

CARCETTI CAPITAL CORP.

MANAGEMENT INFORMATION CIRCULAR AS AT AUGUST 25, 2023

This management information circular (“Information Circular”) is furnished in connection with the solicitation of proxies by management of Carcetti Capital Corp. (the “Company”) for use at the annual general meeting (the “Meeting”) of the shareholders of the Company (“Shareholders”) to be held on September 29, 2023 and any adjournment or postponement thereof, for the purposes set forth in the attached Notice of Annual General Meeting. Except where otherwise indicated, the information contained herein is stated as of August 25, 2023.

In this Information Circular, references to the “Company” and “we” refer to Carcetti Capital Corp. “Common Shares” means common shares without par value in the capital of the Company. “Registered Shareholders” means Shareholders whose names appear on the records of the Company as the registered holders of Common Shares. “Non-Registered Shareholders” means Shareholders who do not hold Common Shares in their own name. “Intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Shareholders. Unless otherwise indicated, all references to “\$” or “dollars” in this Information Circular means Canadian Dollars.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged to send Meeting materials directly to Registered Shareholders, as well as Non-Registered Shareholders who have consented to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (non-objecting beneficial owners). We have not arranged for Intermediaries to forward the Meeting materials to Non-Registered Shareholders who have objected to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (objecting beneficial owners). As a result, objecting beneficial owners will not receive the Information Circular and associated Meeting materials unless their Intermediary assumes the costs of delivery.

Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy (the “Proxy”) are officers of the Company or solicitors for the Company. **If you are a Registered Shareholder, you have the right to attend the Meeting, or vote by proxy and to appoint a person or company other than the person designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of Proxy.**

If you are a Registered Shareholder you may wish to vote by proxy whether or not you are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed Proxy and returning it to the Company’s transfer agent, Odyssey Trust Company (“Odyssey”), in accordance with the instructions on the Proxy. Alternatively, Registered Shareholders may vote their shares via the internet or by telephone as per the instructions provided on the Proxy.

In all cases you should ensure that the Proxy is received at least two business days before the Meeting or the adjournment or postponement thereof at which the Proxy is to be used.

Every Proxy may be revoked by an instrument in writing:

- (i) executed by the Shareholder or by his/her attorney authorized in writing or, where the Shareholder is a company, by a duly authorized officer or attorney of the company; and
- (ii) delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof, at which the Proxy is to be used, or to the chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof,

or in any other manner provided by law.

Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf. If you are a Non-Registered Shareholder, see “Voting by Non-Registered Shareholders” below for further information on how to vote your Common Shares.

Exercise of Discretion by Proxyholder

If you vote by proxy, the persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (i) each matter or group of matters identified therein for which a choice is not specified;
- (ii) any amendment to or variation of any matter identified therein;
- (iii) any other matter that properly comes before the Meeting; and
- (iv) exercise of discretion of the proxyholder.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter. Management is not currently aware of any other matters that could come before the Meeting.

Voting by Non-Registered Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Non-Registered Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder’s Intermediary or an agent of that Intermediary. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

If you have consented to disclosure of your ownership information, you will receive a request for voting instructions from the Company (through Odyssey). If you have declined to disclose your ownership information, you may receive a request for voting instructions from your Intermediary if they have assumed the cost of delivering the Information Circular and associated Meeting materials. Every Intermediary has its own mailing procedures and provides its own return instructions to clients. However, most Intermediaries now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada.

If you are a Non-Registered Shareholder, you should carefully follow the instructions on the voting instruction form received from Odyssey or Broadridge in order to ensure that your Common Shares are voted at the Meeting. The voting instruction form supplied to you will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf.

The voting instruction form sent by Odyssey or Broadridge will name the same persons as the Company’s proxy to represent you at the Meeting. **Although as a Non-Registered Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your Intermediary, you, or a person designated by you (who need not be a Shareholder), may attend at the Meeting as Proxyholder for your Intermediary and vote your**

Common Shares in that capacity. To exercise this right to attend the Meeting or appoint a Proxyholder of your own choosing, you should insert your own name or the name of the desired representative in the blank space provided in the voting instruction form. Alternatively, you may provide other written instructions requesting that you or your desired representative attend the Meeting as Proxyholder for your Intermediary. The completed voting instruction form or other written instructions must then be returned in accordance with the instructions on the form.

