In the event of any inconsistency between the terms defined in the Offering Memorandum, the Indenture and this Confirmation, this Confirmation shall govern. The parties acknowledge that this Confirmation is entered into on the date hereof with the understanding that (i) definitions set forth in the Indenture which are also defined herein by reference to the Indenture and (ii) sections of the Indenture that are referred to herein will conform to the descriptions thereof in the Offering Memorandum. If any such definitions in the Indenture or any such sections of the Indenture differ from the descriptions thereof in the Offering Memorandum, the descriptions thereof in the Offering Memorandum will govern for purposes of this Confirmation. The parties further acknowledge that the Indenture section numbers used herein are based on the [draft of the Indenture last reviewed by Dealer and Counterparty as of the date of this Confirmation, and if any such section numbers are changed in the Indenture as executed, the parties will amend this Confirmation in good faith to preserve the intent of the parties]⁷[Indenture as executed]⁸. Subject to the foregoing, references to the Indenture herein are references to the Indenture as in effect on the date of its execution, and if the Indenture is amended or supplemented following such date (other than any amendment or supplement (x) pursuant to Section 10.01(i) of the Indenture that, as determined by the Calculation Agent, conforms the Indenture to the description of Convertible Notes in the Offering Memorandum or (y) pursuant to Section 14.07 of the Indenture, subject, in the case of this clause (y), to the second paragraph under “Method of Adjustment” in Section 3), any such amendment or supplement will be disregarded for purposes of this Confirmation unless the parties agree otherwise in writing.

3. Additional Terms applicable to the Transaction.

Adjustments applicable to the Transaction:

Potential Adjustment Events: Notwithstanding Section 11.2(e) of the Equity Definitions, a “Potential Adjustment Event” means an occurrence of any event or condition, as set forth in any Dilution Adjustment Provision, that would result in an adjustment under the Indenture (or, if no Convertible Notes remain outstanding, would have resulted in an adjustment under the Indenture if the Convertible Notes were still outstanding) to the “Conversion Rate” or the composition of a “unit of Reference Property” or to any “Last Reported Sale Price,” “Daily VWAP,” “Daily Conversion Value” or “Daily Settlement Amount” (each as defined in the Indenture). For the avoidance of doubt, Dealer shall not have any delivery or payment obligation hereunder, and no adjustment shall be made to the terms of the Transaction (other than pursuant to Section 9(v) hereof), on account of (x) any distribution of cash, property or securities by Counterparty to holders of the Convertible Notes (upon conversion or otherwise) or (y) any other transaction in which holders of the Convertible Notes are entitled to participate, in each case, in lieu of an adjustment under the Indenture of the type referred to in the immediately preceding sentence (including, without limitation, pursuant to the second sentence of the first paragraph of Section 14.04(c) of the Indenture or the fourth sentence of the first paragraph of Section 14.04(d) of the Indenture).

Method of Adjustment: Calculation Agent Adjustment, which means that, notwithstanding Section 11.2(c) of the Equity Definitions, upon any Potential Adjustment Event, the Calculation Agent, acting in good faith and commercially reasonably, taking into account the relevant provisions of the Indenture, shall make a corresponding adjustment to any one or more of the Strike Price, Number of Options, Option

Entitlement and any other variable relevant to the exercise, settlement or payment for the Transaction.

Notwithstanding the foregoing and “Consequences of Merger Events / Tender Offers” below:

