 - (iii) at the Time of Closing, an updated Comfort Letter dated as of the Closing Date;
 - (iv) at the Time of Closing, such legal opinions (the “**Legal Opinions**”) of the Company’s various legal counsel, addressed to the Agent and its legal counsel and dated as of the Closing Date in form and content acceptable to the Agent, acting reasonably, relating to the Company, the Prospectuses, the trade and distribution of the Shares, the Compensation Options and the Compensation Shares, without restriction, and to such other matters as the Agent may reasonably require;
 - (v) at the Time of Closing, a certificate of an officer (the “**Officer’s Certificate**”) of the Company, addressed to the Agent and its legal counsel and dated as of the Closing Date in form and content acceptable to the Agent, acting reasonably, relating to the content of the Prospectuses, the Final Listing Application, and to the issuance of the Shares, the Compensation Options and the Compensation Shares and to such other matters as the Agent may reasonably require; and
 - (vi) at the time of execution of the Final Prospectus and at the Time of Closing, such other materials (the “**Closing Materials**”) as the Agent may reasonably require and as are customary in a transaction of this nature, and the Closing Materials will be addressed to the Agent and to such parties as may be reasonably directed by the Agent and will be dated as of the date of execution of the Final Prospectus and the Closing Date, respectively, or such other date as the Agent may reasonably require;
- (c) ensure that its senior officers are available to participate in the marketing of the Offering, including attendance at road-shows, investor meetings and assisting in the preparation of marketing material;
 - (d) not issue or enter into any agreements to issue any common shares of the Company or securities, convertible or exchangeable into common shares of the Company without the consent of the Agent, such consent not to be unreasonably

withheld, other than in connection with the Offering, for purposes of stock option grants or to satisfy the terms of existing instruments already issued, until 90 days after the Closing Date; and

- (e) from and including the date of this Agreement through to and including the Time of Closing, do all such acts and things necessary to ensure that all of the representations and warranties of the Company contained in this Agreement or any certificates or documents delivered by it pursuant to this Agreement remain materially true and correct and not do any such act or thing that would render any representation or warranty of the Company contained in this Agreement or any certificates or documents delivered by it pursuant to this Agreement materially untrue or incorrect.

5.2 The Agent covenants and agrees with the Company that it will:

- (a) upon being satisfied, acting reasonably, that the Final Prospectus and any amendments thereto is in a form satisfactory for filing with the Commissions, execute the Final Prospectus and any amendments thereto, as the case may be, presented to the Agent for execution, and the Agent will use its reasonable best efforts to assist the Company in obtaining the requisite approvals of the Regulatory Authorities in connection with the preparation and filing of such documents;
- (b) conduct the Offering and perform all of its obligations hereunder in accordance with Applicable Securities Laws;
- (c) not, directly or indirectly, solicit offers to purchase or sell the Shares or deliver any materials or documents so as to require registration of the Shares or filing of a prospectus or registration statement with respect to the Shares under the laws of any jurisdiction other than the Selling Jurisdictions;
- (d) deliver to each Purchaser a copy of the Prospectuses in compliance with Applicable Securities Laws;
- (e) use its reasonable commercial efforts to complete the distribution of the Shares as soon as practicable after the issuance of the Final Receipt;
- (f) prior to the Time of Closing, provide to the Company and to the Exchange a list of the Purchasers which list shall include the addresses of the Purchasers and the number of Shares purchased by each of them; and
- (g) following the Closing Date, give prompt written notice to the Company when, in the Agent's opinion, the distribution of the Shares has been completed.

