No fractional shares shall be issued upon the exercise of any Option and, if as a result of any adjustment, an Option Holder would become entitled to a fractional share, such Option Holder shall have the right to purchase only the next lowest whole number of Shares and no payment or other adjustment will be made for the fractional interest.

All Options granted pursuant to the Plan shall be subject to the terms and conditions of the Plan notwithstanding the fact that the Option Certificates issued in respect thereof do not expressly contain such terms and conditions but instead incorporate them by reference to the Plan. The Option Certificates will be issued for convenience only and in the case of a dispute with regard to any matter in respect thereof, the provisions of the Plan and the records of the Company shall prevail over the terms and conditions in the Option Certificate, save and except as noted below. Each Option will also be subject to, in addition to the provisions of the Plan, the terms and conditions contained in the schedules, if any, attached to the Option Certificate for such Option. Should the terms and conditions contained in such schedules be inconsistent with the provisions of the Plan, such terms and conditions will supersede the provisions of the Plan.

ARTICLE 5 TERMS AND CONDITIONS OF OPTIONS

5.1 Exercise Period of Option

Subject to sections 5.4, 6.2, 6.3, 6.4 and 11.4, the Grant Date and the Expiry Date of an Option shall be the dates fixed by the Committee at the time the Option is granted and shall be set out in the Option Certificate issued in respect of such Option.

5.2 Number of Shares Under Option

The Exercise Price at which an Option Holder may purchase a Share upon the exercise of an Option shall be determined by the Committee and shall be set out in the Option Certificate issued in respect of the Option. The Exercise Price shall not be less than the Market Value of the Shares as of the Grant Date. The Market Value of the Shares for a particular Grant Date shall be determined as follows:

- (a) for each organized trading facility on which the Shares are listed, Market Value will be the closing trading price of the Shares on the day immediately preceding the Grant Date, and may be less than this price if it is within the discounts permitted by the applicable Regulatory Authorities;
- (b) if the Company's Shares are listed on more than one organized trading facility, the Market Value shall be the Market Value as determined in accordance with subparagraph (a) above for the primary organized trading facility on which the Shares are listed, as determined by the Committee, subject to any adjustments as may be required to secure all necessary Regulatory Approvals;
- (c) if the Company's Shares are listed on one or more organized trading facilities but have not traded during the ten trading days immediately preceding the Grant Date, then the Market Value will be, subject to any adjustments as may be required to secure all necessary Regulatory Approvals, such value as is determined by the Committee; and
- (d) if the Company's Shares are not listed on any organized trading facility, then the Market Value will be, subject to any adjustments as may be required to secure all necessary Regulatory Approvals, such value as is determined by the Committee to be the fair value of the Shares, taking into consideration all factors that the Committee deems appropriate, including, without limitation, recent sale and offer prices of the Shares in private transactions negotiated at arms' length.

Notwithstanding anything else contained herein, in no case will the Market Value be less than the minimum prescribed by each of the organized trading facilities that would apply to the Company on the Grant Date in question.

5.4 Termination of Option

Subject to such other terms or conditions that may be attached to Options granted hereunder, an Option Holder may exercise an Option in whole or in part at any time and from time to time during the Exercise Period. Any Option or part thereof not exercised within the Exercise Period shall terminate and become null, void and of no effect as of the Expiry Time on the Expiry Date. The Expiry Date of an Option shall be the earlier of the date so fixed by the Committee at the time the Option is granted as set out in the Option Certificate and the date established, if applicable, in paragraphs (a) or (b) below or sections 6.2, 6.3, 6.4 and 11.4 of this Plan:

- (a) *Ceasing to Hold Office* - In the event that the Option Holder holds his or her Option as an Executive and such Option Holder ceases to hold such position other than by reason of death or Disability, the Expiry Date of the Option shall be, unless otherwise determined by the Committee and expressly provided for in the Option Certificate, the 30th day following the date the Option Holder ceases to hold such position unless the Option Holder ceases to hold such position as a result of:
 - (i) ceasing to meet the qualifications set forth in the corporate legislation applicable to the Company;

- (ii) a special resolution having been passed by the shareholders of the Company removing the Option Holder as a director of the Company or any Subsidiary; or
- (iii) an order made by any Regulatory Authority having jurisdiction to so order;

in which case the Expiry Date shall be the date the Option Holder ceases to hold such position; or