- (i) if the Calculation Agent in good faith disagrees with any adjustment to the Convertible Notes that involves an exercise of discretion by Counterparty or its board of directors (including, without limitation, pursuant to Section 14.05 of the Indenture, Section 14.07 of the Indenture or any supplemental indenture entered into thereunder or in connection with any proportional adjustment or the determination of the fair value of any securities, property, rights or other assets), then in each such case, the Calculation Agent will determine the adjustment to be made to any one or more of the Strike Price, Number of Options, Option Entitlement and any other variable relevant to the exercise, settlement or payment for the Transaction in a commercially reasonable manner, taking into account the relevant provisions of the Indenture; *provided* that, notwithstanding the foregoing, if any Potential Adjustment Event occurs during the Settlement Averaging Period but no adjustment was made to any Convertible Note under the Indenture because the relevant “Holder” (as such term is defined in the Indenture) was deemed to be a record owner of the underlying Shares on the related Conversion Date, then the Calculation Agent shall, consistent with the methodology set forth in the Indenture, make a commercially reasonable adjustment to the terms hereof in order to account for such Potential Adjustment Event;
- (ii) in connection with any Potential Adjustment Event as a result of an event or condition set forth in Section 14.04(b) of the Indenture or Section 14.04(c) of the Indenture where, in either case, the period for determining “Y” (as such term is used in Section 14.04(b) of the Indenture) or “SP₀” (as such term is used in Section 14.04(c) of the Indenture), as the case may be, begins before Counterparty has publicly announced the event or condition giving rise to such Potential Adjustment Event, then the Calculation Agent shall have the right to adjust, in good faith and in a commercially reasonable manner, any variable relevant to the exercise, settlement or payment for the Transaction as appropriate to reflect the commercially reasonable costs (including, but not limited to, hedging mismatches and market losses) and commercially reasonable out-of-pocket expenses incurred by Dealer in connection with its commercially reasonable hedging activities as a result of such event or condition not

having been publicly announced prior to the beginning of such period; and

- (iii) if any Potential Adjustment Event is declared and (a) the event or condition giving rise to such Potential Adjustment Event is subsequently amended, modified, cancelled or abandoned, (b) the “Conversion Rate” (as defined in the Indenture) is otherwise not adjusted at the time or in the manner contemplated by the relevant Dilution Adjustment Provision based on such declaration or (c) the “Conversion Rate” (as defined in the Indenture) is adjusted as a result of such Potential Adjustment Event and subsequently re-adjusted (each of clauses (a), (b) and (c), a “**Potential Adjustment Event Change**”) then, in each case, the Calculation Agent shall have the right to adjust, in good faith and in a commercially reasonable manner, any variable relevant to the exercise, settlement or payment for the Transaction as appropriate to reflect the commercially reasonable costs (including, but not limited to, hedging mismatches and market losses) and commercially reasonable out-of-pocket expenses incurred by Dealer in connection with its commercially reasonable hedging activities as a result of such Potential Adjustment Event Change.

For the avoidance of doubt, if Dealer, the Calculation Agent or the Determining Party is required to make any calculation, adjustment or determination under this Section 3 by reference to any adjustment to the Convertible Notes or any adjustment, calculation or determination under the Indenture at a time at which the Convertible Notes are no longer outstanding, Dealer, the Calculation Agent or the Determining Party, as the case may be, shall make such calculation, adjustment or determination, as applicable, as if the Convertible Notes remained outstanding.

Dilution Adjustment Provisions: Sections 14.04(a), (b), (c), (d) and (e) and Section 14.05 of the Indenture.

Extraordinary Events applicable to the Transaction:

Merger Events: Applicable; *provided* that notwithstanding Section 12.1(b) of the Equity Definitions, a “Merger Event” means the occurrence of any event or condition set forth in the definition of “Share Exchange Event” in Section 14.07(a) of the Indenture.

Tender Offers: Applicable; *provided* that notwithstanding Section 12.1(d) of the Equity Definitions, a “Tender Offer” means the occurrence of any event or condition set forth in Section 14.04(e) of the Indenture.

Consequences of Merger Events/
Tender Offers:

Notwithstanding Section 12.2 and Section 12.3 of the Equity Definitions, upon the occurrence of a Merger Event or a Tender Offer, the Calculation Agent shall make a corresponding adjustment in respect of any adjustment under the Indenture to any one or more of the nature of the Shares (in the case of a Merger Event, including, without limitation, to the extent any depositary receipts constitute “Reference Property” under, and as defined in, the Indenture), Strike Price, Number of Options, Option Entitlement and any other variable relevant to the exercise, settlement or payment for the Transaction, subject to the second paragraph under “Method of Adjustment”; *provided, however*, that such adjustment shall be made without regard to any adjustment to the “Conversion Rate” (as defined in the Indenture) pursuant to any Excluded Provision; *provided further* that if, with respect to any Merger Event or any Tender Offer, (i) (A) the consideration for the Shares includes (or, at the option of a holder of Shares, may include) securities (including, without limitations, depositary receipts with respect to shares) of an entity or person that (x) does not become Counterparty and does not agree to be subject to Sections 9(b) and 9(l) of this Confirmation or (y) is either (1) neither a corporation nor an entity that is treated as a corporation for U.S. federal income tax purposes or treated as a corporation for Canadian tax purposes or (2) not organized under the laws of the United States, any State thereof, the District of Columbia, the federal laws of Canada or any province thereof, or (B) Counterparty to the Transaction following such Merger Event or Tender Offer will not be either a corporation or an entity that is treated as a corporation for U.S. federal income tax purposes or will not be organized under the laws of the United States, any State thereof or the District of Columbia, or the laws of Canada or any province or territory thereof and (ii) (A) Dealer determines in a commercially reasonable manner at any time following the occurrence of such Merger Event or Tender Offer that (x) such Merger Event or Tender Offer has had or will have a material adverse effect on Dealer under the Transaction or (y) Dealer will incur or has incurred an increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense or fee to (1) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary or appropriate to hedge the economic risk of entering into and performing its obligations with respect to the Transaction in a commercially reasonable manner or (2) realize, recover or remit the proceeds of any such transaction(s) or asset(s) or (B) Dealer determines, in its good faith and reasonable judgment, that it will not be in compliance with applicable legal, regulatory or self-regulatory requirements, or with related policies and procedures, applicable to Dealer, then, in either case, Cancellation and Payment (Calculation Agent Determination) may apply at Dealer’s commercially reasonable election; *provided further* that, for the avoidance of doubt, adjustments shall be made pursuant to

the provisions set forth above regardless of whether any Merger Event or Tender Offer gives rise to an Early Conversion.

Consequences of Announcement Events: Modified Calculation Agent Adjustment as set forth in Section 12.3(d) of the Equity Definitions; *provided* that, in respect of an Announcement Event, (x) references to “Tender Offer” shall be replaced by references to “Announcement Event” and references to “Tender Offer Date” shall be replaced by references to “date of such Announcement Event”, (y) the phrase “exercise, settlement, payment or any other terms of the Transaction (including, without limitation, the spread)” shall be replaced with the phrase “Cap Price (*provided* that in no event shall the Cap Price be less than the Strike Price)” and the words “whether within a commercially reasonable (as determined by the Calculation Agent) period of time prior to or after the Announcement Event,” shall be inserted prior to the word “which” in the seventh line, and (z) for the avoidance of doubt, the Calculation Agent shall determine whether the relevant Announcement Event has had an economic effect on the Transaction (and, if so, shall, acting in good faith and in a commercially reasonable manner, adjust the Cap Price accordingly) on one or more occasions on or after the date of the Announcement Event up to, and including, the Expiration Date, any Early Termination Date and/or any other date of cancellation (and for the avoidance of doubt shall make such adjustment to take into account the cumulative effect on the Expiration Date, any Early Termination Date and/or any other date of cancellation), it being understood that any adjustment in respect of an Announcement Event shall take into account any earlier adjustment relating to the same Announcement Event. An Announcement Event shall be an “Extraordinary Event” for purposes of the Equity Definitions, to which Article 12 of the Equity Definitions is applicable.

Announcement Event: (i) The public announcement by Issuer, any subsidiary, affiliate, agent or representative of Issuer, any Valid Third Party Entity or any affiliate or agent of a Valid Third Party Entity of (x) any transaction or event that, if completed, would constitute a Merger Event or Tender Offer, (y) any potential acquisition or disposition by Issuer and/or its subsidiaries where the aggregate consideration (excluding, for the avoidance of doubt, any consideration in the form of earn-outs or bona fide other arrangements for consideration payable post-closing of such acquisition or disposition contingent upon the satisfaction of specified facts or conditions) exceeds 35% of the market capitalization of Issuer as of the date of such announcement (a “**Transformative Transaction**”) or (z) the intention to enter into a Merger Event or Tender Offer or a Transformative Transaction, (ii) the public announcement by Issuer of an intention to solicit or enter into, or to explore strategic alternatives or other similar undertaking that, if completed, would constitute a Merger Event, Tender Offer or Transformative Transaction or (iii) any

