

Elemental Royalties and Altus Strategies Complete Combination to Create a New Global Gold Royalty Champion

Vancouver, British Columbia--(Newsfile Corp. - August 16, 2022) - Elemental Royalties Corp. (TSXV: ELE) (OTCQX: ELEM) ("**Elemental**" or "the **Company**") is pleased to announce the completion of the previously announced share-for-share merger of equals (the "**Merger**") with Altus Strategies plc (AIM: ALS) (TSXV: ALTS) (OTCQX: ALTUF) ("**Altus**") to create a global gold royalty champion.

The Merger has created a diversified and scalable royalty company well positioned to acquire further high-quality, producing royalty and streaming assets and to serve as a platform for further consolidation in the royalty sector.

Elemental intends to change its name to 'Elemental Altus Royalties Corp.' and its trading symbol on the TSX-V will remain as ELE. On the OTCQX, the ticker remains ELEM.

Following the closing of the Merger, the combined company's board comprises the following eight directors: Steven Poulton (Executive Chairman), Frederick Bell (CEO), John Robins, Karim Nasr, Peter Williams, Martin Turenne, David Netherway, and Robert Milroy.

Frederick Bell, CEO of the combined company, commented: "A key driver for this Merger was the complementary management skills and strategies of both companies. We will continue our focus of acquiring accretive, uncapped precious metals royalties with a combination of near-term revenue and long-life production. We would also like to express our gratitude to Simon Collins for his support and contribution as a director of Elemental and in the lead-up to the Merger."

Steven Poulton, Executive Chair of the combined company, added: "Our increased scale will enhance our access to the highest-quality royalty arrangements and will provide a solid negotiating position to reduce our cost of capital. As we succeed, we will target medium-term capital distributions and further consolidation within the royalty industry."

Transaction Information

The Merger was completed by way of a court-sanctioned scheme of arrangement (the "**Scheme**") under the laws of the United Kingdom and was subject to approval by shareholders of Altus. The transaction was approved by Altus shareholders at two special shareholder meetings held on August 8, 2022 and the issuance of Elemental common shares under the terms of the Merger was approved by Elemental shareholders at Elemental's annual general and special meeting held on August 8, 2022. On August 12, 2022, the United Kingdom High Court of Justice approved the Scheme under section 899 of the Companies Act 2006 pursuant to which the Merger is being implemented.

Under the Merger terms, Elemental acquired all issued and to be issued share capital of Altus, with each Altus share exchanged for 0.594 Elemental shares (the "**Exchange Ratio**"). The Exchange Ratio was agreed between the boards of Elemental and Altus taking into account the market capitalizations and relative net asset values of both companies.

The Company intends to publish consolidated 2022 guidance in the coming weeks.

Elemental will also apply to have Altus cease to be a reporting issuer in all applicable Canadian jurisdictions.

Early Warning Reporting

By virtue of its acquisition of all of the issued and outstanding Altus' ordinary shares under the Merger, Elemental is required to file an early warning report pursuant to National Instrument 62-103 - *The Early Warning System and Related Take-Over Bid and Insider Reporting Issues*. A copy of the early warning report will be filed on Altus' SEDAR profile at www.sedar.com.
