Restricted Subsidiary shall be permitted to apply the Net Proceeds in any manner set forth above before the expiration of such 180-day period and, in the event the Company or such Restricted Subsidiary fails to do so, then such Net Proceeds shall constitute Excess Proceeds and (2) the Company may elect to deem certain expenditures that would otherwise be permissible reinvestments but that occurred prior to the receipt of the applicable Net Proceeds as having been reinvested in accordance with the provisions of this Section 4.14, but only to the extent such deemed expenditure shall have been made no earlier than the earlier of the execution of a definitive agreement with respect to such Asset Sale or the consummation thereof.

Notwithstanding anything in this Section 4.14 to the contrary, the Company shall not be required to apply any amount that would otherwise be required to be applied pursuant to this Section 4.14 to the extent that the Asset Sale (x) is consummated by any Foreign Subsidiary for so long as the Company determines in good faith that the repatriation to the Company of any such amount would be prohibited or delayed (beyond the time period during which such application is otherwise required to be made pursuant hereto) under any requirement of law or conflict with the fiduciary duties of such Foreign Subsidiary’s directors, or result in, or could reasonably be expected to result in, a material risk of personal or criminal liability for any officer, director, employee, manager, member of management or consultant of such Foreign Subsidiary (including on account of financial assistance, corporate benefit, thin capitalization, capital maintenance or similar considerations); it being understood and agreed that (i) solely within 365 days following the event giving rise to the relevant Net Proceeds, the Company shall take all commercially reasonable actions required by applicable requirements of law to permit such repatriation and, to the extent applicable, would no longer conflict with the fiduciary duties of such director, or result in, or be reasonably expected to result in, a material risk of personal or criminal liability for the Persons described above, in either case, and (ii) if such repatriation is permitted or would no longer so conflict, within 365 days following the event giving rise to the relevant Net Proceeds, the relevant Foreign Subsidiary will promptly repatriate the relevant Net Proceeds, and the repatriated Net Proceeds will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional taxes payable or reserved against such Net Proceeds, as a result thereof, in each case by the Company or the Company’s subsidiaries, and any Affiliates or indirect or direct equity owners of the foregoing) as required above, or (y) generates Net Proceeds that are received by any joint venture for so long as the Company determines in good faith that the distribution of such Net Proceeds would be prohibited under the organizational documents (or any relevant shareholders’ or similar agreement) governing such joint venture; it being understood that if the relevant prohibition ceases to exist within the 365-day period following the event giving rise to the relevant Net Proceeds, the relevant joint venture will promptly distribute the Net Proceeds, as the case may be, and the Net Proceeds, as the case may be, will be promptly (and in any event not later than ten Business Days after such distribution) applied (net of additional taxes payable or reserved against as a result thereof) as set forth above. In addition, if the Company determines in good faith that the repatriation (or other intercompany distribution) to the Company of any amounts required to be applied as set forth above would result in material and adverse tax consequences for the Company or any of its subsidiaries, Affiliates or indirect or direct equity owners, taking into account any foreign tax credit or benefit actually realized in connection with such repatriation (such amount, a “**Restricted Amount**”), as determined by the Company in good faith, the amount the Company shall be required to

apply as set forth above shall be reduced by the Restricted Amount; provided that to the extent that the repatriation (or other intercompany distribution) of any Net Proceeds from the relevant Foreign Subsidiary would no longer have a material and adverse tax consequence within the 365-day period following the event giving rise to the Net Proceeds, an amount equal to the Net Proceeds not previously applied pursuant to this Section 4.14 shall be so applied.

Notwithstanding Sections 4.14(a) and 4.14(b), the Company and its Restricted Subsidiaries will not be required to apply an amount equal to any Net Proceeds in accordance with this Section 4.14 except to the extent that the aggregate Net Proceeds from all Asset Sales which are not applied in accordance with this Section 4.14 in any calendar year exceeds the greater of \$200.0 million or 1.0% of Consolidated Total Assets at the time of receipt of such Net Proceeds (any amount less than such threshold, "**Retained Asset Sale Proceeds**"). Pending application of an amount equal to Net Proceeds pursuant to this Section 4.14, the Company or a Restricted Subsidiary may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by this Indenture.

(c) Any Net Proceeds from Asset Sales that are not applied or invested as provided in Section 4.14(b) hereof shall constitute "**Excess Proceeds**." When the aggregate amount of Excess Proceeds in any calendar year exceeds the greater of \$200.0 million or 1.0% of Consolidated Total Assets with respect to a series of Notes, the Company shall make an offer (an "**Asset Sale Offer**") to all Holders of such series of Notes and all holders of other Indebtedness that is *pari passu* with the Notes (including Notes of the other series) containing provisions similar to those set forth in this Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets to purchase the maximum principal amount of Notes such series of and such other *pari passu* Indebtedness (including Notes of the other series) that may be purchased out of the amount of such Excess Proceeds. The offer price in any Asset Sale Offer shall be equal to 100% of principal amount plus accrued and unpaid interest to, but not including, the date of purchase, and shall be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer ("**Declined Asset Sale Proceeds**"), the Company and its Restricted Subsidiaries may use the amount of such Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes of a series and other *pari passu* Indebtedness tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Company shall select the Notes of such series and such other *pari passu* Indebtedness to be purchased on a pro rata basis. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

(d) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the Asset Sale provisions of this Indenture, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the Asset Sale provisions of this Indenture by virtue of such compliance.

Section 4.15 Additional Note Guarantees.

(a) To the extent any one of the Company's Subsidiaries that Guarantees any Indebtedness of the Company or any Guarantor under any syndicated Credit Facility or Capital Markets Indebtedness as of the Issue Date is not a Note Guarantor as of the Issue Date, the Company shall use commercially reasonable efforts to cause such Subsidiary to execute and deliver to the Trustee a notation of Note Guarantee substantially in the form of Exhibit B hereto or, in the case that such Subsidiary of the Company is a Canadian Note Guarantor, a Canadian Note Guarantee, pursuant to which such Subsidiary shall unconditionally Guarantee, on a senior unsecured basis, all of the Company's obligations under the Notes and this Indenture on the terms set forth in this Indenture and, if applicable, the Canadian Note Guarantee, within 120 days after the Issue Date. Thereafter, such Subsidiary shall be a Note Guarantor for all purposes hereof until such Note Guarantee is released in accordance herewith.

(b) If any one of the Company's Subsidiaries that is not a Note Guarantor Guarantees any Indebtedness of the Company or any Guarantor under any syndicated Credit Facility or Capital Markets Indebtedness after the Issue Date, that Subsidiary shall (i) execute and deliver to the Trustee a supplemental indenture in form reasonably satisfactory to the Trustee and a notation of Note Guarantee substantially in the form of Exhibit B hereto or, in the case that such Subsidiary of the Company is a Canadian Note Guarantor, a Canadian

Note Guarantee, pursuant to which such Subsidiary shall unconditionally Guarantee, on a senior unsecured basis, all of the Company's obligations under the Notes and this Indenture on the terms set forth in this Indenture and, if applicable, the Canadian Note Guarantee, and (ii) deliver to the Trustee an Opinion of Counsel that such supplemental indenture and notation of Note Guarantee or, if applicable, Canadian Note Guarantee, has been duly authorized, executed and delivered by such Subsidiary and constitutes a legal, valid, binding and enforceable obligation of such Subsidiary. Thereafter, such Subsidiary shall be a Note Guarantor for all purposes hereof until such Note Guarantee is released in accordance herewith.

Notwithstanding the foregoing, the supplemental indenture and notation of Note Guarantee may be modified in respect of any Note Guarantor organized outside the United States of America as necessary or appropriate to (1) comply with applicable law, (2) avoid any general legal limitations such as general statutory limitations, financial assistance, corporate benefit, "thin capitalization" rules, retention of title claims or similar matters or (3) avoid a conflict with the fiduciary duties of such company's directors, contravention of any legal prohibition or regulatory condition, or the material risk of personal or criminal liability for any officers or directors (collectively referred to as "**Agreed Guarantee Principles**"), in each case as determined by the Company in its sole discretion.

Section 4.16 Designation of Restricted and Unrestricted Subsidiaries. The Company's Board of Directors may designate any Restricted Subsidiary (other than BHA) to be an Unrestricted Subsidiary if that designation would not cause a Default. Any designation of a Subsidiary as an Unrestricted Subsidiary will be deemed to be a designation of each of such entity's Subsidiaries as Unrestricted Subsidiaries. Following the Issue Date, if a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary shall be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 4.8 hereof or under one or more of the clauses of the definition of "Permitted Investments," as determined by the Company. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Company's Board of Directors may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if the redesignation would not cause a Default; *provided*, that such redesignation will be deemed to be an incurrence of Indebtedness and, if applicable, an incurrence of related Liens by a Restricted Subsidiary of the Company of any outstanding Indebtedness and, if applicable, related Liens of such Unrestricted Subsidiary and such redesignation will only be permitted if such Indebtedness and, if applicable, related Liens are permitted under Section 4.9 hereof and, if applicable, Section 4.11 hereof (other than clause (3) under the definition of "Permitted Liens"), calculated, if applicable, on a pro forma basis as if such designation had occurred at the beginning of the four-quarter reference period.

Section 4.17 Business Activities. The Company shall not, and shall not permit any of its Restricted Subsidiaries to, engage in any business other than Permitted Businesses, except to such extent as would not be material to the Company and its Restricted Subsidiaries, taken as a whole.

Section 4.18 [Reserved].

Section 4.19 Stay, Extension and Usury Laws. The Company covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law or other law which would prohibit or forgive the Company from paying all or any portion of the principal of, premium, if any, or interest on the Notes as contemplated herein, wherever enacted, now or at any time hereafter in force, or which may affect the covenants or the performance of this Indenture, and the Company (to the extent it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenant that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 4.20 Notice of Default. In the event that any Default or Event of Default under Section 6.1 hereof shall occur, the Company shall give prompt written notice of such Default or Event of Default to the Trustee after it becomes aware of the same.

Section 4.21 Payment of Additional Amounts.

(a) All payments made by or on behalf of the Company under or with respect to the Notes, or by or on behalf of any Note Guarantor, under or with respect to any Note Guarantee (each such Person, a “**Payor**”) will be made free and clear of any withholding or deduction for or on account of any tax, duty, levy, impost, assessment or other governmental charge of whatever nature (collectively, “**Tax**”) imposed or levied by or on behalf of any jurisdiction in which such Payor is organized, resident or carrying on business for tax purposes or from or through which such Payor makes any payment on the Notes or its Note Guarantee or any department or political subdivision of any of the foregoing (each, a “**Relevant Taxing Jurisdiction**”), unless the Payor (or an applicable withholding agent) is required to withhold or deduct Taxes by law. If the Payor (or an applicable withholding agent) is required by law to withhold or deduct any amount for or on account of Taxes of a Relevant Taxing Jurisdiction from any payment made under or with respect to any Notes or Note Guarantee, the Payor, subject to the exceptions listed below, will pay additional amounts (“**Additional Amounts**”) as may be necessary to ensure that the net amount received by each Holder or beneficial owner of the Notes after such withholding or deduction (including withholding or deduction attributable to Additional Amounts payable hereunder) will not be less than the amount the Holder or beneficial owner would have received if such Taxes had not been required to be so withheld or deducted.

