1.2 State the name of the market in which the transaction or other occurrence that triggered the requirement to file this report took place.

Each Unit is comprised of one common share of the Issuer and one-half of one common share purchase warrant. Each whole warrant is exercisable into one common share of the Issuer at an exercise price of \$0.18 per share for a period of 12 months from the date of issuance.

2.3 State the names of any joint actors.

Item 3 – Interest in Securities of the Reporting Issuer

Describe the material terms of any agreements, arrangements, commitments or understandings between the acquirer and a joint actor and among those persons and any person with respect to securities of the class of securities to which this report relates, including but not limited to the transfer or the voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