6. COVENANTS REGARDING FLOW-THROUGH MATTERS

6.1 The Company hereby covenants with the Agent and the Flow Through Purchasers of the Flow Through Common Shares that:

- (a) The Company is and will continue to be a “principal-business corporation” as defined in subsection 66(15) of the Tax Act, until such time as all of the Resource Expenses required to be renounced under the Subscription and Renunciation Agreement have been incurred and validly renounced pursuant to the Tax Act;
- (b) The Company will use the gross proceeds from the sale of the Flow Through Common Shares to incur (or be deemed to incur) Resource Expenses on the Property located in British Columbia;
- (c) The expenses to be renounced by the Company to the Flow Through Purchasers:
 - (i) will constitute Resource Expenses on the effective date of the renunciation; (ii) will not include expenses that are (A) “Canadian exploration and development overhead expenses” (as defined in the regulations to the Tax Act for purposes of paragraph 66(12.6)(b) of the Tax Act) of the Company, (B) amounts which constitute specified expenses for seismic data described in paragraph 66(12.6)(b.1) of the Tax Act, or (C) any expenses for prepaid services or rent that do not qualify as outlays and expenses for the period as described in the definition of “expense” in subsection 66(15) of the Tax Act; (iii) will not include any amount that has previously been renounced by the Company to the Flow Through Purchasers or to any other person; (iv) would be deductible by the Company in computing its income for the purposes of Part I of the Tax Act but for the renunciation to the Flow Through Purchasers; and (v) will not be subject to any reduction under subsection 66(12.73) of the Tax Act;
- (d) The Company will ensure that all Resource Expenses renounced to Flow Through Purchasers will qualify as Flow-Through Mining Expenditures and will ensure that all Prescribed Forms properly reflect such Flow-Through Mining Expenditures;
- (e) The Company will not reduce the amount renounced to the Flow Through Purchasers pursuant to subsection 66(12.6) of the Tax Act;
- (f) The Company will not be subject to the provisions of subsection 66(12.67) or 66(12.73) of the Tax Act in a manner which impairs its ability to renounce Resource Expenses to the Flow Through Purchasers in an amount equal to the Commitment Amount;
- (g) If the Company receives, or becomes entitled to receive, any assistance which is described in the definition of “excluded obligation” in subsection 6202.1(5) of the regulations made under the Tax Act and the receipt of or entitlement to receive such assistance has or will have the effect of reducing the amount of CEE validly renounced to the Flow Through Purchasers hereunder to less than the Commitment Amount, the Company will incur additional CEE so that it may

renounce Resource Expenses in an amount not less than the Commitment Amount;

- (h) If the Company does not renounce Resource Expenses to the Flow Through Purchasers equal to the Commitment Amount in accordance with the Tax Act, the Company shall indemnify and hold harmless the Flow Through Purchasers and each of the partners thereof if the Flow Through Purchaser is a partnership or a limited partnership (for the purposes of this paragraph each an “**Indemnified Person**”) as to, and pay in settlement thereof to the Indemnified Person on or before the 20th business day following the date the amount is determined, an amount equal to the amount of any tax payable under the Tax Act or the laws of a province (for purposes of subparagraph (c)(i) of the definition “excluded obligation” in subsection 6202.1(5) of the regulations to the Tax Act) by any Indemnified Person as a consequence of such failure. In the event that the amount renounced by the Company to the Flow Through Purchaser is reduced pursuant to subsection 66(12.73) of the Tax Act, the Company shall indemnify and hold harmless each Indemnified Person as to, and pay to the Indemnified Person, an amount equal to the amount of any tax payable under the Tax Act or the laws of a province (within the meaning of subparagraph (c)(ii) of the definition of “excluded obligation” at subsection 6202.1(5) of the regulations to the Tax Act) by the Indemnified Person as a consequence of such reduction. For certainty, the foregoing indemnity shall have no force or effect to the extent that such indemnity would otherwise cause the Shares to be “prescribed shares” within the meaning of Section 6202.1 of the regulations to the Tax Act;
- (i) The Company shall file with the CRA within the time prescribed by subsection 66(12.68) of the Tax Act, the forms prescribed for the purposes of that subsection together with a copy of the Subscription and Renunciation Agreement or any “selling instrument” contemplated by that subsection and shall forthwith following such filing provide to the Flow Through Purchaser a copy of such form certified by an officer of the Company;
- (j) The Company shall incur and renounce Resource Expenses pursuant to the Subscription and Renunciation Agreement and all other agreements with other persons providing for the issue of Shares entered into by the Company on the Closing Date (collectively the “**Other Agreements**”) before incurring and renouncing Resource Expenses pursuant to any other agreement which the Company will enter into with any person with respect to the issue of Common shares which are flow-through Common shares after the Closing Date. If the Company is required under the Tax Act or otherwise to reduce Resource Expenses previously renounced to the Flow Through Purchasers, the reduction shall be made pro rata by the number of Shares issued or to be issued pursuant to the Subscription and Renunciation Agreement and the Other Agreements only after it has first reduced to the extent possible all Resource Expenses renounced to persons (other than the Flow Through Purchasers and the purchasers under the Other Agreements) under any agreements relating to Common shares which are flow through Common shares entered into after the Closing Date;