- (b) *Ceasing to be Employed or Engaged* - In the event that the Option Holder holds his or her Option as an Employee or Consultant and such Option Holder ceases to hold such position other than by reason of death or Disability, the Expiry Date of the Option shall be, unless otherwise determined by the Committee and expressly provided for in the Option Certificate, the 30th day following the date the Option Holder ceases to hold such position, unless the Option Holder ceases to hold such position as a result of:

- (i) termination for cause;
- (ii) resigning his or her position;
- (iii) an order made by any Regulatory Authority having jurisdiction to so order;

in which case the Expiry Date shall be the date the Option Holder ceases to hold such position.

In the event that the Option Holder ceases to hold the position of Executive, Employee or Consultant for which the Option was originally granted, but comes to hold a different position as an Executive, Employee or Consultant prior to the expiry of the Option, the Committee may, in its sole discretion, choose to permit the Option to stay in place for that Option Holder with such Option then to be treated as being held by that Option Holder in his or her new position and such will not be considered to be an amendment to the Option in question requiring the consent of the Option Holder under section 9.2. Notwithstanding anything else contained herein, in no case will an Option be exercisable later than the Expiry Date of the Option.

5.5 Vesting of Option and Acceleration

The vesting schedule for an Option, if any, shall be determined by the Committee and shall be set out in the Option Certificate issued in respect of the Option. The Committee may elect, at any time, to accelerate the vesting schedule of one or more Options including, without limitation, on a Triggering Event, and such acceleration will not be considered an amendment to the Option in question requiring the consent of the Option Holder under section 9.2.

5.6 Additional Terms

Subject to all applicable Regulatory Rules and all necessary Regulatory Approvals, the Committee may attach additional terms and conditions to the grant of a particular Option, such terms and conditions to be set out in a schedule attached to the Option Certificate. The Option Certificates will be issued for convenience only, and in the case of a dispute with regard to any matter in respect thereof, the provisions of this Plan and the records of the Company shall prevail over the terms and conditions in the Option Certificate, save and except as noted below. Each Option will also be subject to, in addition to the provisions of the Plan, the terms and conditions contained in the schedules, if any, attached to the Option Certificate for such Option. Should the terms and conditions contained in such schedules be inconsistent with the provisions of the Plan, such terms and conditions will supersede the provisions of the Plan.

ARTICLE 6 TRANSFERABILITY OF OPTIONS

6.1 Non-transferable

Except as provided otherwise in this ARTICLE 6, Options are non-assignable and non-transferable.

6.2 Death of Option Holder

In the event of the Option Holder's death, any Options held by such Option Holder shall pass to the Personal Representative of the Option Holder and shall be exercisable by the Personal Representative on or before the date which is the earlier of one year following the date of death and the applicable Expiry Date.

6.3 Disability of Option Holder

If the employment or engagement of an Option Holder as an Employee or Consultant or the position of an Option Holder as a director or officer of the Company or a Subsidiary is terminated by the Company by reason of such Option Holder's Disability, any Options held by such Option Holder shall be exercisable by such Option Holder or by the Personal Representative on or before the date which is the earlier of one year following the termination of employment, engagement or appointment as a director or officer and the applicable Expiry Date.

6.4 Disability and Death of Option Holder

If an Option Holder has ceased to be employed, engaged or appointed as a director or officer of the Company or a Subsidiary by reason of such Option Holder's Disability and such Option Holder dies within one year after the termination of such engagement, any Options held by such Option Holder that could have been exercised immediately prior to his or her death shall pass to the Personal Representative of such Option Holder and shall be exercisable by the Personal Representative on or before the date which is the earlier of one year following the death of such Option Holder and the applicable Expiry Date.

6.5 Vesting

Notwithstanding any vesting schedule to which Options are subject, Options shall cease to vest immediately if the employment or engagement of an Option Holder as an Employee or Consultant or the position of an Option Holder as a director or officer of the Company or a Subsidiary is terminated for any reason whatsoever. In which case, the Option Holder may only exercise such number of Options that are vested as at the date of termination of such Option Holder's employment, engagement or appointment as a director or officer.