If you receive a voting instruction form from Odyssey or Broadridge, you cannot use it to vote Common Shares directly at the Meeting. The voting instruction form must be completed as described above and returned in accordance with its instructions well in advance of the Meeting in order to have the Common Shares voted.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting other than the election of directors, the appointment of auditors or approval of the Company's stock option plan. For the purpose of this paragraph, "person" shall include each person: (a) who has been a director, senior officer or insider of the Company at any time since the commencement of the Company's last fiscal year; (b) who is a proposed nominee for election as a director of the Company; or (c) who is an associate or affiliate of a person as defined in (a) or (b).

RECORD DATE AND QUORUM

The board of directors (the "**Board**") of the Company has fixed the record date for the Meeting as the close of business on August 25, 2023 (the "**Record Date**"). Shareholders of record as at the Record Date are entitled to receive notice of the Meeting and to vote their Common Shares at the Meeting, except to the extent that any such Shareholder transfers any Common Shares after the Record Date and the transferee of those Common Shares establishes that the transferee owns the Common Shares and demands, not less than ten (10) days before the Meeting, that the transferee's name be included in the list of Shareholders entitled to vote at the Meeting, in which case, only such transferee shall be entitled to vote such Common Shares at the Meeting.

Pursuant to the Company's by-laws, the quorum for the transaction of business at a meeting of Shareholders is two persons present and holding or representing by proxy at least 25% of the shares entitled to vote at the meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

On the Record Date there were 5,214,050 Common Shares issued and outstanding, with each Common Share carrying the right to one vote. Only Shareholders of record at the close of business on the Record Date will be entitled to vote at the Meeting or any adjournment or postponement thereof.

To the knowledge of the directors and executive officers of the Company, as of the date of this Information Circular, the Shareholders who beneficially own, or exercise control or direction, directly or indirectly, Common Shares carrying 10% or more of the votes attached to Common Shares are:

Name	Number of Common Shares Owned, or Controlled or Directed, Directly or Indirectly ⁽¹⁾	Approximate Percentage of Total Outstanding Common Shares
GPO Holdings Corp.	675,000	12.95%
Universal Solutions Inc. ⁽²⁾	625,000	11.99%

Note:

- (1) The above information was derived from the shareholder list maintained by the Company's registrar and transfer agent, or from insider and beneficial ownership reports available at www.sedi.com.
- (2) Universal Solutions Inc. is a private company wholly-owned by Richard Silas.

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Company's directors, the only matters to be placed before the Meeting are those set forth in the accompanying Notice of Meeting and discussed below.

Presentation of Financial Statements

The annual consolidated financial statements of the Company for the financial year ended December 31, 2022, together with the auditors' reports thereon, will be placed before the Meeting. The Company's financial statements are available on the System for Electronic Document Analysis and Retrieval (SEDAR) website at www.sedarplus.ca.

Election of Directors

The Company proposes to fix the number of directors of the Company at three and to nominate the persons listed below for election as directors. Each director will hold office until the next annual general meeting of the Company or until his successor is elected or appointed, unless his office is earlier vacated. Management does not contemplate that any of the nominees will be unable to serve as a director. If, prior to the Meeting, any vacancies occur in the slate of nominees herein listed, it is intended that discretionary authority shall be exercised by the person named in the Proxy as nominee to vote the Common Shares represented by Proxy for the election of any other person or persons as directors.

Majority Voting Requirement

Effective August 31, 2022, the *Canada Business Corporations Act* (the "CBCA") was amended to require majority voting for uncontested director elections. This amendment to the CBCA requires that any nominee for director who receives a greater number of votes "against" than votes "for" his or her election will not be elected as a director. However, if an incumbent director is not elected by a majority of "for" votes at the Meeting, he or she will still be permitted to remain as a director until the earlier of: (a) the 90th day after the day of the election; or (b) the day on which their successor is appointed or elected. This amendment applies only to uncontested elections, which are elections in which the number of nominees for director is equal to the number of positions available on the Board of Directors.

The following table sets out the names of the director nominees; their positions and offices in the Company; principal occupations; the period of time that they have been directors of the Company; and the number of Common Shares that each beneficially owns or over which control or direction is exercised.

No proposed director of the Company has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or has been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

Appointment of Auditor

At the Meeting, Shareholders will be asked to approve the appointment of the auditor of the Company. Management is recommending that Shareholders vote to appoint Davidson & Company LLP as the Company's auditor until the next annual meeting of the Shareholders, and to authorize the directors to fix the remuneration of the auditor.