- (k) The Company will maintain proper, complete and accurate accounting books and records relating to the Resource Expenses. The Company will retain all such books and records as may be required to support the renunciation of Resource Expenses contemplated by the Subscription and Renunciation Agreement;
- (l) The Company shall not enter into any other agreement which would prevent or restrict its ability to renounce Resource Expenses to the Flow Through Purchasers in the amount of the Commitment Amount.
- (m) The Company shall perform and carry out all acts and things to be completed by it as provided in the Subscription and Renunciation Agreement; and
- (n) If the Company amalgamates with any one or more companies, any shares issued to or held by the Flow Through Purchaser as a replacement for the Flow Through Common Shares as a result of such amalgamation will qualify, by virtue of subsection 87(4.4) of the Tax Act, as “flow-through shares” and in particular will not be “prescribed shares” as defined in Section 6202.1 of the regulations to the Tax Act.

7. CONDITIONS PRECEDENT

7.1 The following are conditions to the obligations of the Agent to complete the transactions contemplated in this Agreement:

- (a) all actions required to be taken by or on behalf of the Company, including the passing of all requisite resolutions of directors and shareholders of the Company, will have been taken so as to approve the Prospectuses and Listing Applications and to validly distribute the Shares, the Compensation Options and the Compensation Shares and to such other matters as the Agent may reasonably require;
- (b) the Company will have made all filings with and obtained all receipts, approvals, consents and acceptances of the Regulatory Authorities for the Prospectuses and Listing Applications necessary to permit the Company to complete its obligations hereunder;
- (c) the Shares (including the Compensation Shares) will have been conditionally listed for trading on the Exchange;
- (d) the Company will have, within the required time, delivered the required Comfort Letters, Legal Opinions, Officer’s Certificates and other Closing Materials as the Agent may reasonably require;
- (e) no order ceasing or suspending trading in any securities of the Company, or ceasing or suspending trading by the directors, officers or promoters of the Company, or any one of them, or prohibiting the trade or distribution of any of

the securities referred to herein will have been issued and no proceedings for such purpose, to the knowledge of the Company, will be pending or threatened;

- (f) no adverse Material Change will have occurred in the business of the Company prior to the Closing Date;
- (g) the Company will have, at the Time of Closing, complied with all of its covenants and obligations to be complied with prior to the Time of Closing contained in this Agreement; and
- (h) the representations and warranties of the Company contained in this Agreement will be materially true and correct as of the Time of Closing as if such representations and warranties had been made as of the Time of Closing.

8. CLOSING

8.1 The closing (“**Closing**”) of the transactions contemplated under this Agreement will be completed at the offices of the Company’s counsel on such date (the “**Closing Date**”) as may be agreed by the Company and the Agent in consultation with the Exchange, provided such date will be no later than:

- (a) 90 days after the date of the Final Receipt; and
- (b) unless a further amendment to the Final Prospectus is filed and a receipt is issued for the further amendment, if an amendment is filed and the Commissions have issued a receipt for the amendment in accordance with Multilateral Instrument 11-102 *Passport System* and National Policy 11-202 *Process for Prospectus Reviews in Multiple Jurisdictions*, 90 days after the date of the receipt for the amendment,

subject to a maximum of 180 days from the date of the Final Receipt, and provided, however, that if the Company has not been able to comply with any of the covenants or conditions set out herein required to be complied with by the Closing Date or such other date and time as may be mutually agreed to, the respective obligations of the parties will terminate without further liability or obligation except for obligations of the Company with respect to the payment of Expenses and indemnity and contribution provided for in this Agreement.