(b) A Payor will not, however, pay Additional Amounts to a Holder or beneficial owner of Notes:

(i) to the extent the Taxes giving rise to such Additional Amounts would not have been imposed but for the existence of any present or former connection between the Holder or beneficial owner (or between a fiduciary, settler, beneficiary, member or shareholder of, or possessor of a power over, such Holder or beneficial owner, if such Holder or beneficial owner is an estate, trust, partnership or corporation) and the Relevant Taxing Jurisdiction (other than any connection resulting solely from the acquisition, ownership, holding or disposition of Notes, the receipt of payments thereunder or under any Note Guarantee and/or the exercise or enforcement of rights under any Notes or any Note Guarantee);

(ii) to the extent the Taxes giving rise to such Additional Amounts would not have been imposed but for the failure of the Holder or beneficial owner of Notes, following the Company’s or the Payor’s written request addressed to the Holder, to the extent such Holder or beneficial owner is legally eligible to do so, to comply with any certification, identification, information or other reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Relevant Taxing Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Relevant Taxing Jurisdiction (including, without limitation, a certification that the Holder or beneficial owner is not resident in the Relevant Taxing Jurisdiction);

(iii) with respect to any estate, inheritance, gift, sales, transfer, capital gains, excise or personal property tax or any similar Taxes;

(iv) to the extent the Taxes giving rise to such Additional Amounts would not have been imposed but for the presentation by the Holder or beneficial owner of any Note, where presentation is required, for payment on a date more than 30 days after the date on which payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;

(v) to the extent the Taxes giving rise to such Additional Amounts would not have been imposed but for the Holder or beneficial owner not dealing at arm’s length, within the meaning of the *Income Tax Act* (Canada), with such Payor;

(vi) to the extent the Taxes giving rise to such Additional Amounts would not have been imposed but for such Holder or beneficial owner being, or not dealing at arm’s length (within the meaning of the *Income Tax Act* (Canada)) with, a “specified shareholder” of the Company as defined in subsection 18(5) of the *Income Tax Act* (Canada) for purposes of the thin capitalization rules in the *Income Tax Act* (Canada);

(vii) to the extent the Taxes giving rise to such Additional Amounts are U.S. federal withholding taxes imposed pursuant to Sections 1471 through 1474 of the Internal Revenue Code of 1986, as amended (the “Code”), as in effect on the date hereof (or any amended or successor version that is substantively comparable and not materially more onerous to comply with), any current or future regulations, official interpretations or administrative authority promulgated thereunder and any agreements entered into pursuant to Section 1471(b)(1) of the Code as in effect on the date hereof (or any amended or successor version that is substantively comparable and not materially more onerous to comply with), and, for the avoidance of doubt, any intergovernmental agreement (and related legislation, rules or practices) implementing the foregoing (taken together, “FATCA”), except to the extent that such Taxes result from a failure of any Paying Agent to comply with FATCA; or

(viii) any combination of items (i), (ii), (iii), (iv), (v), (vi) and (vii).

Additional Amounts also shall not be paid with respect to any payment on the Notes or any Note Guarantee to a beneficial owner who is a fiduciary, a partnership (or entity treated as a partnership for tax purposes) or anyone other than the sole beneficial owner of that payment to the extent that payment would be required by the laws of the Relevant Taxing Jurisdiction to be included in the income, for tax purposes, of a beneficiary or settlor with respect to the fiduciary, a member of that partnership or a beneficial owner who would not have been entitled to the Additional Amounts had that beneficiary, settlor, member or interest holder been the beneficial owner.

(c) The Payor or applicable withholding agent will (i) make any such withholding or deduction required by applicable law and (ii) timely remit the full amount deducted or withheld to the relevant authority in accordance with applicable law. The Payor, or the applicable withholding agent, will make reasonable efforts to obtain certified copies of tax receipts evidencing the payment of any Taxes so deducted or withheld from each Relevant Taxing Jurisdiction imposing such Taxes. The Payor, or the applicable withholding agent, will provide to the Trustee, within a reasonable time after the date the payment of any Taxes so deducted or withheld are due pursuant to applicable law, either a certified copy of tax receipts evidencing such payment, or, if such tax receipts are not reasonably available to the Payor, such other documentation that provides reasonable evidence of such payment by the Payor.

(d) Where Tax is payable pursuant to Regulation 803 of the *Income Tax Act* (Canada) by a Holder or beneficial owner of the Notes in respect of any amount payable under the Notes or any Note Guarantee to the Holder (other than by reason of a transfer of the Notes to a person resident in Canada with whom the transferor does not deal at arm’s length for the purposes of such Act), but no Additional Amount is paid in respect of such Tax, the Payor will pay as or on account of interest to the Holder an amount equal to such Tax (a “**Regulation 803 Reimbursement**”) plus an amount equal to any Tax required to be paid by the Holder or beneficial owner as a result of such Regulation 803 Reimbursement within 45 days after receiving from the Holder a notice containing reasonable particulars of the Tax so payable, *provided* such Holder or beneficial owner would have been entitled to receive Additional Amounts on account of such Tax (and only to the extent of such Additional Amounts that such Holder or beneficial owner would have been entitled to receive) but for the fact that it is payable otherwise than by deduction or withholding from payments made under or with respect to the Notes or any Note Guarantee.

(e) Prior to the date on which the payment of any Additional Amounts are due, the Payor will deliver to the Trustee an Officers’ Certificate stating that such Additional Amounts will be payable on the applicable payment date and setting forth the amounts so payable, and will set forth such other information necessary to enable the Trustee (or applicable paying agent) to pay such Additional Amounts to Holders on the payment date. Any such Officers’ Certificate will be delivered at least two Business Days in advance of when the payments in question are required to be made (unless a shorter period of time is acceptable to the Trustee in its reasonable discretion). The Payor will promptly publish a notice in accordance with Section 11.2 hereof stating that such Additional Amounts will be payable and describing the obligation to pay such amounts.

(f) The Payors, jointly and severally, will reimburse the Holders or beneficial owners of Notes, upon written request of such Holder or beneficial owner of Notes and certified proof of payment for the amount of (i) any Taxes levied or imposed by a Relevant Taxing Jurisdiction and payable by such Holder or beneficial owner in connection with payments made under or with respect to the Notes or under or with respect to any Note Guarantee; and (ii) any Taxes levied or imposed with respect to any reimbursement under the foregoing clause (i)

or this clause (ii), so that the net amount received by such Holder or beneficial owner after such reimbursement will not be less than the net amount such Holder or beneficial owner would have received if the Taxes giving rise to the reimbursement described in clauses (i) and/or (ii) had not been imposed, *provided, however*, that the indemnification obligation provided for in this Section 4.21(f) shall not extend to Taxes imposed for which the Holder or beneficial owner of the Notes would not have been eligible to receive payment of Additional Amounts hereunder by virtue of clauses (i) through (viii) of Section 4.21(b) hereof, or to the extent such Holder or beneficial owner received Additional Amounts with respect to such payments.

(g) In addition, the Payor will pay any stamp, issue, registration, court, documentary, excise or other similar taxes, charges and duties, including interest and penalties with respect thereto, imposed by any Relevant Taxing Jurisdiction at any time in respect of the execution, issuance, registration or delivery of the Notes or any Note Guarantee or any other document or instrument referred to thereunder and any such taxes, charges or duties imposed by any Relevant Taxing Jurisdiction at any time as a result of, or in connection with, (i) any payments made pursuant to the Notes or any Note Guarantee or any other such document or instrument referred to thereunder and/or (ii) the enforcement of the Notes or any Note Guarantee or any other such document or instrument referred to thereunder.

(h) The obligations described under this Section 4.21 will survive any termination, defeasance or discharge of this Indenture and will apply *mutatis mutandis* to any successor Person, to any Payor and to any jurisdiction in which such successor is organized, carrying on business or is otherwise resident for Tax purposes or any jurisdiction from or through which payment is made by such successor or its respective agents.

(i) Whenever this Indenture refers to, in any context, the payment of principal, premium, if any, interest or any other amount payable under or with respect to any Note or under any Note Guarantee, such reference includes the payment of Additional Amounts or other payments that would be payable pursuant to this Section 4.21, if applicable.

ARTICLE 5 MERGER, CONSOLIDATION OR SALE OF ASSETS

Section 5.1 Merger, Consolidation or Sale of Assets.

(a) The Company shall not, directly or indirectly: (1) consolidate, amalgamate or merge with or into another Person (whether or not the Company is the surviving Person) or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Company and its Restricted Subsidiaries, taken as a whole, in one or more related transactions, to another Person, unless:

(i) either (x) the Company is the surviving Person; or (y) the Person formed by or surviving any such consolidation, amalgamation or merger (if other than the Company) or to which such sale, assignment, transfer, conveyance or other disposition has been made is organized and validly existing under the laws of the U.S., any state of the U.S. or the District of Columbia or under the laws of Canada or any province thereof, any member state of the European Union as in effect on the Issue Date, Bermuda, Cayman Islands, any Channel Island or Switzerland (*provided* that, if such entity is not a corporation, a co-obligor of the Notes is a corporation);

(ii) the Person formed by or surviving any such consolidation, amalgamation or merger (if other than the Company) or the Person to which such sale, assignment, transfer, conveyance or other disposition has been made expressly assumes all the obligations of the Company, under the Notes of the applicable series and this Indenture pursuant to agreements reasonably satisfactory to the Trustee;

(iii) immediately after such transaction, no Default or Event of Default exists;

(iv) either (a) the Company or the Person formed by or surviving any such consolidation, amalgamation or merger (if other than the Company), or to which such sale, assignment, transfer, conveyance or other disposition has been made shall, on the date of such transaction after giving pro forma

effect thereto and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test or Total Leverage Ratio test set forth in Section 4.9(a) hereof or (b) the Company or the Person formed by or surviving any such consolidation, amalgamation or merger (if other than the Company) or to which such sale, assignment, transfer, conveyance or other disposition has been made would, on the date of such transaction after giving *pro forma* effect thereto and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, have a Fixed Charge Coverage Ratio for such Person and its Restricted Subsidiaries that would be equal to or greater than such ratio for such Person and its Restricted Subsidiaries immediately prior to such action or have a Total Leverage Ratio for such Person and its Restricted Subsidiaries that would be equal to or lower than such ratio for such Person and its Restricted Subsidiaries immediately prior to such action; and

(v) the Company has delivered to the Trustee an Officers' Certificate stating that such consolidation, amalgamation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture, complies with this Article and that all conditions precedent herein provided for relating to such transaction have been complied with.

(b) The Company may not, directly or indirectly, lease all or substantially all of its properties or assets, in one or more related transactions, to any other Person.

(c) The Company will not permit any Note Guarantor to, directly or indirectly, (1) consolidate, amalgamate or merge with or into another Person; or (2) sell, assign, transfer, convey or otherwise dispose (collectively, "**dispose**") of all or substantially all of its properties or assets, in one or more related transactions, to another Person unless:

(i) except in the case of a Note Guarantor (x) that has disposed of all or substantially all of its assets, whether through a merger, amalgamation, consolidation or sale of Capital Stock or assets or (y) that, as a result of the disposition of all or a portion of its Capital Stock, ceases to be a Subsidiary of the Company, in both cases in compliance with Section 4.14 hereof, the resulting, surviving or transferee Person (if not such Note Guarantor) shall expressly assume, by a guarantee agreement in a form reasonably satisfactory to the Trustee, all the obligations of such Note Guarantor under its Note Guarantee; and

(ii) immediately after such transaction, no Default or Event of Default exists.

Notwithstanding the foregoing: (A) any Restricted Subsidiary may consolidate or amalgamate with, merge into or transfer all or part of its properties and assets to the Company or any Note Guarantor and (B) the Company may merge or amalgamate with an Affiliate of the Company solely for the purpose of reincorporating the Company in another jurisdiction within the United States of America, any state thereof or the District of Columbia, or Canada or any province thereof, any member state of the European Union as in effect on the Issue Date, Bermuda, Cayman Islands, any Channel Island, Singapore or Switzerland or converting the Company into a limited liability company organized under the United States of America, any state thereof or the District of Columbia, or Canada or any province thereof, any member state of the European Union as in effect on the Issue Date, Bermuda, Cayman Islands, any Channel Island, Singapore or Switzerland (*provided* that a co-obligor of the Notes is a corporation).

Section 5.2 Successor Substituted. Upon any consolidation of the Company with, or merger or amalgamation of the Company into, any other Person or any conveyance, transfer or lease of all or substantially all of the properties and assets of the Company in accordance with Section 5.1 hereof, the successor Person formed by such consolidation or into which the Company is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein, and thereafter, except in the case of a lease, the predecessor Person shall be relieved of all obligations and covenants under this Indenture and the Notes.