6.6 Deemed Non-Interruption of Engagement

Employment or engagement by the Company shall be deemed to continue intact during any military or sick leave or other bona fide leave of absence if the period of such leave does not exceed 90 days or, if longer, for so long as the Option Holder's right to re-employment or re-engagement by the Company is guaranteed either by statute or by contract. If the period of such leave exceeds 90 days and the Option Holder's re-employment or re-engagement is not so guaranteed, then his or her employment or engagement shall be deemed to have terminated on the ninety-first day of such leave.

ARTICLE 7 EXERCISE OF OPTION

7.1 Exercise of Option

An Option may be exercised only by the Option Holder or the Personal Representative of any Option Holder. An Option Holder or the Personal Representative of any Option Holder may exercise an Option in whole or in part at any time and from time to time during the Exercise Period up to the Expiry Time on the Expiry Date by delivering to the Administrator the required Exercise Notice, the applicable Option Certificate and a certified cheque or bank draft payable to the Company in an amount equal to the aggregate Exercise Price of the Shares then being purchased pursuant to the exercise of the Option.

7.2 Issue of Share Certificates

As soon as reasonably practicable following the receipt of the Exercise Notice, the Administrator shall cause to be delivered to the Option Holder a certificate for the Shares so purchased. All Share Certificates issued pursuant to the Plan shall be subject to the applicable hold periods set by the Regulatory Rules. If the number of Shares so purchased is less than the number of Shares subject to the Option Certificate surrendered, the Administrator shall also provide a new Option Certificate for the balance of Shares available under the Option to the Option Holder concurrent with delivery of the Share Certificate.

7.3 No Rights as Shareholder

Until the date of the issuance of the certificate for the Shares purchased pursuant to the exercise of an Option, no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to such Shares, notwithstanding the exercise of the Option, unless the Committee

determines otherwise. In the event of any dispute over the date of the issuance of the certificates, the decision of the Committee shall be final, conclusive and binding.

ARTICLE 8 ADMINISTRATION

8.1 Board or Committee

The Plan shall be administered by the Board, by a Committee of the Board appointed in accordance with section 8.2, or by an Administrator appointed in accordance with paragraph 8.4(b).

8.2 Appointment of Committee

The Board may at any time appoint a Committee, consisting of not less than two of its members, to administer the Plan on behalf of the Board in accordance with such terms and conditions as the Board may prescribe, consistent with this Plan. Once appointed, the Committee shall continue to serve until otherwise directed by the Board. From time to time, the Board may increase the size of the Committee and appoint additional members, remove members (with or without cause) and appoint new members in their place, fill vacancies however caused, or remove all members of the Committee and thereafter directly administer the Plan.

8.3 Quorum and Voting

A majority of the members of the Committee shall constitute a quorum and, subject to the limitations in this ARTICLE 8, all actions of the Committee shall require the affirmative vote of members who constitute a majority of such quorum. Members of the Committee may vote on any matters affecting the administration of the Plan or the grant of Options pursuant to the Plan, except that no such member shall act upon the granting of an Option to himself or herself (but any such member may be counted in determining the existence of a quorum at any meeting of the Committee during which action is taken with respect to the granting of Options to that member). The Committee may approve matters by written resolution signed by a majority of the quorum.

8.4 Powers of Committee

The Committee (or the Board if no Committee is in place) shall have the authority to do the following:

- (a) administer the Plan in accordance with its terms;
- (b) appoint or replace the Administrator from time to time;

8.6 Interpretation

The interpretation by the Committee of any of the provisions of the Plan and any determination by it pursuant thereto shall be final, conclusive and binding and shall not be subject to dispute by any Option Holder. No member of the Committee or any person acting pursuant to authority delegated by it hereunder shall be personally liable for any action or determination in connection with the Plan made or taken in good faith and each member of the Committee and each such person shall be entitled to indemnification with respect to any such action or determination in the manner provided for by the Company.

**ARTICLE 9
APPROVALS AND AMENDMENT**

9.1 Shareholder Approval of Plan

If required by a Regulatory Authority or by the Committee, this Plan may be made subject to the approval of a majority of the votes cast at a meeting of the shareholders of the Company or by a majority of votes cast by disinterested shareholders at a meeting of shareholders of the Company. If shareholder approval is required, any Options granted under this Plan prior to such time will not be exercisable or binding on the Company unless and until such shareholder approval is obtained.