subsequent public announcement by any entity referenced in clause (i) above of a change to a transaction or intention that is the subject of an announcement of the type described in clause (i) or (ii) of this sentence (including, without limitation, a new announcement, whether or not by the same party, relating to such a transaction or intention or the announcement of a withdrawal from, or the abandonment or discontinuation of, such a transaction or intention), as determined by the Calculation Agent in a commercially reasonable manner. For the avoidance of doubt, the occurrence of an Announcement Event with respect to any transaction or intention shall not preclude the occurrence of a later Announcement Event with respect to such transaction or intention. For purposes of this definition of “Announcement Event,” (A) “Merger Event” shall mean such term as defined under Section 12.1(b) of the Equity Definitions (but, for the avoidance of doubt, the remainder of the definition of “Merger Event” in Section 12.1(b) of the Equity Definitions following the definition of “Reverse Merger” therein shall be disregarded) and (B) “Tender Offer” shall mean such term as defined under Section 12.1(d) of the Equity Definitions (as amended by Section 9(h)(ii) below).

Valid Third Party Entity:

In respect of any transaction or event, any third party that has a bona fide intent to enter into or consummate such transaction, as determined by the Calculation Agent (it being understood and agreed that in determining whether such third party has such a bona fide intent, the Calculation Agent shall take into consideration the effect of the relevant announcement by such third party on the Shares and/or options relating to the Shares).

Nationalization, Insolvency or Delisting:

Cancellation and Payment (Calculation Agent Determination); *provided* that, in addition to the provisions of Section 12.6(a)(iii) of the Equity Definitions, it will also constitute a Delisting if the Exchange is located in the United States and the Shares are not immediately re-listed, re-traded or re-quoted on any of NYSE American, the New York Stock Exchange, The Nasdaq Global Select Market, The Nasdaq Global Market or the Nasdaq Capital Market (or their respective successors); if the Shares are immediately re-listed, re-traded or re-quoted on any of NYSE American, the New York Stock Exchange, The Nasdaq Global Select Market, The Nasdaq Global Market or the Nasdaq Capital Market (or their respective successors), such exchange or quotation system shall thereafter be deemed to be the Exchange.

Additional Disruption Events:

Change in Law:

Applicable; *provided* that Section 12.9(a)(ii) of the Equity Definitions is hereby amended by (i) replacing the phrase “the interpretation” in the third line thereof with the phrase “, or public announcement of, the formal or informal interpretation”, (ii) replacing the word “Shares” where it appears in clause (X) thereof with the words “Hedge Position” and (iii) replacing the parenthetical beginning

after the word “regulation” in the second line thereof with the words “(including, for the avoidance of doubt and without limitation, (x) any tax law, (y) adoption, effectiveness or promulgation of new regulations authorized or mandated by existing statute, or (z) in the case of the laws of Canada or any political subdivision thereof, the public announcement or issuance by a relevant governmental authority of draft legislation, a notice of ways and means motion or a similar document)”. Notwithstanding anything to the contrary in the Equity Definitions, a Change in Law described in clause (Y) of Section 12.9(a)(ii) of the Equity Definitions shall not constitute a Change in Law and instead shall constitute an Increased Cost of Hedging as described in Section 12.9(a)(vi) of the Equity Definitions, and any such determination of a Change in Law shall be consistently applied by the Determining Party across transactions similar to the Transaction and for counterparties similar to Counterparty.

Hedging Disruption:

Applicable; *provided* that:

- (i) Section 12.9(a)(v) of the Equity Definitions is hereby amended by inserting the following two phrases at the end of such Section:

“For the avoidance of doubt, the term “equity price risk” shall be deemed to include, but shall not be limited to, stock price and volatility risk. And, for the further avoidance of doubt, any such transactions or assets referred to in phrases (A) or (B) above must be available on commercially reasonable pricing terms.”; and

- (ii) Section 12.9(b)(iii) of the Equity Definitions is hereby amended by inserting in the third line thereof, after the words “to terminate the Transaction”, the words “or, if a portion of the Transaction is affected by such Hedging Disruption (as determined by the Hedging Party in a commercially reasonable manner), such portion of the Transaction affected by such Hedging Disruption”.