Approval of Stock Option Plan

At the Meeting, Shareholders will be asked to approve the continuation of the Company's 2022 Stock Option Plan (the "**Stock Option Plan**"). The purpose of the Stock Option Plan is to provide an incentive to directors, employees and consultants of the Company or its subsidiary to acquire a proprietary interest in the Company, to continue their participation in the affairs of the Company and to increase their efforts on behalf of the Company. The Stock Option Plan was amended in order to facilitate compliance with recent amendments to TSX Venture Exchange (the "**Exchange**") Corporate Finance Policy 4.4 – *Security Based Compensation*.

The following summary of the material terms of the Stock Option Plan does not purport to be complete and is qualified in its entirety by reference to the Stock Option Plan. Shareholders may obtain a copy of the Stock Option Plan from the Company prior to the Meeting on written request.

Eligible Participants. Options may be granted under the Stock Option Plan to directors and senior officers of the Company or its subsidiaries, management company employees (collectively, the "**Directors**"), employees of the Company or its subsidiaries (collectively, the "**Employees**") or consultants of the Company or its subsidiaries (collectively, the "**Consultants**"). The Board, in its discretion, determines which of the Directors, Employees or Consultants will be awarded Options under the Stock Option Plan.

Number of Shares Reserved. The number of Common Shares which may be issued pursuant to options granted under the Stock Option Plan may not exceed 10% of the issued and outstanding Common Shares at the date of granting of Options. Options that are exercised, cancelled or expire prior to exercise continue to be issuable under the Stock Option Plan.

Limitations. Under the Stock Option Plan, the aggregate number of options granted to any one person (including companies wholly-owned by that person) in a 12-month period must not exceed 5% of the issued and outstanding Common Shares of the Company when combined with security based compensation grants to such person under any other security based compensation plan of the Company, calculated on the date the Option is granted. The aggregate number of Options granted to any one Consultant in a 12-month period must not exceed 2% of the issued and outstanding Common Shares of the Company when combined with security based compensation grants to such Consultant under any other security based compensation plan of the Company, calculated at the date the option is granted. The aggregate number of Options granted to all persons retained to provide investor relations services to the Company (including Consultants and Employees or Directors whose role and duties primarily consist of providing investor relations services) must not exceed 2% of the issued and outstanding Common Shares of the Company in any 12 month period, calculated at the date an Option is granted to any such person. Disinterested shareholder approval will be required for any grant of options which will result in the number of options granted to Insiders (as defined in the *Securities Act* (British Columbia)) as a group at any point in time or within a 12 month period exceeding 10% of the issued and outstanding Common Shares of the Company when combined with security based compensation grants to Insiders under any other security based compensation plan of the Company.

Exercise Price. The exercise price of Options granted under the Stock Option Plan is determined by the Board, provided that it is not less than the discounted market price, as that term is defined in the Exchange's Corporate Finance policy manual or such other minimum price as is permitted by the Exchange in accordance with the policies in effect at the time of the grant, or, if the Common Shares are no longer listed on the Exchange, then such other exchange or quotation system on which the Common Shares are listed or quoted for trading. The exercise price of Options granted to Insiders may not be decreased

without disinterested Shareholder approval at the time of the proposed amendment.

Term of Options. Subject to the termination and change of control provisions noted below, the term of any options granted under the Stock Option Plan is determined by the Board and may not exceed ten (10) years from the date of grant. Disinterested Shareholder approval will be required for any extension to stock options granted to individuals that are Insiders at the time of the proposed amendment.

Vesting. All Options granted pursuant to the Stock Option Plan will be subject to such vesting requirements as may be prescribed by the Exchange, if applicable, or as may be imposed by the Board. Options issued to persons retained to provide investor relations activities must vest in stages over 12 months with no more than one-quarter of the options vesting in any three-month period.

Dividend entitlement. The Stock Option Plan does not include any dividend entitlement to participants. If participants were entitled to receive options in lieu of dividends declared by the Company, and if the Company did not have sufficient unallocated options available to satisfy the obligation, then the Company may settle those entitlements with cash.

Termination. Any Options granted pursuant to the Stock Option Plan will terminate upon the earliest of:

- (a) the end of the term of the option;
- (b) on the date the holder ceases to be eligible to hold the option (the “**Cessation Date**”), if the Cessation Date is as a result of dismissal for cause;
- (c) one year from the date of death or disability, if the Cessation Date is as a result of death or disability;
- (d) 90 days from the Cessation Date, if the Cessation Date is as a result of a reason other than death, disability or cause; or
- (e) on such other date as fixed by the Board, provided that the date is no more than one year from the Cessation Date, if the Cessation Date is as a result of a reason other than death, disability or cause.

Adjustments. Any adjustment to Options granted or issued (except in relation to a consolidation or share split) will be subject to the prior acceptance of the Exchange.