ARTICLE 6

DEFAULT AND REMEDIES

Section 6.1 Events of Default. Each of the following is an “**Event of Default**” with respect to any series of Notes:

- (a) default in the payment of any principal of (including, without limitation, any premium, if any, on) of the Notes of such series when the same becomes due and payable (whether at maturity, upon a Redemption Date, Change of Control Purchase Date, Purchase Date or otherwise);
- (b) default in the payment of any interest payable on Notes of such series when the same becomes due and payable and the Default continues for a period of 30 days;
- (c) failure by the Company or any of its Restricted Subsidiaries
 - (i) to comply with any of the provisions of Sections 3.8, 3.14 or 4.14 of this Indenture with respect to the Notes of such series, which failure remains uncured for 30 days after written notice to the Company from the Trustee or to the Company and the Trustee from the Holders of at least 25% in principal amount of the Notes of the applicable series; or
 - (ii) to comply with the provisions described in Section 5.1 of this Indenture;
- (d) the Company or any of its Restricted Subsidiaries fails to comply with any of the other covenants contained in such series of Notes or this Indenture and the Default continues for 60 days (or 90 days in the case of the provisions of Section 4.3) after written notice to the Company from the Trustee or to the Company and the Trustee from the Holders of at least 25% in aggregate principal amount of the Notes of the applicable series then outstanding;
- (e) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is Guaranteed by the Company or any of its Restricted Subsidiaries) whether such Indebtedness or Guarantee now exists, or is created after the date of this Indenture, if that default:
 - (i) is caused by a failure to pay principal when due on such Indebtedness within any applicable grace period provided in such Indebtedness (a “**Payment Default**”); or
 - (ii) results in the acceleration of such Indebtedness prior to its express maturity, and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$250.0 million or more;
- (f) failure by the Company or any of its Restricted Subsidiaries to pay final non-appealable judgments aggregating in excess of \$250.0 million, which judgments are not paid, discharged, stayed or subject to insurance for a period of 60 days after becoming final;
- (g) any Note Guarantee by a Significant Subsidiary ceases to be in full force and effect in all material respects (except as contemplated by the terms thereof) or any Note Guarantor that is a Significant Subsidiary denies or disaffirms such Note Guarantor’s obligations under this Indenture or any Note Guarantee and such Default continues for 10 days after receipt of the notice as specified in this Indenture;
- (h) the Company, any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, pursuant to or within the meaning of any Bankruptcy Law:
 - (i) commences a voluntary case or proceeding;

- (ii) consents to the entry of an order for relief against it in an involuntary case or proceeding;
 - (iii) consents to the appointment of a Custodian of it or for all or substantially all of its property; or
 - (iv) makes a general assignment for the benefit of its creditors; and
- (i) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
- (i) is for relief against the Company, any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary in an involuntary case or proceeding;
 - (ii) appoints a Custodian of the Company, any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary or for all or substantially all of the property of the Company, any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary; or
 - (iii) orders the liquidation of the Company, any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary;

and in each case the order or decree described in this clause (i) remains unstayed and in effect for 60 consecutive days.

Any notice given pursuant to Section 6.1(d) hereof must be in writing and must specify the Default, demand that it be remedied and state that the notice is a "Notice of Default." When any Default under this Section 6.1 is cured, it ceases.

Section 6.2 Acceleration. If an Event of Default (other than an Event of Default specified in clause (h) or (i) of Section 6.1 hereof with respect to the Company) with respect to a particular series of Notes occurs and is continuing, the Trustee may, by notice to the Company, or the Holders of at least 25% in aggregate principal amount of such series of Notes then outstanding may, by notice to the Company and the Trustee, declare all unpaid principal to the date of acceleration on the Notes of such series then outstanding (if not then due and payable) to be due and payable upon any such declaration, and the same shall become and be immediately due and payable. If an Event of Default specified in clause (h) or (i) of Section 6.1 hereof with respect to the Company occurs, all unpaid principal (including, without limitation, any premium, if any, then outstanding), and accrued interest, if any, on the Notes of such series then outstanding shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. The Holders of a majority in aggregate principal amount of Notes of such series then outstanding by notice to the Trustee may rescind an acceleration and its consequences with respect to that series if (a) all existing Events of Default, other than the nonpayment of the principal of such series of Notes which has become due solely by such declaration of acceleration, have been cured or waived; (b) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction; and (c) all payments due to the Trustee and any predecessor Trustee under Section 7.7 hereof in respect of the Notes of such series have been made. No such rescission shall affect any subsequent default or impair any right consequent thereto.

Notwithstanding anything to the contrary set forth above, a notice of Default may not be given with respect to any action taken, and reported publicly or to Holders, more than two years prior to such notice of Default.

Any notice of Default, notice of acceleration or instruction to the Trustee to provide a notice of Default, notice of acceleration or take any other action (a "Noteholder Direction") provided by any one or more Holders (other than any Holder that is a Regulated Bank) (each a "Directing Holder") must be accompanied by a written representation from each such Holder to the Company and the Trustee that such Holder is not (or, in the case such Holder is DTC or its nominee, that such Holder is being instructed solely by beneficial owners that have represented to such Holder that they are not) Net Short (a "Position Representation"), which representation, in the case of a Noteholder Direction relating to a notice of Default shall be deemed repeated at all times until the resulting Event of Default is cured or otherwise ceases to exist or such series of Notes are accelerated. In addition, each Directing Holder must, at the time of providing a Noteholder Direction, covenant to provide the Company with such other information as the Company may reasonably request from time to time in order to verify the accuracy of such Holder's Position Representation within five Business Days of request therefor (a "Verification Covenant"). In any case in which the Holder is DTC or its nominee, any Position Representation or Verification Covenant required hereunder shall be provided by the beneficial owner of such Notes in lieu of DTC or its nominee. If, following the delivery of a Noteholder Direction, but prior to the acceleration of such series of Notes, the Company determines in good faith that there is a reasonable basis to believe a Directing Holder providing such Noteholder Direction was, at any relevant time, in breach of its Position Representation and provides to the Trustee evidence that the Company has filed papers with a court of competent jurisdiction seeking a determination that such Directing Holder was, at such time, in breach of its Position Representation, and seeking to invalidate any Event of Default that resulted from the applicable Noteholder Direction, the cure period with respect to such Event of Default shall be automatically stayed pending a final and non-appealable determination of a court of competent jurisdiction on such matter. If, following the delivery of a Noteholder Direction, but prior to acceleration of such series of Notes, the Company provides to the Trustee an Officer's Certificate stating that a Directing Holder failed to satisfy its Verification Covenant, the cure period with respect to any Event of Default that resulted from the applicable Noteholder Direction shall be automatically stayed pending satisfaction of such Verification Covenant. Any breach of the Position Representation shall result in such Holder's participation in such Noteholder Direction being disregarded; and, if, without the participation of such Holder, the percentage of such series of Notes held by the remaining Holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction, such Noteholder Direction shall be void ab initio, with the effect that such Event of Default shall be deemed never to have occurred. In addition, for the avoidance of doubt, this paragraph shall not apply to any Holder that is a Regulated Bank; *provided* that if a Regulated Bank is a Directing Holder or a beneficial owner directing DTC, it shall provide a written representation to the Company that it is a Regulated Bank.

For the avoidance of doubt, the Trustee shall be entitled to conclusively rely without liability on any Noteholder Direction delivered to it in accordance with this Indenture, shall have no duty to inquire as to or investigate the accuracy of any Position Representation, enforce compliance with any Verification Covenant, verify any statements in any Officer's Certificate delivered to it, or otherwise make calculations, investigations or determinations with respect to Derivative Instruments, Net Shorts, Long Derivative Instruments, Short Derivative Instruments or otherwise and shall have no liability for ceasing to take any action or staying any remedy. The Trustee shall have no liability to the Company, any Holder or any other Person in acting in good faith on a Noteholder Direction or taking no action in good faith with respect thereto, or for determining whether any Holder has delivered a Position Representation, such Position Representation conforms with the requirements of this Indenture or any other agreement or any Holder is a Regulated Bank.

Section 6.3 Other Remedies. If an Event of Default occurs and is continuing in respect of a series of Notes, the Trustee may, but shall not be obligated to, pursue any available remedy by proceeding at law or in equity to collect the payment of the principal of or interest on such series of Notes or to enforce the performance of any provision of such series of Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of such series of Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Noteholder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

Section 6.4 Waiver of Defaults and Events of Default. Subject to Sections 6.7 and 9.2 hereof, the Holders of a majority in aggregate principal amount of the Notes of a series then outstanding by notice to the

Trustee may waive an existing Default or Event of Default with respect to such series and its consequences, except a Default or Event of Default in the payment of the principal of, premium, if any, or interest on any Notes of such series when due or any Default or Event of Default in respect of any provision of this Indenture or the Notes of such series which, under Section 9.2 hereof, cannot be modified or amended without the consent of the Holder of each Note of such series affected (with respect to any Notes held by a non-consenting Holder). When a Default or Event of Default is waived, it is cured and ceases with respect to such series.

Section 6.5 Control by Majority. The Holders of a majority in aggregate principal amount of the Notes of a series then outstanding may direct the time, method and place of conducting any proceeding for exercising any remedy or power available to the Trustee or exercising any trust or power conferred on it with respect to such series. However, the Trustee may refuse to follow any direction that it determines, in consultation with its counsel conflicts with law or this Indenture, that the Trustee determines may be unduly prejudicial to the rights of another Holder of Notes of such series or the Trustee, or that may involve the Trustee in personal liability unless the Trustee is offered indemnity satisfactory to it; *provided, however*, that the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

Section 6.6 Limitations on Suits. A Holder may not pursue any remedy with respect to this Indenture or a series of Notes (except actions for payment of overdue principal, premium, if any, or interest) unless:

- (a) the Holder gives to the Trustee written notice of a continuing Event of Default;
- (b) the Holders of at least 25% in aggregate principal amount of the then outstanding Notes of such series make a written request to the Trustee to pursue the remedy;
- (c) such Holder or Holders offer to the Trustee reasonable indemnity satisfactory to the Trustee against any loss, liability or expense;
- (d) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of indemnity; and
- (e) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in aggregate principal amount of the Notes of the applicable series.

Section 6.7 Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, with respect to each series of Notes, the contractual right of any Holder of a Note to receive payment of the principal of, or interest on such Note, on or after the respective due dates expressed in such Note and this Indenture and to bring suit for the enforcement of any such payment on or after such respective dates, is absolute and unconditional and shall not be impaired or affected without the consent of the Holder.

Section 6.8 Collection Suit by Trustee. If an Event of Default in the payment of principal or interest specified in clause (a) or (b) of Section 6.1 hereof occurs and is continuing with respect to any series of Notes, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company or another obligor on the Notes of such series for the whole amount of principal and accrued interest remaining unpaid, together with, to the extent that payment of such interest is lawful, interest on overdue principal and overdue installments of interest, in each case at a rate equal to the interest rate then in effect on such Note and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.9 Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Company (or any other obligor on the applicable series of Notes), its creditors or its property and shall be entitled and empowered to collect and receive any money or other property payable or deliverable on any such claims and to distribute the same, and any Custodian in any such

judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.7 hereof, and to the extent that such payment of the reasonable compensation, expenses, disbursements and advances in any such proceedings shall be denied for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other property which the Holders may be entitled to receive in such proceedings, whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to, or, on behalf of any Holder, to authorize, accept or adopt any plan of reorganization, arrangement, adjustment or composition affecting the Notes of the applicable series or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 Priorities. If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

First, to the Trustee for amounts due under Section 7.7 hereof;

Second, to Holders for amounts due and unpaid on the Notes of the applicable series for principal and interest ratably, without preference or priority of any kind, according to the amounts due and payable on such Notes for principal and interest respectively; and

Third, the balance, if any, to the Company.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

Section 6.11 Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit made by the Trustee, a suit by a Holder pursuant to Section 6.7 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the Notes of a series then outstanding.

ARTICLE 7

TRUSTEE

Section 7.1 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) Except during the continuance of an Event of Default:

(A) the Trustee need perform only those duties as are specifically set forth in this Indenture and no others; and

(B) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. The Trustee, however, shall examine any certificates and opinions which by any provision hereof are specifically required to be delivered to the Trustee to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(A) this paragraph does not limit the effect of subsection (b) of this Section 7.1;

(B) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(C) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.5 hereof.

(d) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers unless the Trustee shall have received satisfactory indemnity in its opinion against potential costs and liabilities incurred by it relating thereto.

(e) Every provision of this Indenture that in any way relates to the Trustee is subject to subsections (a), (b), (c) and (d) of this Section 7.1.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.2 Rights of Trustee. Subject to Section 7.1 hereof:

(a) The Trustee may rely conclusively on any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel (or both), which shall conform to Section 11.4(b) hereof. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel.