Notwithstanding anything to the contrary herein or in the Equity Definitions, in no event will a Hedging Disruption occur solely due to the deterioration of the creditworthiness of the Hedging Party.

Increased Cost of Hedging:

Applicable solely with respect to a “Change in Law” described in clause (Y) of Section 12.9(a)(ii) of the Equity Definitions as set forth in the last sentence opposite the caption “Change in Law” above (which determination shall be consistently applied by the Determining Party across transactions similar to the Transaction and for counterparties similar to Counterparty).

Hedging Party: For all applicable Additional Disruption Events, Dealer. Following any determination by the Hedging Party hereunder (but not, for the avoidance of doubt, the making of any election it is entitled to make as “Hedging Party”), upon a request by Counterparty, the Hedging Party shall promptly (but in any event within five (5) Exchange Business Days) provide to Counterparty by e-mail a report (in a commonly used file format for the storage and manipulation of financial data) displaying in reasonable detail the basis for such determination (including any assumptions used in making such determination), it being understood that the Hedging Party shall not be obligated to disclose any proprietary models used by it for such determination or any information that may be proprietary or confidential or subject to an obligation not to disclose such information. All calculations, adjustments and determinations by Dealer acting in its capacity as the Hedging Party shall be made in good faith and in a commercially reasonable manner and assuming that Dealer maintains a commercially reasonable hedge position.

Determining Party: For all applicable Extraordinary Events, Dealer; *provided* that when making any determination or calculation as “Determining Party,” Dealer shall be bound by the same obligations relating to required acts of the Calculation Agent as set forth in Section 1.40 of the Equity Definitions and this Confirmation as if the Determining Party were the Calculation Agent. Following any determination or calculation by the Determining Party hereunder (but not, for the avoidance of doubt, the making of any election it is entitled to make as “Determining Party”), upon a request by Counterparty, the Determining Party shall promptly (but in any event within five (5) Exchange Business Days) provide to Counterparty by e-mail a report (in a commonly used file format for the storage and manipulation of financial data) displaying in reasonable detail the basis for such determination or calculation (including any assumptions used in making such determination or calculation), it being understood that the Determining Party shall not be obligated to disclose any proprietary models used by it for such determination or calculation or any information that may be proprietary or confidential or subject to an obligation not to disclose such information. All calculations, adjustments and determinations by Dealer acting in its capacity as the Determining Party shall be made in good faith and in a commercially reasonable manner and assuming that Dealer maintains a commercially reasonable hedge position.

Non-Reliance: Applicable

Agreements and Acknowledgments Regarding Hedging Activities: Applicable

Additional Acknowledgments: Applicable

Hedging Adjustments: For the avoidance of doubt, whenever the Determining Party or Calculation Agent is called upon or permitted to

make an adjustment pursuant to the terms of this Confirmation or the Equity Definitions to take into account the effect of an event (other than, for the avoidance of doubt, any adjustment that is required to be made by reference to the Indenture), the Determining Party or Calculation Agent, as the case may be, shall make such adjustment by reference to the effect of such event on Dealer assuming that Dealer maintains a commercially reasonable hedge position.

4. Calculation Agent.

Dealer, whose judgments, determinations and calculations shall be made in good faith and in a commercially reasonable manner; *provided* that, following the occurrence and during the continuance of an Event of Default of the type described in Section 5(a)(vii) of the Agreement with respect to which Dealer is the sole Defaulting Party, if the Calculation Agent fails to timely make any calculation, adjustment or determination required to be made by the Calculation Agent hereunder and such failure continues for five (5) Exchange Business Days following notice to the Calculation Agent by Counterparty of such failure, Counterparty shall have the right to designate a nationally recognized third-party dealer in over-the-counter corporate equity derivatives to act, during the period commencing on the date such Event of Default occurred and ending on the Early Termination Date with respect to such Event of Default, as the Calculation Agent. Following any determination, adjustment or calculation by the Calculation Agent hereunder, upon a request by Counterparty, the Calculation Agent shall promptly (but in any event within five (5) Exchange Business Days) provide to Counterparty by e-mail a report (in a commonly used file format for the storage and manipulation of financial data) displaying in reasonable detail the basis for such determination, adjustment or calculation (including any assumptions used in making such determination or calculation). It being understood that the Calculation Agent shall not be obligated to disclose any proprietary models used by it for such determination or calculation or any information that may be proprietary or confidential or subject to an obligation not to disclose such information. Dealer, whether as Calculation Agent, Hedging Party, Determining Party or otherwise, shall use commercially reasonable efforts to notify Counterparty of any event giving rise to any adjustment required or, to the extent it makes any such adjustment, permitted to be made to the terms of the Transaction, the terms being adjusted and, for each term so adjusted, such term, in each case, as promptly as reasonably practicable after giving effect to such adjustment.