Disinterested Shareholder approval will be sought in respect of any material amendment to the Stock Option Plan.

At the Meeting, Shareholders will be asked to approve, with or without variation, the following ordinary resolution:

“**BE IT RESOLVED** that:

1. the Company’s 2022 Stock Option Plan (the “**Plan**”) is hereby continued, confirmed and approved, and that in connection therewith a maximum of 10% of the Company’s issued and outstanding common shares at the time of each grant be approved for granting as options;

Shareholders may obtain copies of the Stock Option Plan from the Company prior to the Meeting on written request.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation Discussion and Analysis

During the year ended December 31, 2022, the Company's Compensation, Nominating and Governance Committee (the "**Compensation, Nominating and Governance Committee**") comprised of two directors, Frank Mermoud (Chair) and Timothy Marchant.

One of the mandates of the Compensation, Nominating and Governance Committee is to assist the Board in the review and approval of compensation matters. The Compensation, Nominating and Governance Committee makes specific recommendations regarding compensation of the Company's directors and the CEO and CFO ("**Executive Officers**").

Objectives of the Compensation Program

The Company's compensation program has been designed to attract, retain and inspire highly qualified and motivated individuals, and to provide fair and competitive compensation in accordance with industry standards and with the individual's expertise and experience.

Overview of the Compensation Philosophy

The following principles guide the Company's overall compensation philosophy with respect to its Executive Officers:

- (a) compensation is determined on an individual basis by the need to attract and retain talented, high-achievers;
- (b) calculating total compensation is set with reference to the market for similar jobs in similar locations;
- (c) an appropriate portion of total compensation is variable and linked to achievements, both individual and corporate;
- (d) internal equity is maintained such that individuals in similar jobs and locations are treated fairly; and
- (e) the Company supports reasonable expenses in order that employees continuously maintain and enhance their skills.

The Board is given discretion to determine and adjust, year to year, the relative weighting of each form of compensation discussed above in a manner which best measures the success of the Company and its Executive Officers.

Compensation of all Executive Officers is based primarily on corporate performance, which includes achievement of the Company's strategic objective of growth and the enhancement of Shareholder value.

The Compensation Review Process

The form and amount of compensation payable to Executive Officers and directors is evaluated by the Compensation, Nominating and Governance Committee and is guided by the following goals:

- (a) compensation should be commensurate with the time spent by the executive officers and directors in meeting their obligations and reflective of the compensation paid by companies similar in size and business to the Company;
- (b) the Company's compensation program should fairly compensate and motivate the executive officers and directors; and
- (c) the structure of the compensation should be simple, transparent and easy for Shareholders to understand.

To determine compensation payable, the Compensation, Nominating and Governance Committee reviews compensation paid to executive officers and directors of companies of similar business, size and stage of development and determines an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the executive officers and directors while taking into account the financial and other resources of the Company.

Base Salary

Salaries form the primary component of the Company's compensation program for its Executive Officers. Salary levels are determined with reference to market comparables for similar positions, as well as the performance of the executive, the individual experience and skills of, and expected contribution from, each executive, the roles and responsibilities of the executive and the financial resources of the Company.

Bonus Plan

For the year ended December 31, 2022, the Compensation, Nominating and Governance Committee agreed to award bonuses at the discretion of the Committee and the Board. A bonus plan was established in 2021 to incentivize and retain key executives and tied to the successful divestiture of the Company's assets in Ukraine.

Stock Option Plan

The Company has in effect a Stock Option Plan in order to provide effective incentives to directors, officers, senior management personnel, employees and consultants of the Company and to enable the Company to attract and retain experienced and qualified individuals in those positions by permitting such individuals to directly participate in an increase in per share value created for the Company's Shareholders. The Company currently has no equity compensation plans other than the Stock Option Plan (discussed above). The Stock Option Plan is an important part of the Company's long-term incentive strategy for its executive officers, permitting them to participate in any appreciation of the market value of the common shares over a stated period of time. The Stock Option Plan is intended to reinforce commitment to long-term growth in profitability and shareholder value. The size of stock option grants to officers is dependent on each officer's level of responsibility, authority and importance to the Company and the degree to which such executive officer's long-term contribution to the Company will be key to its long-term success. Previous grants of stock options are taken into account when considering new grants.

Other Compensation Matters

Other than as specifically set forth above, the Company, at present, does not propose to pay any other long-term incentive awards to its executive officers. The Company at present does not propose to establish any supplemental executive retirement plans, pension plans or disability benefits for the directors or the executive officers.