(c) The Trustee may act through its agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers.

(e) The Trustee may consult with counsel of its selection, and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection in respect of any such action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent,

order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(h) The Trustee shall not be deemed to have notice of any Default or Event of Default unless written notice of any event which is in fact such a default is received by a responsible Trust Officer of the Trustee at the Corporate Trust Office, and such notice references the applicable series of Notes and this Indenture.

(i) The rights, privileges, protections, immunities and benefits given to BNY Mellon as Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, BNY Mellon in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder.

(j) In no event shall the Trustee be responsible or liable for special, punitive, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(k) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 7.3 Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes of a series and may otherwise deal with the Company or an Affiliate of the Company with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights. However, the Trustee is subject to Sections 7.10 and 7.11 hereof.

Section 7.4 Trustee's Disclaimer. The Trustee makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes, and it shall not be responsible for any statement in the Notes other than its certificate of authentication.

Section 7.5 Notice of Default or Events of Default. If a Default or an Event of Default occurs and is continuing and if a Trust Officer of the Trustee has received written notice of such Default or Event of Default at its Corporate Trust Office and such notice references the Notes and this Indenture, the Trustee shall notify each Noteholder of the applicable series of the Default or Event of Default within 90 days after it is known by the Trustee. However, the Trustee may withhold the notice if and so long as a committee of its Trust Officers in good faith determines that withholding notice is in the interests of Noteholders of such series, except in the case of a Default or an Event of Default in payment of the principal (including premium, if any) of or interest on any Note of such series.

Section 7.6 [Reserved].

Section 7.7 Compensation and Indemnity. The Company shall pay to the Trustee from time to time such compensation (as agreed to from time to time by the Company and the Trustee in writing) for its services (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust). The Company shall reimburse the Trustee upon request for all reasonable disbursements, expenses and advances incurred or made by it. Such expenses may include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

Each of the Company and each Guarantor, jointly and severally, shall indemnify the Trustee or any predecessor Trustee (which for purposes of this Section 7.7 shall include its officers, directors, employees and agents) for, and hold it harmless against, any and all loss, liability or expense including taxes (other than taxes based upon, measured by or determined by the income of the Trustee), (including reasonable legal fees and expenses) incurred by it in connection with the acceptance or administration of its duties under this Indenture or any action or failure to act as authorized or within the discretion or rights or powers conferred upon the Trustee hereunder or thereunder including the reasonable costs and expenses of the Trustee and its counsel in defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder or thereunder. The Trustee shall notify the Company promptly of any claim asserted against the Trustee for which it may seek indemnity. The Company need not pay for any settlement effected without its prior written consent, which shall not be unreasonably withheld.

The Company need not reimburse the Trustee for any expense or indemnify it against any loss or liability determined by a court of competent jurisdiction to have been caused by its own gross negligence or willful misconduct.

To secure the Company's payment obligations in this Section 7.7, the Trustee shall have a senior claim to which the Notes are hereby made subordinate on all money or property held or collected by the Trustee, except such money or property held in trust to pay the principal of and interest on the Notes. The obligations of the Company under this Section 7.7 shall survive the satisfaction and discharge of this Indenture or the resignation or removal of the Trustee.

When the Trustee incurs expenses or renders services after an Event of Default specified in clause (h) or (i) of Section 6.1 hereof occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any Bankruptcy Law to the extent permitted by law. The provisions of this Section shall survive the termination of this Indenture.

Section 7.8 Replacement of Trustee. The Trustee may resign by so notifying the Company. The Holders of a majority in aggregate principal amount of the Notes of a series then outstanding may remove the Trustee with respect to such series by so notifying the Trustee. The Company may remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.10 hereof;
- (b) the Trustee is adjudged a bankrupt or an insolvent;
- (c) a Custodian or other public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of the Trustee for any reason, the Company shall promptly appoint a successor Trustee. The resignation or removal of a Trustee shall not be effective until a successor Trustee shall have delivered the written acceptance of its appointment as described below.

If a successor Trustee does not take office within 45 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company or the Holders of 10% in principal amount of the Notes of the applicable series then outstanding may petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to such series at the expense of the Company.

If the Trustee fails to comply with Section 7.10 hereof, any Holder of the applicable series may petition any court of competent jurisdiction for the removal of the Trustee with respect to such series and the appointment of a successor Trustee of such series.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Immediately after that, the retiring Trustee, upon payment of its charges hereunder, shall transfer all property held by it as Trustee in respect of such series of Notes to the successor Trustee and be released from its obligations (exclusive of any liabilities that the retiring Trustee may have incurred while acting as Trustee) hereunder, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee in respect of such series of Notes under this Indenture. A successor Trustee shall mail notice of its succession to each affected Holder.

A retiring Trustee shall not be liable for the acts or omissions of any successor Trustee after its succession.

Notwithstanding replacement of the Trustee pursuant to this Section 7.8, the Company's obligations under Section 7.7 hereof shall continue for the benefit of the retiring Trustee.

Section 7.9 Successor Trustee by Merger, Etc. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust assets (including the administration of this Indenture) to, another corporation, the resulting, surviving or transferee corporation, without any further act, shall be the successor Trustee, *provided* such transferee corporation shall qualify and be eligible under Section 7.10 hereof. Such successor Trustee shall promptly mail notice of its succession to the Company and each affected Holder.

Section 7.10 Eligibility; Disqualification. The Trustee shall always satisfy the requirements of paragraphs (1), (2) and (5) of TIA Section 310(a). The Trustee (or its parent holding company) shall have a combined capital and surplus of at least \$50,000,000. If at any time the Trustee shall cease to satisfy any such requirements, it shall resign immediately in the manner and with the effect specified in this Article 7. The Trustee shall be subject to the provisions of TIA Section 310(b).

Section 7.11 Preferential Collection of Claims Against the Company. The Trustee shall comply with TIA Section 311(a), excluding any creditor relationship listed in TIA Section 311(b). A Trustee who has resigned or been removed shall be subject to TIA Section 311(a) to the extent indicated therein.

ARTICLE 8

DEFEASANCE; SATISFACTION AND DISCHARGE OF INDENTURE

Section 8.1 Satisfaction and Discharge of Indenture. This Indenture shall cease to be of further effect with respect to the Notes of a series and all Note Guarantees with respect to the Notes of such series will be released, and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture and release of such Guarantees with respect to such series of Notes, when

(a) either

(i) all Notes of such series theretofore authenticated and delivered (other than (i) Notes which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.7 hereof and (ii) Notes of such series for whose payment money has theretofore been deposited in trust and thereafter repaid to the Company as provided in Section 8.5 hereof) have been delivered to the Trustee for cancellation; or

(ii) all Notes of such series not theretofore delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and the Company has irrevocably deposited or caused to be irrevocably deposited cash in U.S. dollars, non-callable Government Securities or a combination thereof with the Trustee or a Paying Agent (other than the Company or any of their Affiliates) as trust funds in trust for the purpose of and in an amount sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire indebtedness on the

Notes of such series not theretofore delivered to the Trustee for cancellation, for principal, premium, if any, and accrued interest to the date of maturity or redemption, *provided* that with respect to any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purpose of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated by the Company as of the date of the notice of redemption, with any Applicable Premium deficit only required to be deposited with the Trustee on or prior to the date of redemption;

(b) no Default or Event of Default has occurred and is continuing with respect to such series of Notes on the date of the deposit or will occur as a result of the deposit and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company is a party or by which the Company is bound, and as to which the rights of the other parties thereto are senior to those of the Holders;

(c) the Company has paid or caused to be paid all other sums payable hereunder with respect to such series of Notes by the Company;

(d) the Company has delivered irrevocable instructions to the Trustee to apply the deposited money toward payment of the Notes of such series at maturity or Redemption Date, as the case may be; and

(e) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein relating to the satisfaction and discharge of this Indenture with respect to such series of Notes have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 7.7 hereof shall survive and, if cash in U.S. dollars, non-callable Government Securities or a combination thereof shall have been deposited with the Trustee pursuant to subclause (ii) of clause (a) of this Section, the provisions of Sections 2.3, 2.4, 2.5, 2.6, 2.7, 2.12, 4.2 and 7.8, this Article 8 and Section 11.5, shall survive until the Notes of such series have been paid in full.

Section 8.2 Legal Defeasance. The Company and the Note Guarantors shall be deemed to have paid and will be discharged from any and all obligations in respect of this Indenture (with respect to the applicable series of Notes) and the Notes of a series and the related Note Guarantees released on the date of the deposit referred to in clause (a) of this Section 8.2, and the provisions of this Indenture shall no longer be in effect with respect to such series of Notes ("**Legal Defeasance**"), and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging the same, except for the following provisions, which shall survive until otherwise terminated or discharged hereunder: (i) the rights of Holders of outstanding Notes of such series to receive solely from the trust fund described in clause (a) below payments in respect of the principal of, premium, if any, and interest on such series of Notes when such payments are due, (ii) the Company's obligations with respect to such series of Notes under Article 2 and Section 4.2 hereof, (iii) the rights, powers, trusts, duties, indemnities and immunities of the Trustee hereunder, including, without limitation, Section 7.7 hereof and the Company's obligations in connection therewith and (iv) this Section 8.2. Subject to compliance with this Section 8.2, the Company may exercise its option under this Section 8.2 notwithstanding the prior exercise of its option under Section 8.3 hereof. The following conditions shall apply to Legal Defeasance:

(a) the Company shall have irrevocably deposited with the Trustee, in trust, for the benefit of the Holders of the Notes of the applicable series, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as shall be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, or interest and premium, if any, on the outstanding Notes of such series on the Stated Maturity or on the applicable Redemption Date, as the case may be, and the Company must specify whether such Notes of such series are being defeased to their Stated Maturity or to a particular Redemption Date;

(b) the Company shall have delivered to the Trustee an Opinion of Counsel (based on a ruling received from or published by the United States Internal Revenue Service or a change in the applicable U.S. federal income tax law since the date of this Indenture) in the United States reasonably

acceptable to the Trustee to the effect that the beneficial owners of the outstanding Notes of such series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) the Company shall have delivered to the Trustee either (i) an Opinion of Counsel in Canada reasonably acceptable to the Trustee to the effect that, based upon Canadian law then in effect and having regard to any applicable proposed amendments thereto which have been publicly announced prior to the date of such defeasance, the beneficial owners of the outstanding Notes of such series will not recognize income, gain or loss for Canadian federal, provincial or territorial or other tax purposes, as a result of such Legal Defeasance and will be subject to Canadian taxes on the same amounts and in the same manner and at the same time as would have been the case if such Legal Defeasance had not occurred or (ii) a ruling directed to the Trustee received from tax authorities of Canada to the same effect as the Opinion of Counsel described in clause (b) above;

(d) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or an Event of Default resulting from the borrowing of funds to be applied to such deposit);

(e) the Legal Defeasance shall not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture with respect to such series of Notes) to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound; and

(f) the Company must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance have been complied with.

After any such irrevocable deposit, the Trustee upon request shall acknowledge in writing the discharge of the Company's obligations under the applicable series of Notes and this Indenture with respect to such series of Notes except for those surviving obligations in the immediately preceding paragraph.

Notwithstanding the foregoing, the Opinion of Counsel required by Section 8.2(b) hereof with respect to a Legal Defeasance need not be delivered if all Notes of such series not theretofore delivered to the Trustee for cancellation (1) have become due and payable or (2) shall become due and payable upon maturity or redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company.