5. Account Details.

8. Representations and Warranties of Counterparty.

Counterparty hereby represents and warrants to Dealer on the date hereof and as of the Premium Payment Date that:

- (a) Counterparty is validly existing under the laws of the jurisdiction of its organization or incorporation and in good standing. Counterparty has all necessary corporate power and authority to execute, deliver and perform its obligations in respect of the Transaction; such execution, delivery and performance have been duly authorized by all necessary corporate action on Counterparty's part; and this Confirmation has been duly and validly executed and delivered by Counterparty and constitutes its valid and binding obligation, enforceable against Counterparty in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally, and subject, as to enforceability, to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is sought in a proceeding at law or in equity) and except that rights to indemnification and contribution hereunder may be limited by applicable United States and Canadian federal, provincial or state securities laws or public policy relating thereto.
- (b) Neither the execution and delivery of this Confirmation nor the incurrence or performance of obligations of Counterparty hereunder will conflict with or result in a breach of the articles of incorporation or by-laws (or any equivalent documents) of Counterparty, or any applicable law or regulation, or any order, writ, injunction or decree of any court or governmental authority or agency, or any agreement or instrument filed as an exhibit to Counterparty's Annual Report on Form 40-F for the year ended April 30, 2025, as updated by any subsequent filings, to which Counterparty or any of its subsidiaries is a party or by which Counterparty or any of its subsidiaries is bound or to which Counterparty or any of its subsidiaries is subject, or constitute a default under, or result in the creation of any lien under, any such agreement or instrument.
- (c) No consent, approval, authorization, or order of, or filing with, any governmental agency or body or any court is required in connection with the execution, delivery or performance by Counterparty

of this Confirmation, except such as have been obtained or made and such as may be required under the Securities Act or provincial or state securities laws.

