Dear Sirs and Mesdames:

Re: Vizsla Silver Corp.

Reference is made to the prospectus supplement dated September 16, 2024 to the short form base shelf prospectus dated March 31, 2023 (the “**Prospectus Supplement**”) being filed by Vizsla Silver Corp. (the “**Company**”).

A technical report entitled “Panuco Project, NI 43-101 Technical Report Preliminary Economic Assessment, Sinaloa State, Mexico” with an effective date of July 24, 2024 (the “**Technical Report**”) was prepared for the Company in accordance with National Instrument 43-101 – *Standards of Disclosure for Mineral Projects* by the undersigned and filed with applicable securities regulatory authorities.

The undersigned hereby consents to being named in the Prospectus Supplement under the heading “Interests of Experts”.

The undersigned does hereby confirm that he has read the written disclosure contained in the Prospectus Supplement, including the Technical Report and extracts from or a summary of the Technical Report contained in the Prospectus Supplement, or incorporated by reference therein, and has no reason to believe that there are any misrepresentations in the information contained therein that are derived from the Technical Report, or that are within his knowledge as a result of the services he performed in connection with the Technical Report.

Yours truly,

“James Millard”

James Millard, P.Geo.