Section 8.3 Covenant Defeasance. The Company may omit to comply with any term, provision or condition set forth in clause (iv) of Section 5.1(a) hereof, and the Company and its Restricted Subsidiaries may omit to comply with any term, provision or condition set forth in Section 3.8, Section 4.3, Sections 4.8 through 4.17 hereof and any breach of clauses (c), (d),(e), (f) or (g) of Section 6.1 hereof, or with respect to Significant Subsidiaries only, clauses (h) or (i) under Section 6.1 hereof shall be deemed not to be an Event of Default and all Guarantees and Liens shall be released on the date of deposit referred to in clause (a) of this Section 8.3 ("**Covenant Defeasance**"), if in each case:

(a) the Company shall have irrevocably deposited with the Trustee, in trust, for the benefit of the Holders of the applicable series of Notes, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as shall be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, or interest and premium, if any, on the outstanding Notes of such series on the Stated Maturity or on the applicable Redemption Date, as the case may be, and the Company must specify whether such Notes of such series are being defeased to their Stated Maturity or to a particular Redemption Date;

(b) the Company shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to such Trustee confirming that the beneficial owners of the outstanding Notes of such series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if the Covenant Defeasance had not occurred;

(c) the Company shall have delivered to the Trustee either (i) an Opinion of Counsel in Canada reasonably acceptable to the Trustee to the effect that, based upon Canadian law then in effect and having regard to any applicable proposed amendments thereto which have been publicly announced prior to the date of such defeasance, the beneficial owners of the outstanding Notes of such series will not recognize income, gain or loss for Canadian federal, provincial or territorial or other tax purposes, as a result of such Covenant Defeasance, and will be subject to Canadian taxes on the same amounts and in the same manner and at the same time as would have been the case if such Covenant Defeasance, had not occurred or (ii) a ruling directed to the Trustee received from tax authorities of Canada to the same effect as the Opinion of Counsel described in clause (b) above;

(d) no Default or Event of Default shall have occurred and be continuing with respect to such series of Notes on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit);

(e) the Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than this Indenture with respect to such series of Notes) to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound; and

(f) the Company must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Covenant Defeasance have been complied with.

If the funds deposited with the Trustee to effect Covenant Defeasance are insufficient to pay the principal of and interest on the applicable series of Notes when due, then the obligations of the Company and the Note Guarantors under this Indenture will be revived and no such defeasance will be deemed to have occurred.

Notwithstanding the foregoing, the Opinion of Counsel required by Section 8.3(b) hereof with respect to a Covenant Defeasance need not be delivered if all Notes of the applicable series not theretofore delivered to the Trustee for cancellation (1) have become due and payable or (2) shall become due and payable upon maturity or redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company.

Section 8.4 Application of Trust Money. Subject to the provisions of Section 8.5 hereof, the Trustee or a Paying Agent shall hold in trust, for the benefit of the Holders of the applicable series of Notes, all money deposited with it pursuant to Section 8.1, 8.2 or 8.3 hereof and shall apply the deposited money in accordance with this Indenture and the applicable series of Notes to the payment of the principal of and interest on such series of Notes.

Section 8.5 Repayment to the Company. The Trustee and each Paying Agent shall promptly pay to the Company upon request any excess money (i) deposited with them pursuant to Section 8.1, 8.2 or 8.3 hereof and (ii) held by them at any time.

The Trustee and each Paying Agent shall pay to the Company upon request any money held by them for the payment of principal or interest that remains unclaimed for two years after a right to such money has matured; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such payment, may at the expense of the Company cause to be mailed to each Holder entitled to such money notice that such money remains unclaimed and that after a date specified therein, which shall be at least 30 days from the date of such mailing, any unclaimed balance of such money then remaining will be repaid to the Company. After payment to the Company, Holders entitled to money must look to the Company for payment as general creditors unless an applicable abandoned property law designates another person.

Section 8.6 Reinstatement. If the Trustee or any Paying Agent is unable to apply any money in accordance with Section 8.5 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under this Indenture and the applicable series of Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.1, 8.2 or 8.3 hereof until such time as the Trustee or such Paying Agent is permitted to apply all such money or Government Securities in accordance with Section 8.4 hereof; *provided, however*, that if the Company has made any payment of the principal or interest on any Notes of any series because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive any such payment from the money or Government Securities held by the Trustee or such Paying Agent.

ARTICLE 9

AMENDMENTS, SUPPLEMENTS AND WAIVERS

Section 9.1 Without Consent of Holders. The Company and the Trustee may amend or supplement this Indenture with respect to Notes of a series without notice to or consent of any Holder of Notes of such series:

- (a) to comply with Section 5.1 hereof;
- (b) to cure any ambiguity, defect or inconsistency;
- (c) to provide for uncertificated Notes in addition to or in place of certificated Notes of such series;
- (d) to provide for the assumption of the Company's or any Note Guarantor's obligations to Holders of Notes of such series in the case of a consolidation or merger or sale of all or substantially all of the Company's or a Note Guarantor's assets;
- (e) to make any change that would provide any additional rights or benefits to the Holders of Notes of such series or that does not adversely affect the legal rights under this Indenture of any such Holder of Notes of such series;
- (f) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the TIA;
- (g) to conform the text of this Indenture, the Notes of such series or the Note Guarantees of such series to any provision of the section of the Offering Memorandum dated November 18, 2020 captioned "Description of the Notes";
- (h) to provide for the issuance of Additional Notes of such series in accordance with the limitations set forth in this Indenture as of the date hereof;
- (i) to add additional Note Guarantees with respect to the Notes of such series or to confirm and evidence the release, termination or discharge of any Note Guarantee with respect to Notes of such series when such release, termination or discharge is permitted under this Indenture; or
- (j) to appoint a successor Trustee.

Section 9.2 With Consent of Holders. The Company and the Trustee may amend or supplement this Indenture and the Notes of a series with the written consent of the Holders of at least a majority in aggregate principal amount of the Notes of such series then outstanding (including, without limitation, consents obtained in

connection with a purchase of, or tender offer or exchange offer for, Notes). The Holders of at least a majority in aggregate principal amount of the Notes of a series then outstanding may waive compliance in a particular instance by the Company with any provision of this Indenture, or Notes of such series without notice to any Holder (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes of such series). However, notwithstanding the foregoing but subject to Section 9.4 hereof, without the written consent of each Holder of Notes a series affected hereby, an amendment, supplement or waiver, including a waiver pursuant to Section 6.4 hereof, may not (with respect to any Notes of such series held by a non-consenting Holder):

- (a) reduce the principal amount of Notes of such series whose Holders must consent to an amendment, supplement or waiver;
- (b) reduce the principal of or change the Stated Maturity of any such Note or alter the provisions with respect to the redemption of such Notes (excluding, for the avoidance of doubt, provisions relating to Sections 3.8, 3.14 and 4.14 hereof);
- (c) reduce the rate of or change the time for payment of interest on any such Note;
- (d) make any such Note payable in money other than U.S. dollars;
- (e) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of such Notes to receive payments of principal of, or interest or premium, if any, on such Notes;
- (f) waive a redemption payment with respect to any such Note (excluding, for the avoidance of doubt, a payment required by Sections 3.8, 3.14 and 4.14 hereof);
- (g) impair the right to institute suit for the enforcement of any payment on or with respect to such Notes;
- (h) modify the Note Guarantees with respect to such Notes in any manner adverse to the Holders of such Notes; or
- (i) make any change in the preceding amendment and waiver provisions with respect to a series of the Notes.

In addition, without the consent of Holders of at least 66 $\frac{2}{3}$ % in principal amount of the Notes of a series then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), except as set forth in Section 10.5 hereof, no amendment or supplement may release the Note Guarantees with respect to the Notes of such series.

It shall not be necessary for the consent of the Holders under this Section 9.2 to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof.

Section 9.3 Notice of Amendment, Supplement or Waiver. After an amendment, supplement or waiver under Section 9.1 or Section 9.2 becomes effective, the Company shall mail to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amendment, supplement or waiver.

Section 9.4 Revocation and Effect of Consents. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note or portion of a Note if the Trustee receives the notice of revocation before the date the amendment, supplement or waiver becomes effective.

After an amendment, supplement or waiver becomes effective, it shall bind every Holder, unless it makes a change described in any of clauses (a) through (i) of Section 9.2 hereof. In that case the amendment, supplement or waiver shall bind each Holder of a Note who has consented to it and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note.

Section 9.5 Notation on or Exchange of Notes. If an amendment, supplement or waiver changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note about the changed terms and return it to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms.

Section 9.6 Trustee to Sign Amendments, Etc. The Trustee shall sign any amendment or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplemental indenture does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may, in its sole discretion, but need not sign it. In signing or refusing to sign such amendment or supplemental indenture, the Trustee shall be provided with and, subject to Section 7.1 hereof, shall be fully protected in relying upon, an Opinion of Counsel and an Officers' Certificate stating that such amendment or supplemental indenture is authorized or permitted by this Indenture and all conditions precedent in this Indenture to such execution have been complied with. The Company may not sign an amendment or supplemental indenture until its Board of Directors approves it in writing.

Section 9.7 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article 9, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes with respect to any affected series of Notes; and every Holder of applicable Notes theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

ARTICLE 10

NOTE GUARANTEES

Section 10.1 Note Guarantees.

(a) Each of the Note Guarantors, jointly and severally, hereby unconditionally Guarantees (and subject in each case to the Agreed Guarantee Principles set forth in any notation of Note Guarantee, supplemental indenture, or as contemplated by Section 4.15(b) hereof) to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder that: (i) the due and punctual payment of principal, premium and interest on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, (ii) the due and punctual payment of interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Company to the Holders or the Trustee under this Indenture or any Note shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof, and (iii) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration pursuant to Section 6.2 hereof or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Note Guarantors shall be jointly and severally obligated to pay the same immediately. Each Note Guarantor shall agree that this is a Guarantee of payment and not a Guarantee of collection.

(b) Each of the Note Guarantors hereby agrees that its obligations with regard to its Guarantee shall be joint and several, unconditional, irrespective of the validity or enforceability of the Notes or the obligations of the Company under this Indenture, the absence of any action to enforce the same, the recovery of any judgment against the Company or any other obligor with respect to this Indenture, the Notes or the obligations of the Company under this Indenture or the Notes, any action to enforce the same or any other circumstances (other than

complete performance) which might otherwise constitute a legal or equitable discharge or defense of a Note Guarantor. Each Note Guarantor further, to the extent permitted by law, hereby waives and relinquishes all claims, rights and remedies accorded by applicable law to guarantors and agrees not to assert or take advantage of any such claims, rights or remedies, including but not limited to: (i) any right to require any of the Trustee, the Holders or the Company (each a “**Benefited Party**”), as a condition of payment or performance by such Note Guarantor, to (A) proceed against the Company, any other guarantor (including any other Note Guarantor) of the obligations under the Note Guarantees or any other person, (B) proceed against or exhaust any security held from the Company, any such other guarantor or any other person, (C) proceed against or have resort to any balance of any deposit account or credit on the books of any Benefited Party in favor of the Company or any other person, or (D) pursue any other remedy in the power of any Benefited Party whatsoever; (ii) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of the Company including any defense based on or arising out of the lack of validity or the unenforceability of the obligations under the Note Guarantees or any agreement or instrument relating thereto or by reason of the cessation of the liability of the Company from any cause other than payment in full of the obligations under the Note Guarantees; (iii) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (iv) any defense based upon any Benefited Party’s errors or omissions in the administration of the obligations under the Note Guarantees, except behavior which amounts to bad faith; (v) (A) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms of the Note Guarantees and any legal or equitable discharge of such Note Guarantor’s obligations hereunder and under its Note Guarantee, (B) the benefit of any statute of limitations affecting such Note Guarantor’s liability hereunder and under its Note Guarantee or the enforcement hereof and thereof, (C) any rights to set-offs, recoupments and counterclaims and (D) promptness, diligence and any requirement that any Benefited Party protect, secure, perfect or insure any security interest or lien or any property subject thereto; (vi) notices, demands, presentations, protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance of the Note Guarantees, notices of default under the Notes or any agreement or instrument related thereto, notices of any renewal, extension or modification of the obligations under the Note Guarantees or any agreement related thereto, and notices of any extension of credit to the Company and any right to consent to any thereof; (vii) to the extent permitted under applicable law, the benefits of any “One Action” rule; and (viii) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms of the Note Guarantees. Except as set forth in Section 10.5 hereof, each Note Guarantor covenants that its Note Guarantee shall not be discharged except by complete performance of the obligations contained in its Note Guarantee and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Note Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or the Note Guarantors, any amount paid to either the Trustee or such Holder, any Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(d) Each Note Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Note Guarantor shall further agree that, as between the Note Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (i) the maturity of the obligations guaranteed hereby may be accelerated as provided in Section 6.2 hereof for the purposes of any Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby and (ii) in the event of any declaration of acceleration of such obligations as provided in Section 6.2 hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Note Guarantors for the purpose of any such Guarantee. The Note Guarantors shall have the right to seek contribution from any non-paying Note Guarantor so long as the exercise of such right does not impair the rights of the Holders under the applicable Guarantee.