8.2 At the Closing, the Agent will deliver or cause to be delivered to the Company, one or more certified cheques or bank drafts made payable on the Closing Date to the Company in a total amount equal to the Net Proceeds of the Offering, subject to any written direction given by the Company to the Agent and accepted by the Agent.

8.3 At the Closing, upon payment of the Net Proceeds to the Company, the Company will deliver or cause to be delivered to the Agent, the following:

- (a) certificates in definitive form (or confirmation of issuance on a non-certificated basis) representing the Shares registered in the name of CDS or in such other name or names as the Agent may notify the Company in writing not less than 48 hours prior to the Time of Closing;
- (b) the requisite Comfort Letters, Legal Opinions, Officers' Certificates and other Closing Materials provided for in this Agreement; and
- (c) a certificate or certificates representing the Compensation Options registered in the name of the Agent or in such name or names as directed by the Agent.

9. AGENT'S COMMISSION AND FEES

9.1 Upon Closing, the Company will pay the Agent:

- (a) a cash commission (the "**Agent's Fee**") equal to 7% of the gross proceeds realized from the Shares sold pursuant to the Offering; and
- (b) a non-refundable work fee (the "**Work Fee**") of \$25,000 plus applicable taxes (which fee the Agent acknowledges has been paid as to the amount of \$10,000).

9.2 As further consideration for the Agent assisting the Company in connection with the Offering, the Company will issue to the Agent (or to members of the Selling Group in such amounts as the Agent directs) Compensation Options entitling the Agent to acquire such number of Compensation Shares as is equal to 7% of the number of Shares sold pursuant to the Offering at a price of \$0.15 per Compensation Option for a period of 24 months following the Closing. The terms governing the Compensation Options will be set out in the certificates representing the Compensation Options, the form of which will be subject to the approval of the Company and the Agent, acting reasonably, and will include provisions for the appropriate adjustment in the class, number and price of shares issuable upon exercise of the Compensation Options upon the occurrence of certain events, including any subdivision, consolidation or reclassification of the shares, payment of stock dividends or amalgamation of the Company.

9.3 The issue of the Compensation Options will not restrict or prevent the Company from obtaining any other financing, nor from issuing additional securities or rights during the period within which the Compensation Options are exercisable.

9.4 To the extent permitted by the Regulatory Authorities, the Compensation Options will be qualified by the Prospectus.

9.5 The Agent hereby represents and warrants that (i) it is not a U.S. Person, (ii) it was not offered the Compensation Options within the United States, (iii) it did not execute this Agreement or otherwise place its order to acquire the Compensation Options from within the United States and (iv) the Compensation Options may not be exercised in the United States or by or on behalf of a U.S. Person, except in transactions

exempt from the registration requirements of the U.S. Securities Act and applicable Securities Laws. The Company represents and warrants that the offer and sale of the Compensation Options has been and will be made in an “offshore transaction” within the meaning of Regulation S, and otherwise in compliance with Rule 903 of Regulation S.

10. AGENT’S EXPENSES

10.1 The Agent acknowledges receipt from the Company of a \$10,000 deposit which the Agent shall apply toward the expenses (the “**Expenses**”) reasonably incurred by the Agent in connection with the transactions contemplated herein including, without limitation, the reasonable fees of the Agent’s legal counsel plus reasonable disbursements and all applicable taxes (including expenses relating to searches conducted on behalf of the Agent), which deposit will be held as a security deposit by the Agent until the completion or the abandonment of the Offering, at which time the Agent will refund any balance of such deposit not utilized to pay the Expenses to such date. The Expenses will be paid by the Company even if the transactions contemplated herein are not completed or this Agreement is terminated, unless the failure of completion or the termination is the result of the breach of this Agreement by the Agent.