Director Compensation

During the year ended December 31, 2022, the Board was comprised of four directors. Effective July 1, 2021, the Directors' compensation was set to an annual retainer of CAD\$50,000 for independent directors and CAD\$60,000 fee for the chairman. From time to time, the Board, in its discretion, may also compensate directors with fees for their services on Board projects or special Committees of the Board. Board members are also eligible to participate in the Stock Option Plan and any other long-term compensation plans adopted by the Company from time to time. The Company will reimburse directors for all reasonable expenses incurred in order to attend meetings.

The Company maintained a director and officer liability insurance policy pursuant to which directors and officers are insured for liabilities which may arise from the conduct of their activities on behalf of the Company. The Company is considering renewing this policy in 2023.

Pension Plan Benefits

The Company does not have in place any pension plans that provide for payments or benefits at, following, or in connection with retirement.

STATEMENT OF CORPORATE GOVERNANCE

Corporate Governance

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and charged with the day-to-day management of the Company. The Canadian Securities Administrators ("CSA") has adopted National Policy 58-201 *Corporate Governance Guidelines*, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, the CSA have implemented National Instrument 58-101 *Disclosure of Corporate Governance Practices*, which prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The composition of the Board currently consists of three members: Glenn Kumoi, Richard Silas, and Kenneth Taylor. It is proposed that all three individuals be nominated for election at the Meeting.

Of the proposed nominees, one director, Glenn Kumoi, CEO and CFO of the Company, is not considered to be independent for purposes of membership on the Board. For this purpose, a director is independent if he has no direct or indirect “material relationship” with the Company. A “material relationship” is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of the director’s independent judgment.

Other Directorships

The following table sets forth the directors of the Company who are directors of other reporting issuers as of the date hereof:

<i>Name</i>	<i>Name of other reporting issuer</i>
Glenn Kumoi	None
Richard Silas	Guanajuato Silver Company Ltd. LDB Capital Corp Northern Lion Gold Corp. Sanibel Ventures Corp.
Kenneth Taylor	None

Orientation and Continuing Education

The Board has established the Compensation, Nominating and Governance Committee. The Compensation, Nominating and Governance Committee, with the assistance of the management of the Company, is responsible for providing orientation to new directors. Director orientation and ongoing training includes presentations by senior management to familiarize directors with the Company’s strategic plans, its significant financial, accounting and risk management issues, its compliance programs, its principal officers and its independent auditors.

Ethical Business Conduct

In 2013, the Company implemented a Code of Business Conduct and Ethics Policy, as well as a Business Integrity Policy, including anti-retaliation provisions for whistleblowers. These policies provide guidance on the conduct of the Company’s business in accordance with high ethical standards and help mitigate the risks posed by exposure to foreign corrupt practices. Directors, officers, employees and consultants are asked annually to certify their review of, and compliance with, the policies. Also, these policies are posted on the Company’s website (in both English and Ukrainian languages). Currently, the management and staff of the Company have extensive experience with global operations and are aware of the requirements of the foreign corrupt practices regulations and how to operate within those regulations in laws in the jurisdictions relevant to the operations of the Company.

Additionally, the skill and knowledge of Board members and advice from counsel ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Directors and officers are required to disclose dealings in any of the geographic areas in which the Company operates. They are also subject to the general obligation under corporate law to disclose and not vote on any material contract or transaction with the Company in which the director or officer has an interest.

Nomination of Directors

When a Board vacancy occurs or is contemplated, any director or officer may make recommendations to the Compensation, Nominating and Governance Committee as to qualified individuals for nomination to the Board.

In identifying new candidates, the Compensation, Nominating and Governance Committee will take into account the mix of director qualifications and experiences, perspectives and skills appropriate for the Company at that time.

Compensation

The Compensation, Nominating and Governance Committee receives recommendations from the management of the Company and reviews and makes recommendations to the Board regarding directors' fees and the granting of stock options or RSUs to directors of the Company. Directors may be compensated in cash and/or equity for their expert advice and contribution towards the success of the Company. For further discussion on the director compensation review process.

Board Committees

The Board has no committees other than the Audit Committee and the Compensation, Nominating and Governance Committee.

Assessments

The Compensation, Nominating and Governance Committee is responsible for evaluating the effectiveness of the Board, committees of the Board and individual directors based on their individual competencies, skills, personal qualities and contributions made to the Board. The Compensation, Nominating and Governance Committee, with the participation of senior management of the Company, may recommend changes to enhance Board performance in light of the Company's circumstances, business strategies and applicable regulatory requirements.