Section 10.2 Execution and Delivery of Note Guarantees. To evidence its Guarantee set forth in Section 10.1 hereof, each Note Guarantor hereby agrees that a notation of such Note Guarantee substantially in the form of Exhibit B hereto (as modified to reflect Agreed Guarantee Principles to the extent contemplated by Section 4.15(b) hereof) or, in the case of a Note Guarantor organized under the laws of Canada or any province or territory thereof, a Canadian Note Guarantee, shall be endorsed by an officer of such Note Guarantor, which notation shall be applicable to each Note authenticated and delivered by the Trustee, and that this Indenture shall be executed on

behalf of such Note Guarantor by any of its Officers. Each of the Note Guarantors, jointly and severally, hereby agrees that its Guarantee set forth in Section 10.1 hereof shall remain in full force and effect notwithstanding any failure to endorse a notation of such Note Guarantee. If an officer or Officer whose signature is on this Indenture or on the Note Guarantee of a Note Guarantor no longer holds that office at the time the Trustee authenticates a Note, the Note Guarantee of such Note Guarantor shall be valid nevertheless. The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Note Guarantees set forth in this Indenture on behalf of the Note Guarantors.

Section 10.3 Limitation on Note Guarantor Liability. Each Note Guarantor confirms, and by its acceptance of Notes, each Holder hereby confirms, that it is the intention of all such parties that any Guarantee of such Note Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar applicable law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee and the Holders irrevocably agree, and the Note Guarantors irrevocably agree, that the obligations of such Note Guarantor under this Article 10 shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Note Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Note Guarantor in respect of the obligations of such other Note Guarantor under this Article 10, result in the obligations of such Note Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance.

Section 10.4 Merger and Consolidation of Note Guarantors.

(a) In case of any sale or other disposition, consolidation, amalgamation, merger, sale or conveyance and upon the assumption by the successor person, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the Note Guarantee endorsed upon the Notes and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Note Guarantor, such successor person shall succeed to and be substituted for the Note Guarantor with the same effect as if it had been named herein as a Note Guarantor. Such successor person thereupon may cause to be signed any or all of the Note Guarantees to be endorsed upon all of the Notes available hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee. All the Note Guarantees so issued shall in all respects have the same legal rank and benefit under this Indenture as the Note Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Note Guarantees had been issued at the date of the execution hereof.

(b) Except as set forth in Articles 4 and 5 hereof, and notwithstanding clause (a) of this Section 10.4, nothing contained in this Indenture or in any of the Notes shall prevent any consolidation, amalgamation or merger of a Note Guarantor with or into another Person, or shall prevent any sale or conveyance of the property of a Note Guarantor as an entirety or substantially as an entirety.

Section 10.5 Release.

(a) In the event (i) of a sale or other disposition of all or substantially all of the assets of any Note Guarantor, by way of merger, amalgamation, consolidation or otherwise, or a sale or other disposition of all the Equity Interests of any Note Guarantor, then held by the Company and its Restricted Subsidiaries to a person that is not (either before or after giving effect to such transactions) a Subsidiary of the Company, in each case so long as such sale or other disposition is permitted by this Indenture, including without limitation Section 4.14 hereof, (ii) of a designation by the Company of any Restricted Subsidiary that is a Note Guarantor as an Unrestricted Subsidiary in accordance with the definition thereof or in the event that such Note Guarantor ceases to be a Restricted Subsidiary, in each case, in accordance with the provisions of this Indenture, upon effectiveness of such designation or when it first ceases to be a Restricted Subsidiary, respectively, (iii) in the case of any Note Guarantee issued on the Issue Date (or required but issued thereafter pursuant to Section 4.15(a) above), upon the release or discharge of the Note Guarantee by such Note Guarantor in respect of the Credit Agreement, and in any other case upon the release or discharge of any Note Guarantee in respect of any Indebtedness that resulted in the issuance after the Issue Date of the Note Guarantee by such Note Guarantor or (iv) the Company discharges the Notes of such series and its Obligations under this Indenture under Section 8.1 hereof or exercises its legal or covenant defeasance options under Section 8.2 or 8.3 hereof, respectively, with respect to the Notes of a series,

such Note Guarantor shall be released and relieved of any obligations under its Note Guarantee (in the case of clause (iv), only with respect to the applicable series and not with respect to the other series of Notes) without any further action being required by the Trustee or any Holder. If the Company discharges this Indenture under Section 8.1 hereof with respect to any series of Notes or exercises its legal or covenant defeasance options under Section 8.2 or 8.3 hereof with respect to any series of Notes, respectively, the Company and each Note Guarantor shall be released and relieved of any obligations under its Note Guarantee with respect to such series of Notes and not with respect to the other series of Notes without any further action being required by the Trustee or any Holder.

(b) Upon delivery by the Company to the Trustee of an Officers' Certificate and an Opinion of Counsel to the effect that such sale or other disposition was made by the Company in accordance with the provisions of this Indenture, including without limitation Sections 4.8 and 4.14 hereof, the Trustee shall execute any documents reasonably required in order to evidence the release of any Note Guarantor from its obligations under its Guarantee.

(c) Any Note Guarantor not released from its obligations under its Note Guarantee (including in respect of a series of Notes) shall remain liable for the full amount of principal of and interest on the Notes and for the other obligations of any Note Guarantor under this Indenture as provided in this Article 10.

provided, however, that with respect to matters of fact an Opinion of Counsel may rely on an Officers' Certificate or certificates of public officials.

(c) EACH OF THE COMPANY AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES, OR THE TRANSACTION CONTEMPLATED HEREBY.

Section 11.9 No Adverse Interpretation of Other Agreements. This Indenture may not be used to interpret another indenture, loan or debt agreement of the Company or a Subsidiary of the Company. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

Section 11.10 No Recourse Against Others. All liability described in paragraph 13 of the Form of the Notes attached hereto as Exhibit A-1 or Exhibit A-2, as applicable, of any director, officer, incorporator, employee or shareowner, as such, of the Company or any Note Guarantor is waived and released.

Section 11.11 Successors. All agreements of the Company in this Indenture and the Notes shall bind their successors. All agreements of the Trustee in this Indenture shall bind its successor.

Section 11.12 Multiple Counterparts; Execution. The parties may sign multiple counterparts of this Indenture. Each signed counterpart shall be deemed an original, but all of them together represent the same agreement. The words “execution,” “signed,” “signature,” and words of like import in this Indenture or in any other certificate, agreement or document related to this Indenture shall include images of manually executed signatures transmitted by facsimile or other electronic format (including, without limitation, “pdf,” “tif” or “jpg”) and other electronic signatures (including, without limitation, DocuSign and AdobeSign). The use of electronic signatures and electronic records (including, without limitation, any contract or other record created, generated, sent, communicated, received, or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, and any other applicable law, including, without limitation, any state law based on the Uniform Electronic Transactions Act or the Uniform Commercial Code.

Section 11.13 Separability. In case any provisions in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 11.14 Table of Contents, Headings, etc. The table of contents and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part hereof, and shall in no way modify or restrict any of the terms or provisions hereof.

Section 11.15 Calculations in Respect of the Notes.

(a) The Company shall make all calculations under this Indenture and the Notes in good faith. In the absence of manifest error, such calculations shall be final and binding on all Holders. The Company shall provide a copy of such calculations to the Trustee as required hereunder.

(b) Notwithstanding anything to the contrary herein (including in connection with any calculation made on a pro forma basis), if the terms of this Indenture require (1) compliance with any financial ratio or financial test (including, without limitation, any Secured Leverage Ratio test, any Total Leverage Ratio test and/or any Fixed Charge Coverage Ratio test) and/or any cap expressed as a percentage of Consolidated Total Assets or Consolidated Cash Flow, (2) the absence of a Default or Event of Default (or any type of default or event of default) or (3) compliance with any basket or other condition, as a condition to (a) the consummation of any transaction (including in connection with any acquisition or similar Investment or the assumption or incurrence of Indebtedness), and/or (b) the making of any Restricted Payment, the determination of whether the relevant condition is satisfied may be made, at the election of the Company, (i) in the case of any acquisition or similar Investment or any Asset Sale and any transaction related thereto, at the time of (or on the basis of the financial statements for the most recently ended four quarter period available at the time of) either (x) the execution of the definitive agreement with respect to such acquisition, Investment or Asset Sale (or, solely in connection with an acquisition to which the United Kingdom City Code on Takeovers and Mergers applies, the date on which a “Rule 2.7 Announcement” of a firm intention to make an offer) or (y) the consummation of such acquisition, Investment or Asset Sale, (ii) in the case of any

Restricted Payment, at the time of (or on the basis of the financial statements for the most recently ended four quarter period available at the time of) (x) the declaration of such Restricted Payment or (y) the making of such Restricted Payment, in each case, after giving effect to the relevant acquisition or similar Investment and/or Restricted Payment or other transaction on a pro forma basis (including, in each case, giving effect to the relevant transaction, any relevant Indebtedness (including the intended use of proceeds thereof) and, at the election of the Company, giving pro forma effect to other prospective “limited conditionality” acquisitions or similar Investments for which definitive agreements have been executed), and no Default or Event of Default shall be deemed to have occurred solely as a result of an adverse change in such financial ratio or test occurring after the time such election is made (but any subsequent improvement in the applicable financial ratio or test may be utilized by the Company or any Restricted Subsidiary). For the avoidance of doubt, if the Company shall have elected the option set forth in this paragraph in respect of any transaction, then the Company or its applicable Restricted Subsidiary shall be permitted to consummate such transaction even if any applicable test or condition shall cease to be satisfied subsequent to the Company’s election of such option.

(c) Notwithstanding anything to the contrary herein, unless the Company otherwise elects, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Indenture that does not require compliance with a financial ratio or financial test (including any Secured Leverage Ratio test, any Total Leverage Ratio test and/or any Fixed Charge Coverage Ratio test) (any such amounts, the “**Fixed Amounts**”) substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Indenture that requires compliance with a financial ratio or financial test (including any Secured Leverage Ratio test, any Total Leverage Ratio test and/or any Fixed Charge Coverage Ratio test) (any such amounts, the “**Incurrence-Based Amounts**”) it is understood and agreed that (A) the incurrence of the Incurrence-Based Amount shall be calculated first without giving effect to any Fixed Amount but giving full pro forma effect to the use of proceeds of such Fixed Amount and the related transactions and (B) the incurrence of the Fixed Amount shall be calculated thereafter. Unless the Company elects otherwise, the Company shall be deemed to have used amounts under an Incurrence-Based Amount then available to the Company prior to utilization of any amount under a Fixed Amount then available to the Company.

Section 11.16 Agent for Service and Waiver of Immunities. By the execution and delivery of this Indenture, the Company and each Note Guarantor that is not a Domestic Subsidiary does, and with respect to any entity that becomes a Note Guarantor after the date hereof and is not a Domestic Subsidiary, within 10 days of becoming a Note Guarantor, as applicable, will, (i) acknowledge that they will designate and appoint Bausch Health US, LLC, 400 Somerset Corporate Boulevard, Bridgewater, New Jersey 08807, or another Person satisfactory to the Trustee (the “**Authorized Agent**”), as their authorized agent upon whom process may be served in any suit or proceeding arising out of or relating to this Indenture or the Notes that may be instituted in any federal or state court in the State of New York or brought under federal or state securities laws, and acknowledge that the Authorized Agent has accepted such designation, (ii) submit to the jurisdiction of any such court in any such suit or proceeding, and (iii) agree that service of process upon the Authorized Agent and written notice of said service to the Company or the Note Guarantor that is not a Domestic Subsidiary, as applicable, in accordance with Section 11.2 hereof shall be deemed effective service of process in any such suit or proceeding. The Company and each Note Guarantor that is not a Domestic Subsidiary further agrees to take any reasonable action, including the execution and filing of any and all such documents and instruments, as may be necessary to continue such designation and appointment of the Authorized Agent in full force and effect so long as any of the Notes shall be outstanding; *provided, however*, that the Company and each Note Guarantor that is not a Domestic Subsidiary, as applicable, may, by written notice to the Trustee, designate such additional or alternative agent for service of process under this Section 11.16 that (i) maintains an office located in the Borough of Manhattan, The City of New York, in the State of New York, (ii) is either (x) counsel for the Company or such Note Guarantor, as applicable or (y) a corporate service company which acts as agent for service of process for other persons in the ordinary course of its business and (iii) agrees to act as agent for service of process in accordance with this Section 11.16. Such written notice shall identify the name of such agent for process and the address of the office of such agent for process in the Borough of Manhattan, The City of New York, State of New York. Upon the written request of any Holder, the Trustee shall deliver a copy of such notice to such Holder.