10.2 If the Agent determines in its sole judgement that particular experience or technical expertise is necessary for the Agent to carry out its obligations under this Agreement, then the Agent may engage third party experts, at the Company’s expense, to prepare assessment or technical reports relating to the Company and its business.

10.3 The Agent may, from time to time, render, or cause to be rendered, to the Company, accounts for its Expenses and the Company will pay those accounts promptly.

11. INDEMNITY

11.1 The Company or its affiliated companies, as the case may be, (collectively, the “**Indemnitor**”) hereby agree to indemnify and hold the Agent and each of its subsidiaries and affiliates, and each of its directors, officers, employees and agents (hereinafter referred to as the “**Personnel**”) harmless from and against any and all reasonable expenses, losses (other than loss of profits), fees, claims, actions (including shareholder actions, derivative actions or otherwise), damages, obligations, or liabilities, whether joint or several, and the reasonable fees and expenses of their counsel, that may be incurred in advising with respect to and/or defending any actual or threatened claims, actions, suits, investigations or proceedings to which the Agent and/or its Personnel (collectively, the “**Indemnified Parties**” and, individually, an “**Indemnified Party**”) may become subject or otherwise involved in any capacity under any statute or common law, or otherwise insofar as such reasonable expenses (including, subject to Section 11.7, reasonable legal expenses), losses, claims, damages, liabilities or actions arise out of or are based, directly or indirectly, upon the

performance or professional services rendered to the Indemnitor by the Agent and its Personnel hereunder (including the aggregate amount paid in reasonable settlement of any such actions, suits, investigations, proceedings or claims that may be made against the Agent and/or its Personnel, provided that the Indemnitor has agreed to such settlement) (“**Claims**”), provided, however, that this indemnity shall not apply to the extent that a court of competent jurisdiction in a final judgment that has become non-appealable shall determine that:

- (a) the Agent and/or its Personnel has breached this Agreement, has been negligent or has committed wilful misconduct or any fraudulent act in the course of such performance; and
- (b) the expenses, losses, claims, damages or liabilities, as to which indemnification is claimed, were caused by the breach, negligence, wilful misconduct or fraud referred to in (a).

11.2 In the event and to the extent that a court of competent jurisdiction in a final judgement that has become non-appealable determines that an Indemnified Party was negligent, fraudulent or guilty of wilful misconduct in connection with a Claim in respect of which the Indemnitor has advanced funds to the Indemnified Party pursuant to the indemnity hereunder, such Indemnified Party will reimburse such funds to the Indemnitor and thereafter such indemnity will not apply to such Indemnified Party in respect of such Claim. The Indemnitor agrees to waive any right the Indemnitor might have of first requiring the Indemnified Party to proceed against or enforce any other right, power, remedy or security or claim payment from any other person before claiming under this indemnity.

11.3 Without limiting the generality of the foregoing, this indemnity shall apply to all Claims that the Agent may reasonably incur as a result of any action or litigation that may be threatened or brought against the Agent and/or its Personnel insofar as the Claims relate to, are caused by, result from, arise out of or are based upon, directly or indirectly, the performance or professional services rendered to the Indemnitor by the Agent and its Personnel hereunder.

11.4 If for any reason (other than the occurrence of any of the events itemized in 11.1(a) and 11.1(b) above), the foregoing indemnification is unavailable to the Agent or any Personnel or is insufficient to hold the Agent or any Personnel harmless as a result of such expense, loss, claim, damage or liability, the Indemnitor, the Agent and such Personnel will contribute to such expense, loss, claim, damage or liability in such proportion as is appropriate to reflect not only the relative benefits received by the Indemnitor on the one hand and the Agent or any Personnel on the other hand but also the relative fault of the Indemnitor and the Agent or any Personnel, as well as any relevant equitable considerations; provided that, the Indemnitor shall in any event contribute to the amount paid or payable by the Agent or any Personnel as a result of such expense, loss, claim, damage or liability and any excess of such amount over the amount of the fees received by the Agent hereunder.