9.2 Amendment of Option or Plan

Subject to any required Regulatory Approvals, the Committee may from time to time amend any existing Option or the Plan or the terms and conditions of any Option thereafter to be granted provided that where such amendment relates to an existing Option and it would:

- (a) materially decrease the rights or benefits accruing to an Option Holder; or
- (b) materially increase the obligations of an Option Holder;

then, unless otherwise excepted out by a provision of this Plan, the Committee must also obtain the written consent of the Option Holder in question to such amendment. If at the time the Exercise Price of an Option is reduced the Option Holder is an Insider of the Company, the Insider must not exercise the option at the reduced Exercise Price until the reduction in Exercise Price has been approved by the disinterested shareholders of the Company, if required by the TSXV.

**ARTICLE 10
CONDITIONS PRECEDENT TO ISSUANCE OF OPTIONS AND SHARES**

10.1 Compliance with Laws

An Option shall not be granted or exercised, and Shares shall not be issued pursuant to the exercise of any Option, unless the grant and exercise of such Option and the issuance and delivery of such Shares comply with all applicable Regulatory Rules, and such Options and Shares will be subject to all applicable trading restrictions in effect pursuant to such Regulatory Rules and the Company shall be entitled to legend the Option Certificates and the certificates representing such Shares accordingly.

10.2 Obligation to Obtain Regulatory Approvals

In administering this Plan, the Committee will seek any Regulatory Approvals which may be required. The Committee will not permit any Options to be granted without first obtaining the necessary Regulatory Approvals unless such Options are granted conditional upon such Regulatory Approvals being obtained. The Committee will make all filings required with the Regulatory Authorities in respect of the Plan and each grant of Options hereunder. No Option

granted will be exercisable or binding on the Company unless and until all necessary Regulatory Approvals have been obtained. The Committee shall be entitled to amend this Plan and the Options granted hereunder in order to secure any necessary Regulatory Approvals and such amendments will not require the consent of the Option Holders under section 9.2.

10.3 Inability to Obtain Regulatory Approvals

The Company shall not be liable with respect to the failure to complete any transaction related to this Plan, including the exercise of Options or the lawful issuance and sale of any Shares pursuant to such Options, if the Company was unable to obtain Regulatory Approval from any applicable Regulatory Authority, which Regulatory Approval is deemed by the Committee to be necessary to complete such transaction.

10.4 Withholding Tax Requirements

Upon exercise of an Option, the Option Holder shall, upon notification of the amount due and prior to the delivery of the certificates representing the Shares, pay to the Company amounts necessary to satisfy applicable federal and provincial withholding tax requirements and, if applicable, Canada Pension Plan contributions, in such amount as determined by the Company, or shall otherwise make arrangements satisfactory to the Company for such requirements. In order to implement this provision, the Company or any related corporation shall have the right to retain and withhold from any payment of cash or Shares under this Plan the amount of taxes and, if applicable, Canada Pension Plan contributions, in such amount as determined by the Company, to be withheld or otherwise deducted and paid with respect to such payment. At its discretion, the Company may require an Option Holder receiving Shares to reimburse the Company for any such taxes and Canada Pension Plan contributions required to be withheld by the Company and withhold any distribution to the Option Holder in whole or in part until the Company is so reimbursed. In lieu thereof, the Company shall have the right to withhold from any other cash amounts due or to become due from the Company to the Option Holder an amount equal to such taxes and, if applicable, Canada Pension Plan contributions as determined by the Company. The Company may also retain and withhold or the Option Holder may elect, subject to approval by the Company at its sole discretion, to have the Company retain and withhold a number of Shares having a market value of not less than the amount of such taxes and, if applicable, Canada Pension Plan contributions, as determined by the Company, required to be withheld by the Company to reimburse the Company for any such taxes and cancel (in whole or in part) any such Shares so withheld.

ARTICLE 11 ADJUSTMENTS AND TERMINATION

11.1 Termination of Plan

Subject to any necessary Regulatory Approvals, the Committee may terminate or suspend the Plan.