Section 11.17 Judgment Currency. The Company and each Note Guarantor shall indemnify each Holder and each Person, if any, who controls any Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act against any loss incurred by such party as a result of any judgment or order being

given or made against the Company or any Note Guarantor for any U.S. dollar amount due under this Indenture and such judgment or order being expressed and paid in a currency (the “**Judgment Currency**”) other than U.S. dollars and as a result of any variation as between (i) the rate of exchange at which the U.S. dollar amount is converted into the Judgment Currency for the purpose of such judgment or order and (ii) the spot rate of exchange in The City of New York at which such party on the date of payment of such judgment or order is able to purchase U.S. dollars with the amount of the Judgment Currency actually received by such party if such party had utilized such amount of Judgment Currency to purchase U.S. dollars upon such party’s receipt thereof. The foregoing indemnity shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term “spot rate of exchange” shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, U.S. dollars.

Section 11.18 Foreign Currency Equivalent. For purposes of determining compliance with any U.S. dollar-denominated restriction or amount, the U.S. dollar equivalent principal amount of any amount denominated in a foreign currency will be the Dollar Equivalent calculated on the date the Indebtedness was incurred or other transaction was entered into; *provided*, that if any Permitted Refinancing Indebtedness denominated in a currency other than U.S. dollars is incurred to refinance Indebtedness denominated in the same currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated on the date of such refinancing, such Permitted Refinancing Indebtedness shall be deemed not to exceed the principal amount of such Indebtedness being refinanced. Notwithstanding any other provision in this Indenture, no restriction or amount will be exceeded solely as a result of fluctuations in the exchange rate of currencies. In no event, will the Trustee or the Paying Agent be responsible for obtaining exchange rates or otherwise effecting currency conversions or calculations.

Section 11.19 Usury Savings Clause. If any provision of this Indenture or any Note would obligate the Company to make any payment of or on account of interest or other amount in an amount or calculated at a rate which would result in a receipt by any Holder of interest at a criminal rate (as such term is construed under the *Criminal Code* (Canada)), then notwithstanding such provisions, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not so result in a receipt by such Holder of interest at a criminal rate, such adjustment to be effected, to the extent necessary, as follows: (1) firstly, by reducing the amount or rate of interest required to be paid to such Holder, and (2) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid to such Holder which would constitute “interest” for purposes of Section 347 of the *Criminal Code* (Canada).

Section 11.20 Interest Act (Canada). For purposes of disclosure pursuant to the *Interest Act* (Canada), the annual rates of interest or fees to which the rates of interest or fees provided for in this Indenture and any Note (and stated herein or therein, as applicable, to be computed on the basis of a 360 day year or any other period of time less than a calendar year) are equivalent are the rates so provided for multiplied by the actual number of days in the applicable calendar year and divided by 360 or the actual number of days in such other period of time, respectively. Each of the Company and each Note Guarantor confirms that it understands and acknowledges that it is and will be able to calculate the rate of interest applicable under this Indenture and any Note based on the methodology for calculating per annum rates provided for under this Indenture or the Notes. Each of the Company and each Note Guarantor confirms that it agrees not to plead or assert, whether by way of defense or otherwise, in any proceeding relating to this Indenture or any Note, that the interest payable under this Indenture or any Note and the calculation thereof has not been adequately disclosed to the Company or Note Guarantor, as applicable, whether pursuant to Section 4 of the *Interest Act* (Canada) or any other applicable law or legal principle.

Section 11.21 Tax Matters. Each of the parties hereto agree to cooperate and to provide the other with such information as each may have in its possession to enable the determination of whether any payments pursuant to this Indenture are subject to the withholding requirements described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code and any regulations, or agreements thereunder or official interpretations thereof (“Applicable Law”). The Trustee shall be entitled to make any withholding or deduction from payments under this Indenture to the extent necessary to comply with Applicable Law. Nothing in the immediately preceding sentence shall be construed as obligating the Trustee to make any “gross up” payment or similar reimbursement in connection with a payment in respect of which amounts are so withheld or deducted or affecting a Payor’s obligation to make any payments of Additional Amount pursuant to Section 4.21 of this Indenture.

GUARANTEE

2.1. Guarantee of the Obligations.

- (a) Guarantor hereby unconditionally Guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of the Indenture, the Notes or the obligations of the Company thereunder that: (i) the due and punctual payment of principal, premium and interest on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, (ii) the due and punctual payment of interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Company to the Holders or the Trustee under the Indenture or any Note shall be promptly paid in full or performed, all in accordance with the terms thereof, and (iii) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration pursuant to Section 6.2 of the Indenture or otherwise (collectively, the “**Guaranteed Obligations**”). Guarantor agrees that this Canadian Note Guarantee is a guarantee of payment and not a guarantee of collection. Failing payment when due of any Guaranteed Obligations for whatever reason, Guarantor shall be obligated to pay the same immediately.
- (b) Guarantor hereby agrees that its obligations with regard to its Canadian Note Guarantee shall be unconditional, irrespective of the validity or enforceability of the Notes or the obligations of the Company under the Indenture, the absence of any action to enforce the same, the recovery of any judgment against the Company or any other obligor with respect to the Indenture, the Notes or the obligations of the Company under the Indenture or the Notes, any action to enforce the same or any other circumstances (other than complete performance) which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Guarantor further, to the extent permitted by applicable law, hereby waives and relinquishes all claims, rights and remedies accorded by applicable law to guarantors and shall agree not to assert or take advantage of any such claims, rights or remedies, including but not limited to: (i) any right to require any Beneficiary, as a condition of payment or performance by Guarantor, to (A) proceed against the Company, any other guarantor (including any other Note Guarantor) of the Guaranteed Obligations or any other person, (B) proceed against or exhaust any security held from the Company, any such other guarantor or any other person, (C) proceed against or have resort to any balance of any deposit account or credit on the books of any Beneficiary in favour of the Company or any other person, or (D) pursue any other

remedy in the power of any Beneficiary whatsoever; (ii) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of the Company including any defense based on or arising out of the lack of validity or the unenforceability of the Guaranteed Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of the Company from any cause other than payment in full of the Guaranteed Obligations; (iii) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (iv) any defense based upon any Beneficiary's errors or omissions in the administration of the Guaranteed Obligations, except behavior which amounts to bad faith; (v) (A) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms of this Canadian Note Guarantee and any legal or equitable discharge of Guarantor's obligations hereunder and under this Canadian Note Guarantee, (B) the benefit of any statute of limitations affecting Guarantor's liability hereunder or the enforcement hereof, (C) any rights to set-offs, recoupments and counterclaims and (D) promptness, diligence and any requirement that any Beneficiary protect, secure, perfect or insure any security interest or lien or any property subject thereto; (vi) notices, demands, presentations, protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance of this Canadian Note Guarantee, notices of default under the Notes or any agreement or instrument related thereto, notices of any renewal, extension or modification of the Guaranteed Obligations or any agreement related thereto, and notices of any extension of credit to the Company and any right to consent to any thereof; and (vii) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms of this Canadian Note Guarantee.

- (c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, any Note Guarantor or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or any Note Guarantor, any amount paid to either the Trustee or such Holder, this Canadian Note Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.
- (d) Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Guarantor further agrees that, as between Guarantor, on the one hand, and the Holders and the Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations may be accelerated as provided in Section 6.2 of the Indenture for the purposes of this Canadian Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations and (ii) in the event of any declaration of acceleration of such obligations as provided in Section 6.2 of the Indenture, such obligations (whether or not due and payable) shall forthwith become due and payable by Guarantor for the purpose of this Canadian Note Guarantee. Guarantor shall not exercise any right to seek contribution from any non-paying Note Guarantor if the exercise of such right impairs the rights of the Holders under the Note Guarantees.

2.2. Merger and Consolidation of Guarantors

- (a) In case of any sale or other disposition, consolidation, merger, amalgamation or conveyance (to the extent required under the Indenture) and upon the assumption by the successor person on terms and conditions satisfactory to the Trustee of the obligations of Guarantor under this Canadian Note Guarantee, and the due and punctual performance of all of the covenants and conditions of the Indenture to be performed by Guarantor, such successor person shall succeed to and be substituted for Guarantor under this Canadian Note Guarantee with the same effect as if it had been named herein as Guarantor.
- (b) Except as set forth in Articles 4 and 5 of the Indenture, and notwithstanding clause (a) of this Section 2.2, nothing contained in the Indenture or in any of the Notes shall prevent any consolidation, merger or amalgamation of a Note Guarantor with or into another Person, or shall prevent any sale or conveyance of the property of a Note Guarantor as an entirety or substantially as an entirety.

2.3. Release

- (a) In the event (i) of a sale or other disposition of all or substantially all of the assets of any Guarantor, by way of merger, amalgamation, consolidation or otherwise, or a sale or other disposition of all the Equity Interests of any Guarantor, then held by the Company and its Restricted Subsidiaries to a person that is not (either before or after giving effect to such transactions) a Subsidiary of the Company, in each case so long as such sale or other disposition is permitted by the Indenture, including without limitation Section 4.14 thereof, (ii) of a designation by the Company of any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary in accordance with the definition thereof or in the event that such Guarantor ceases to be a Restricted Subsidiary, in each case, in accordance with the provisions of the Indenture, upon effectiveness of such designation or when it first ceases to be a Restricted Subsidiary, respectively, (iii) in the case of any Canadian Note Guarantee issued on the Issue Date (or required but issued thereafter pursuant to Section 4.15(a) of the Indenture), upon the release or discharge of the Canadian Note Guarantee by such Guarantor in respect of the Credit Agreement, and in any other case upon the release or discharge of any Canadian Note Guarantee in respect of any Indebtedness that resulted in the issuance after the Issue Date of the Canadian Note Guarantee by such Guarantor or (iv) the Company discharges the Notes of such series and its Obligations under the Indenture under Section 8.1 thereof or exercises its legal or covenant defeasance options under Section 8.2 or 8.3 thereof, respectively, with respect to the Notes of a series or, in the case of a sale or other disposition of all or substantially all of the assets of Guarantor, the Person acquiring such property, shall be released and relieved of any obligations under this Canadian Note Guarantee (in the case of clause (iv), only with respect to the applicable series) without any further action being required by the Trustee or any Holder.
- (b) Upon delivery by the Company to the Trustee of an Officers' Certificate and an Opinion of Counsel to the effect that such sale or other disposition was made by the Company in accordance with the provisions of the Indenture, including without limitation Sections 4.8 and 4.14 thereof, the Trustee shall execute any documents reasonably required in order to evidence the release of Guarantor from its obligations under this Canadian Note Guarantee.

Section 3.

Miscellaneous

3.1. Limitations Act, 2002 (Ontario)

Any and all limitation periods provided for in the *Limitations Act, 2002* (Ontario), as amended from time to time, or any other applicable law limiting the time for which an action may be commenced shall be excluded from application to the obligations of Guarantor hereunder to the fullest extent permitted by such Act or applicable law.

3.2. Usury Savings Clause

If any provision of this Canadian Note Guarantee, the Indenture or any Note would obligate any Canadian Note Guarantor to make any payment of or on account of interest or other amount in an amount or calculated at a rate which would result in a receipt by any Holder of interest at a criminal rate (as such term is construed under the *Criminal Code* (Canada)), then notwithstanding such provisions, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not so result in a receipt by such Holder of interest at a criminal rate, such adjustment to be effected, to the extent necessary, as follows: (1) firstly, by reducing the amount or rate of interest required to be paid to such Holder, and (2) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid to such Holder which would constitute "interest" for purposes of Section 347 of the *Criminal Code* (Canada).