11.5 The Indemnitor agrees that in case any legal proceeding shall be brought against the Indemnitor, an Agent and/or any of its Personnel by any governmental commission or regulatory authority or any stock exchange or other entity having regulatory authority, either domestic or foreign, or any such entity shall investigate the Indemnitor, the Agent and/or any of its Personnel shall be required to testify in connection therewith or shall be required to respond to procedures designed to discover information regarding, in connection with, or by reason of the performance of professional services rendered to the Indemnitor, the Agent shall have the right to employ, at its own expense, its own counsel in connection therewith provided that the Agent acts reasonably in selecting such counsel, and the reasonable fees and expenses of such counsel as well as the reasonable costs (including an amount to reimburse the Agent for time spent by its Personnel in connection therewith at industry standard per diem rates) and out-of-pocket expenses incurred by its Personnel in connection therewith shall be paid by the Indemnitor as they occur.

11.6 Promptly after receipt of notice of the commencement of any legal proceeding against an Indemnified Party or after receipt of notice of the commencement or any investigation, which is based, directly or indirectly, upon any matter in respect of which indemnification may be sought from the Indemnitor pursuant to this Agreement, the Agent will notify the Indemnitor in writing of the commencement thereof, and throughout the course thereof, will provide copies of all relevant documentation to the Indemnitor, will keep the Indemnitor advised of the progress thereof and will discuss with the Indemnitor all significant actions proposed. However, the failure by the Agent to notify the Indemnitor will not relieve the Indemnitor of its obligations to indemnify the Agent and/or any such Personnel unless (and only to the extent that) such failure results in forfeiture by the Company of substantive rights or defences.

11.7 No admission of liability and no settlement, compromise or termination of any Claim will be made without the Indemnitor's consent and the consent of the Indemnified Parties affected, such consents not to be unreasonably withheld; provided, however, that no consent of an Indemnified Party will be required if the Indemnitor has acknowledged in writing that the Indemnified Parties are entitled to be indemnified in respect of such Claim and such settlement, compromise or termination includes an unconditional release of each Indemnified Party from any liability arising out of such Claim without any admission of negligence, misconduct, liability or responsibility by or on behalf of any Indemnified Party. Notwithstanding that the Indemnitor will undertake the investigation and defence of any Claim, an Indemnified Party will have the right to employ separate counsel with respect to any Claim and participate in the defence thereof, but the fees and expenses of such counsel will be at the expense of the Indemnified Party unless:

- (a) employment of such counsel has been authorized in writing by the Indemnitor;
- (b) the Indemnitor has not assumed the defence of the action within a reasonable period of time after receiving notice of the claim;

- (c) the named parties to any such claim include both the Indemnitor and the Indemnified Party and the Indemnified Party will have been advised by counsel to the Indemnified Party that there would be a conflict of interest between the Indemnitor and the Indemnified Party; or
- (d) there are one or more defences available to the Indemnified Party which are different from or in addition to those available to the Indemnitor;

in which case such fees and expenses of such counsel to the Indemnified Party will be for the Indemnitor's account, provided that the Indemnitor shall not be responsible for the fees or expenses of more than one legal firm in any single Jurisdiction for all of the Indemnified Parties. The rights accorded to the Indemnified Parties hereunder will be in addition to any rights an Indemnified Party may have at common law or otherwise.

11.8 The indemnity and contribution obligations of the Indemnitor shall be in addition to any liability, which the Indemnitor may otherwise have, shall extend upon the same terms and conditions to the Personnel of the Agent and shall be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of the Indemnitor, the Agent, and any of the Personnel of such Agent. The foregoing provisions shall survive the completion of professional service rendered under this Agreement.

12. ALTERNATIVE TRANSACTIONS

12.1 In the event that the Company withdraws from the Offering in order to complete an Alternative Transaction and such transaction is completed within six months of the withdrawal from the Offering, the Company shall upon closing of the Alternative Transaction, pay to the Agent all expenses incurred by the Agent not previously reimbursed by the Company and 50% of the Work Fee.