11.2 No Grant During Suspension of Plan

No Option may be granted during any suspension, or after termination, of the Plan. Suspension or termination of the Plan shall not, without the consent of the Option Holder, alter or impair any rights or obligations under any Option previously granted.

11.3 Alteration in Capital Structure

If there is a material alteration in the capital structure of the Company and the Shares are consolidated, subdivided, converted, exchanged, reclassified or in any way substituted for, the Committee shall make such adjustments to this Plan and to the Options then outstanding under this Plan as the Committee determines to be appropriate and equitable under the circumstances, so that the proportionate interest of each Option Holder shall, to the extent practicable, be maintained as before the occurrence of such event. Such adjustments may include, without limitation:

- (a) a change in the number or kind of shares of the Company covered by such Options; and
- (b) a change in the Exercise Price payable per Share provided, however, that the aggregate Exercise Price applicable to the unexercised portion of existing Options shall not be altered, it being intended that any adjustments made with respect to such Options shall apply only to the Exercise Price per Share and the number of Shares subject thereto.

For purposes of this section 11.3, and without limitation, neither:

- (c) the issuance of additional securities of the Company in exchange for adequate consideration (including services); nor
- (d) the conversion of outstanding securities of the Company into Shares shall be deemed to be material alterations of the capital structure of the Company.

Any adjustment made to any Options pursuant to this section 11.3 shall not be considered an amendment requiring the Option Holder's consent for the purposes of section 9.2.

11.4 Triggering Events

Subject to the Company complying with section 11.5 and any necessary Regulatory Approvals and notwithstanding any other provisions of this Plan or any Option Certificate, the Committee may, without the consent of the Option Holder or Holders in question:

- (a) cause all or a portion of any of the Options granted under the Plan to terminate upon the occurrence of a Triggering Event; or
- (b) cause all or a portion of any of the Options granted under the Plan to be exchanged for incentive stock options of another corporation upon the occurrence

of a Triggering Event in such ratio and at such exercise price as the Committee deems appropriate, acting reasonably.

Such termination or exchange shall not be considered an amendment requiring the Option Holder's consent for the purpose of section 9.2.

11.5 Notice of Termination by Triggering Event

In the event that the Committee wishes to cause all or a portion of any of the Options granted under this Plan to terminate on the occurrence of a Triggering Event, it must give written notice to the Option Holders in question not less than 10 days prior to the consummation of a Triggering Event so as to permit the Option Holder the opportunity to exercise the vested portion of the Options prior to such termination. Upon the giving of such notice and subject to any necessary Regulatory Approvals, all Options or portions thereof granted under the Plan which the Company proposes to terminate shall become immediately exercisable notwithstanding any contingent vesting provision to which such Options may have otherwise been subject.

11.6 Determinations to be Made By Committee

Adjustments and determinations under this ARTICLE 11 shall be made by the Committee, whose decisions as to what adjustments or determination shall be made, and the extent thereof, shall be final, binding, and conclusive.

11.7 Options Granted to U.S. Residents or Citizens

The Options and the Shares issuable upon exercise of the Options have not been registered under the *United States Securities Act of 1933*, as amended (the "**U.S. Securities Act**") or any applicable securities law of any state of the United States and may not be granted to, or exercised by or on behalf of, any person in the United States, any U.S. person or any person acting for the account or benefit of a U.S. person or person in the United States unless exempt from the registration requirements of the U.S. Securities Act and any applicable securities law of any state of the United States. The Options granted, and the Shares issued upon exercise of Options, in the United States, to or by or on behalf of a U.S. person or any person acting for the account or benefit of a U.S. person or person in the United States will bear a legend restricting the transfer and exercise of such Options and Shares unless such offer, sale, pledge or transfer is pursuant to an exemption from the U.S. Securities Act and in accordance with any applicable securities laws of any state of the United States. "United States" and "U.S. person" are as defined in Regulation S under the U.S. Securities Act.