3.3. Interest Act (Canada)

For purposes of disclosure pursuant to the *Interest Act* (Canada), the annual rates of interest or fees to which the rates of interest or fees provided for in this Canadian Note Guarantee, the Indenture or the Notes (and stated herein

or therein, as applicable, to be computed on the basis of a 360 day year or any other period of time less than a calendar year) are equivalent are the rates so provided for multiplied by the actual number of days in the applicable calendar year and divided by 360 or the actual number of days in such other period of time, respectively.

The Guarantor confirms that it understands and acknowledges that it is and will be able to calculate the rate of interest applicable under this Canadian Note Guarantee, the Indenture or the Notes based on the methodology for calculating per annum rates provided for under this Canadian Note Guarantee, the Indenture or the Notes. The Guarantor confirms that it agrees not to plead or assert, whether by way of defense or otherwise, in any proceeding relating to this Canadian Note Guarantee, the Indenture or the Notes, that the interest payable under this Canadian Note Guarantee, the Indenture or the Notes and the calculation thereof has not been adequately disclosed to the Guarantor, whether pursuant to Section 4 of the *Interest Act* (Canada) or any other applicable law or legal principle.

3.4. Counterparts; Execution

This Canadian Note Guarantee may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same agreement. Delivery of an executed counterpart of this Canadian Note Guarantee by facsimile or other similar method of electronic transmission (including by way of email attachment) shall be equally as effective as delivery of an original executed counterpart of this Canadian Note Guarantee.

3.5. Severability

If, in any jurisdiction, any provision of this Canadian Note Guarantee or its application to any party or circumstance is restricted, prohibited or unenforceable, such provision shall, as to that jurisdiction, be ineffective only to the extent of such restriction, prohibition or unenforceability without invalidating the remaining provisions of this Canadian Note Guarantee and without affecting the validity or enforceability of such provision in any other jurisdiction or without affecting its application to other parties or circumstances.

3.6. Notices

All notices and other communications hereunder shall be in writing and shall be mailed, sent, or delivered in accordance with the terms of the Indenture.

3.7. Successors

This Canadian Note Guarantee shall be binding upon Guarantor and its successors and shall inure to the benefit of the successors of the Beneficiaries.

3.8. Judgment Currency

Guarantor shall indemnify each Holder and each Person, if any, who controls any Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act against any loss incurred by such party as a result of any judgment or order being given or made against Guarantor for any U.S. dollar amount due under this Canadian Note Guarantee and such judgment or order being expressed and paid in a currency (the “**Judgment Currency**”) other than U.S. dollars and as a result of any variation as between (i) the rate of exchange at which the U.S. dollar amount is converted into the Judgment Currency for the purpose of such judgment or order and (ii) the spot rate of exchange in The City of New York at which such party on the date of payment of such judgment or order is able to purchase U.S. dollars with the amount of the Judgment Currency actually received by such party if such party had utilized such amount of Judgment Currency to purchase U.S. dollars upon such party’s receipt thereof. Any amount due from Guarantor under this Section 3.8 shall be due as a separate debt and shall not be affected by such judgment or order as aforesaid. The term “spot rate of exchange” shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, U.S. dollars.

3.9. Payment of Additional Amounts

- (a) All payments made under or with respect to this Canadian Note Guarantee by Guarantor will be made free and clear of any withholding or deduction for or on account of any tax, duty, levy, impost, assessment or other governmental charge of whatever nature (collectively, “**Tax**”) imposed or levied by or on behalf of Canada or any other jurisdiction in which Guarantor is organized, resident or doing business for tax purposes or from or through which Guarantor makes any payment on the Canadian Note Guarantee or any department or political subdivision thereof (each, a “**Relevant Taxing Jurisdiction**”), unless Guarantor (or an applicable withholding agent) is required to withhold or deduct Taxes by law. If Guarantor (or an applicable withholding agent) is required by law to withhold or deduct any amount for or on account of Taxes of a Relevant Taxing Jurisdiction from any payment made under or with respect to this Canadian Note Guarantee, Guarantor, subject to the exceptions listed below, will pay additional amounts (“**Additional Amounts**”) as may be necessary to ensure that the net amount received by each Holder or beneficial owner of the Notes after such withholding or deduction (including withholding or deduction attributable to Additional Amounts payable hereunder) will not be less than the amount the Holder or beneficial owner would have received if such Taxes had not been required to be so withheld or deducted.
- (b) Guarantor will not, however, pay Additional Amounts to a Holder or beneficial owner of Notes:
- (i) to the extent the Taxes giving rise to such Additional Amounts would not have been imposed but for the existence of any present or former connection between the Holder or beneficial owner (or between a fiduciary, settler, beneficiary, member or shareholder of, or possessor of a power over, such Holder or beneficial owner, if such Holder or beneficial owner is an estate, trust, partnership or corporation) and the Relevant Taxing Jurisdiction (other than any connection resulting solely from the acquisition, ownership, holding or disposition of Notes, the receipt of payments thereunder or under this Canadian Note Guarantee and/or the exercise or enforcement of rights under any Notes or this Canadian Note Guarantee);
 - (ii) to the extent the Taxes giving rise to such Additional Amounts would not have been imposed but for the failure of the Holder or beneficial owner of Notes, following Guarantor’s written request addressed to the Holder, to the extent such Holder or beneficial owner is legally eligible to do so, to comply with any certification, identification, information or other reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Relevant Taxing Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Relevant Taxing Jurisdiction (including, without limitation, a certification that the Holder or beneficial owner is not resident in the Relevant Taxing Jurisdiction);
 - (iii) with respect to any estate, inheritance, gift, sales, transfer, capital gains, excise or personal property tax or any similar Taxes;
 - (iv) to the extent the Taxes giving rise to such Additional Amounts would not have been imposed but for the presentation by the Holder or beneficial owner of any Note, where presentation is required, for payment on a date more than 30 days after the date on which payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;
 - (v) to the extent the Taxes giving rise to such Additional Amounts would not have been imposed but for the Holder or beneficial owner not dealing at arm’s length, within the meaning of the *Income Tax Act* (Canada), with the Company or Guarantor;
 - (vi) to the extent the Taxes giving rise to such Additional Amounts would not have been imposed but for such Holder or beneficial owner being, or not dealing at arm’s length (within the meaning of the *Income Tax Act* (Canada)) with, a “specified shareholder” of the Company as defined in subsection 18(5) of the *Income Tax Act* (Canada) for purposes of the thin capitalization rules in the *Income Tax Act* (Canada);

- (vii) to the extent the Taxes giving rise to such Additional Amounts are United States federal withholding tax imposed pursuant to Sections 1471 through 1474 of the Internal Revenue Code of 1986, as amended (the “Code”), as in effect on the date hereof (or any amended or successor version that is substantively comparable and not materially more onerous to comply with), any current or future regulations, official interpretations or administrative authority promulgated thereunder and any agreements entered into pursuant to Section 1471(b)(1) of the Code as in effect on the date hereof (or any amended or successor version that is substantively comparable and not materially more onerous to comply with), and, for the avoidance of doubt, any intergovernmental agreement (and related legislation, rules or practices) implementing the foregoing (taken together, “**FATCA**”), except to the extent that such Taxes result from a failure of any Paying Agent to comply with FATCA; and
- (viii) any combination of items (i), (ii), (iii), (iv), (v), (vi) and (vii).

Additional Amounts also shall not be paid with respect to any payment on a Note to a beneficial owner who is a fiduciary, a partnership (or entity treated as a partnership for tax purposes), or anyone other than the sole beneficial owner of that payment to the extent that payment would be required by the laws of the Relevant Taxing Jurisdiction to be included in the income, for tax purposes, of a beneficiary or settlor with respect to the fiduciary, a member of that partnership, or a beneficial owner who would not have been entitled to the Additional Amounts had that beneficiary, settlor, member or interest holder been the beneficial owner.

- (c) Guarantor or applicable withholding agent will (i) make any such withholding or deduction required by applicable law and (ii) timely remit the full amount deducted or withheld to the Relevant Taxing Jurisdiction in accordance with applicable law. Guarantor will make reasonable efforts to obtain certified copies of tax receipts evidencing the payment of any Taxes so deducted or withheld from each Relevant Taxing Jurisdiction imposing such Taxes. Guarantor will provide to the Trustee, within a reasonable time after the date the payment of any Taxes so deducted or withheld are due pursuant to applicable law, either a certified copy of tax receipts evidencing such payment, or, if such tax receipts are not reasonably available to Guarantor, such other documentation that provides reasonable evidence of such payment by Guarantor.
- (d) Where Tax is payable pursuant to Regulation 803 of the *Income Tax Act* (Canada) by a Holder or beneficial owner of the Notes in respect of any amount payable under the Canadian Note Guarantee to the Holder (other than by reason of a transfer of the Notes to a person resident in Canada with whom the transferor does not deal at arm’s length for the purposes of such Act), but no Additional Amount is paid in respect of such Tax, Guarantor will pay as or on account of interest to the Holder an amount equal to such Tax (a “**Regulation 803 Reimbursement**”) plus an amount equal to any Tax required to be paid by the Holder or a beneficial owner as a result of such Regulation 803 Reimbursement within 45 days after receiving from the Holder a notice containing reasonable particulars of the Tax so payable, *provided* such Holder or beneficial owner would have been entitled to receive Additional Amounts on account of such Tax (and only to the extent of such Additional Amounts that such Holder or beneficial owner would have been entitled to receive) but for the fact that it is payable otherwise than by deduction or withholding from payments made under or with respect to the Canadian Note Guarantee.
- (e) Prior to the date on which the payment of any Additional Amounts are due, Guarantor will deliver to the Trustee such Additional Amounts payable, together with an Officers’ Certificate setting forth the Additional Amounts, stating that such Additional Amounts will be payable on the applicable payment date and setting forth such other information necessary to enable the Trustee to pay such Additional Amounts to Holders on the applicable payment date. Any such Officers’ Certificate will be delivered to the Trustee at least two Business Days in advance of when the payments in question are required to be made (unless a shorter period of time is acceptable to the Trustee in its reasonable discretion). Guarantor will promptly publish a notice in accordance with Section 11.2 of the Indenture stating that such Additional Amounts will be payable and describing the obligation to pay such amounts.
- (f) Guarantor will reimburse the Holders or beneficial owners of Notes, upon written request of such Holder or beneficial owner of Notes and certified proof of payment for the amount of (i) any Taxes levied or imposed

by a Relevant Taxing Jurisdiction and payable by such Holder or beneficial owner in connection with payments made under or with respect to this Canadian Note Guarantee; and (ii) any Taxes levied or imposed with respect to any reimbursement under the foregoing clause (i) or this clause (ii), so that the net amount received by such Holder or beneficial owner after such reimbursement will not be less than the net amount such Holder or beneficial owner would have received if the Taxes giving rise to the reimbursement described in clauses (i) and/or (ii) had not been imposed, *provided, however*, that the indemnification obligation provided for in this Section 3.9(f) shall not extend to Taxes imposed for which the Holder or beneficial owner of the Notes would not have been eligible to receive payment of Additional Amounts hereunder by virtue of clauses (i) through (viii) of Section 3.9(b) hereof, or to the extent such Holder or beneficial owner received Additional Amounts with respect to such payments.

- (g) In addition, Guarantor will pay any stamp, issue, registration, court, documentary, excise or other similar taxes, charges and duties, including interest and penalties with respect thereto, imposed by any Relevant Taxing Jurisdiction at any time in respect of the execution, issuance, registration or delivery of this Canadian Note Guarantee or any other document or instrument referred to thereunder and any such taxes, charges or duties imposed by any Relevant Taxing Jurisdiction at any time as a result of, or in connection with, (i) any payments made pursuant to any Guarantee or any other such document or instrument referred to thereunder and/or (ii) the enforcement of this Canadian Note Guarantee or any other such document or instrument referred to thereunder.
- (h) Obligations described under this Section 3.9 will survive any termination, defeasance or discharge of the Indenture and will apply *mutatis mutandis* to any successor Person to Guarantor and to any jurisdiction in which such successor is organized, doing business or is otherwise resident for Tax purposes or any jurisdiction from or through which payment is made by such successor or its respective agents.
- (i) Whenever this Canadian Note Guarantee refers to, in any context, the payment of principal, premium, if any, interest or any other amount payable under or with respect to any Note or under this Canadian Note Guarantee, such reference includes the payment of Additional Amounts or other payments that would be payable pursuant to this Section 3.9, if applicable.