13. RELATIONSHIP BETWEEN THE COMPANY AND THE AGENT

13.1 The Company hereby acknowledges that (i) the purchase and sale of the Shares pursuant to this Agreement is an arm's-length commercial transaction between the Company, on the one hand, and the Agent, on the other, (ii) the Agent is acting as principal and not as an agent or fiduciary of the Company and (iii) the Company's engagement of the Agent in connection with the Offering and the process leading up to the Offering is as an independent contractor and not in any other capacity. Furthermore, the Company agrees that it is solely responsible for making its own judgments in connection with the Offering (irrespective of whether the Agent has advised or is currently advising the Company on related or other matters).

14. AGENT AS SECURITIES DEALER

14.1 The Company acknowledges that the Agent is a full service securities firm engaged in securities trading and brokerage activities as well as providing investment banking and financial advisory services and that in the ordinary course of its trading and brokerage activities, the Agent and its affiliates at any time may hold long or short positions, and may trade or otherwise effect transactions, for its own account or the accounts of customers, in debt or equity securities of the Company, or any other company that may be involved in a transaction or related derivative securities.

14.2 The Agent acknowledges its responsibility to comply with applicable securities laws as they relate to trading securities with knowledge of a Material Fact or a material change that has not been generally disclosed. Further, the Agent has strict internal procedures, which provide for the placing of relevant securities on a “grey list” or a “restricted list” and for restrictions on trading by the Agent and its investment banking personnel for their own account in accordance with such procedures.

15. TERMINATION OF AGREEMENT

15.1 In addition to any other remedies which may be available to the Agent, this Agreement and any subscriptions for Shares received by the Agent may be terminated by the Agent at any time up to Closing in the event that:

- (a) an adverse Material Change in the affairs of the Company occurs or is announced by the Company;
- (b) there should develop, occur, or come into effect any catastrophe of local, national or international consequence or accident, governmental law, or regulation or other occurrence of any nature which, in the opinion of the Agent, seriously affects or will seriously affect the financial markets or the business of the Company;
- (c) the state of financial markets, whether national or international, is such that in the opinion of the Agent, it would be impractical or unprofitable to offer or continue to offer the Shares for sale;
- (d) any order to cease or suspend trading in the securities of the Company, including an order which would prohibit the trade or distribution of any of the securities referred to herein, or an order to cease or suspend trading by a director, officer or promoter of the Company, or any one of them, is issued by any competent regulatory authority and remains in effect for greater than 15 days;
- (e) the Company is in breach of any material term of this Agreement and fails to remedy such material breach within 10 calendar days of notice to do so from the Agent;

- (f) any of the material representations or warranties made by the Company in this Agreement are false or have become false;
- (g) there is an inquiry or investigation (whether formal or informal) by any securities regulatory authority, including, without limitation, the Exchange, in relation to the Company or any one of its officers or directors that could be reasonably expected to have a material adverse effect on the Company; and
- (h) the Agent and the Company agree in writing to terminate this Agreement.

15.2 The right of the Agent to terminate this Agreement is in addition to such other remedies any of the Purchasers may have in respect of any default, misrepresentation, act or failure to act of the Company in respect of any of the transactions contemplated by this Agreement.

15.3 Termination of this Agreement pursuant to this Section 15 shall be effected by notice in writing to the Company at any time prior to the release of the Net Proceeds from escrow to the Company. Upon such notice being delivered, the Net Proceeds will be returned to the Agent by the Company (if they have been delivered to the Company or to its solicitors or to any party on its behalf) without set-off or deduction. In the event that the Agent terminates this Agreement after having been paid the Agent's Fee by the Company, it will repay the Agent's Fee (but not the Expenses or that part of the Work Fee delivered to the Agent prior to the date hereof) to the Company forthwith.

16. GENERAL

16.1 Time and each of the terms and conditions of this Agreement shall be of the essence of this Agreement and any waiver by the parties of this Section 16.1 or any failure by them to exercise any of their rights under this Agreement shall be limited to the particular instance and shall not extend to any other instance or matter in this Agreement or otherwise affect any of their rights or remedies under this Agreement.