Any Option granted under the Plan to an Option Holder who is a citizen or resident of the United States (including its territories, possessions and all areas subject to the jurisdiction) (a "**U.S. Option Holder**") may be an incentive stock option (an "**ISO**") within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, of the United States (the "**Code**"), but only if so designated by the Company in the agreement evidencing such Option, and only to the extent such option qualifies as an ISO under this section 11.7. No more than 5,000,000 Shares may be granted under Options intended to be ISOs, subject to adjustment as provided in section 11.3. No provision of this Plan, as it may be applied to a U.S. Option Holder with respect to Options which are designated as ISOs, shall be construed so as to be inconsistent with any

provision of Section 422 of the Code. Grants of Options to U.S. Option Holders pursuant to this Plan which are not designated as or otherwise do not qualify as ISOs will be treated as non-statutory stock options for U.S. federal tax purposes. The Exercise Price for Shares under each Option granted to a U.S. Option Holder pursuant to this Plan shall be not less than 100% of the Market Value of such Shares at the time granted, (unless such Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Sections 409A and 424(a) of the Code). Options will be granted and operated in such a manner that they are either exempt from the application of, or comply with, the requirements of Code Section 409A, except as otherwise determined in the sole discretion of the Administrator. The Plan and each Option Agreement under the Plan is intended to meet the requirements of Code Section 409A and will be construed and interpreted in accordance with such intent, except as otherwise determined in the sole discretion of the Administrator. Notwithstanding any provision of the Plan to the contrary, in the event that the Administrator determines that any this Plan or any Option hereunder may be subject to Section 409A of the Code and related Treasury Regulations and other interpretive guidance issued thereunder, the Administrator may adopt such amendments to the Plan and the applicable agreement or adopt other policies and procedures (including amendments, policies, and procedures with retroactive effect), or take any other actions, that the Administrator determines are necessary or appropriate to (a) exempt the Option from section 409A of the Code and/or preserve the intended tax treatment of the benefits provided with respect to the Option, or (b) comply with the requirements of Section 409A of the Code and related Treasury Regulations and other interpretive guidance thereunder and thereby avoid the application of any penalty taxes under such section.

Notwithstanding anything in this Plan contained to the contrary, the following provisions shall apply to ISOs granted to each U.S. Option Holder:

- (a) ISOs shall only be granted to individual U.S. Option Holders who are, at the time of grant, employees of the Company (within the meaning of the Code). Any director of the Company who is a U.S. Option Holder shall be ineligible to vote upon the granting of such Option;
- (b) the aggregate Market Value (determined as of the time an ISO is granted) of the Shares subject to ISOs exercisable for the first time by a U.S. Option Holder during any calendar year under this Plan and all other Company stock option plans, within the meaning of Section 422 of the Code, shall not exceed US\$100,000. To the extent that this US\$100,000 limit is exceeded, such Options will be treated as non-statutory stock options. For purposes of this paragraph, (i) ISOs will be taken into account in the order in which they were granted and (ii) the calculation will be performed in accordance with Code Section 422 and Treasury Regulations promulgated thereunder.
- (c) if any U.S. Option Holder to whom an ISO is to be granted under the Plan at the time of the grant of such ISO is the owner of shares possessing more than 10% of the total combined voting power of all classes of shares of the Company, then the following special provisions shall be applicable to the ISO granted to such individual:

- (i) the Exercise Price (per Share) subject to such ISO shall not be less than 110% of the Market Value of one Share at the time of grant; and
 - (ii) for the purposes of this paragraph only, the exercise period shall not exceed 5 years from the date of grant;
- (d) no ISO may be granted hereunder to a U.S. Option Holder following the expiration of 10 years after the date on which this Plan is adopted by the Company or the date on which the Plan is approved by the shareholders of the Company, whichever is earlier;
- (e) no Option granted U.S. Option Holder under the Plan shall be treated as an ISO unless the Plan shall have been approved by the shareholders of the Company within 12 months following the date of its adoption by the Board;
- (f) Options shall lose their qualification as ISOs if any leave of absence exceeds 3 months, unless reemployment upon expiration is guaranteed by statute or contract. If reemployment upon expiration of a leave of absence approved by the Company is not so guaranteed, then 6 months following the first day of such leave, any ISO held by a U.S. Option Holder will cease to be treated as an ISO and will be treated for tax purposes as a non-statutory stock option;
- (g) no ISO shall be transferable by a U.S. Option Holder other than by will or the laws of descent and distribution; and
- (h) during the lifetime of the original grantee of an ISO, such ISO may not be exercised by anyone other than such grantee.
