Dear Sirs/Mesdames:

Re: Boralex Inc. – Refiling of Press Release

Please note that the English and French versions of the December 2, 2019 press release have been refiled due to an error in the Boralex's worldwide capacity totaling 2,040 MW, and not 2,037 MW as mentioned in the initial filing.

Aside from this error, the press release does not contain any other modification.

Please address any concerns regarding the above to the attention of the undersigned.

Yours truly,

(s) Pascal Hurtubise