- (d) Counterparty is not and, after consummation of the transactions contemplated hereby, will not be required to register as an “investment company” as such term is defined in the Investment Company Act of 1940, as amended.
- (e) Counterparty is an “eligible contract participant” (as such term is defined in Section 1a(18) of the Commodity Exchange Act, as amended, other than a person that is an eligible contract participant under Section 1a(18)(C) of the Commodity Exchange Act).
- (f) Counterparty is not, on the date hereof, in possession of any material non-public information with respect to Issuer or the Shares.
- (g) To Counterparty’s actual knowledge, no state, provincial or local (including any U.S. and non-U.S. jurisdiction’s) law, rule, regulation or regulatory order applicable to the Shares would give rise to any reporting, consent, registration or other requirement (including without limitation a requirement to obtain prior approval from any person or entity) as a result of Dealer or its affiliates owning or holding (however defined) Shares; *provided* that Counterparty makes no representation or warranty regarding any such requirement that is applicable generally to the ownership of equity securities by Dealer or any of its affiliates solely as a result of it or any of such affiliates being financial institutions or broker-dealers or as required by Section 13 or Section 16 of the Exchange Act.
- (h) Counterparty (A) is capable of evaluating investment risks independently, both in general and with regard to all transactions and investment strategies involving a security or securities; (B) will exercise independent judgment in evaluating the recommendations of any broker-dealer or its associated persons, unless it has otherwise notified the broker-dealer in writing; (C) has consulted with its own legal, regulatory, tax, business, investments, financial and accounting advisors with respect to the Transaction to the extent that it has deemed necessary; and (D) has total assets of at least USD 50 million.
- (i) The assets of Counterparty do not constitute “plan assets” under the Employee Retirement Income Security Act of 1974, as amended, the Department of Labor Regulations promulgated thereunder or similar law.
- (j) On and immediately after the Trade Date and the Premium Payment Date, (A) there are no reasonable grounds for believing that (a) the Counterparty is, or would after the payment of the Premium be, unable to pay its liabilities as they become due; or (b) the realizable value of the Counterparty’s assets would after the payment of the Premium be less than the aggregate of its liabilities and stated capital of all classes of shares, (B) the capital of Counterparty is adequate to conduct the business of Counterparty, and Counterparty’s entry into the Transaction will not impair its capital, (C) Counterparty has the ability to pay and is paying its debts and obligations as such debts mature and does not intend to, or does not believe that it will, incur debt beyond its ability to pay as such debts mature, (D) Counterparty will be able to continue as a going concern; (E) Counterparty is not an “insolvent person” (as such term is defined under Section 2 of the *Bankruptcy and Insolvency Act* (Canada), R.S.C., 1985, c. B-3 or is insolvent within the meaning of Canadian Insolvency Law (as defined below) and (F) Counterparty would be able to purchase the number of Shares with respect to the Transaction in compliance with the laws of the jurisdiction of Counterparty’s incorporation.
- (k) Counterparty is a “local counterparty” (as such term is defined under applicable Canadian securities laws, including Multilateral Instrument 96-101 *Derivatives: Trade Reporting*) for the purposes of the transactions contemplated hereby and is an “eligible derivatives party” as defined under National Instrument 93-101 *Derivatives: Business Conduct* pursuant to paragraph (m) of that definition being a person or company, other than an individual, that has net assets of at least CAD 25,000,000 as shown on its most recently prepared financial statements.
- (l) The Transaction, including the exercise or deemed exercise of any Option hereunder (whether at maturity, upon early termination or cancellation or otherwise), shall not constitute an “issuer bid”

as such term is defined in National Instrument 62-104—*Take-Over Bids and Issuer Bids*, and provided that the Dealer is acting as principal in undertaking commercially reasonable hedging activities with respect to the Shares for its own account as contemplated by this Confirmation, such hedging activities will not constitute indirect participation in an issuer bid.

- (m) [Reserved].
- (n) Each of Dealer and Counterparty acknowledges that the offer and sale of the Transaction to it is intended to be exempt from registration under the Securities Act, by virtue of Section 4(a)(2) thereof. Accordingly, Counterparty represents and warrants to Dealer that (i) it has the financial ability to bear the economic risk of its investment in the Transaction and is able to bear a total loss of its investment and its investments in and liabilities in respect of the Transaction, which it understands are not readily marketable, are not disproportionate to its net worth, and it is able to bear any loss in connection with the Transaction, including the loss of its entire investment in the Transaction, (ii) it is an “accredited investor” as that term is defined in Regulation D as promulgated under the Securities Act, (iii) it is entering into the Transaction for its own account and without a view to the distribution or resale thereof, (iv) the assignment, transfer or other disposition of the Transaction has not been and will not be registered under the Securities Act and is restricted under this Confirmation, the Securities Act and state securities laws, and (v) its financial condition is such that it has no need for liquidity with respect to its investment in the Transaction and no need to dispose of any portion thereof to satisfy any existing or contemplated undertaking or indebtedness and is capable of assessing the merits of and understanding (on its own behalf or through independent professional advice), and understands and accepts, the terms, conditions and risks of the Transaction.
- (o) Without limiting the generality of Section 13.1 of the Equity Definitions, Counterparty acknowledges that neither Dealer nor any of its affiliates is making any representations or warranties or taking any position or expressing any view with respect to the treatment of the Transaction under any accounting standards including ASC Topic 260, *Earnings Per Share*, ASC Topic 815, *Derivatives and Hedging*, or ASC Topic 480, *Distinguishing Liabilities from Equity* and ASC 815-40, *Derivatives and Hedging – Contracts in Entity's Own Equity* (or any successor issue statements).
- (p) For purposes of disclosure pursuant to the *Interest Act* (Canada), as amended, restated, replaced or re-enacted from time to time, Counterparty acknowledge that the yearly rate of interest to which any rate of interest or other amount payable under this Confirmation, which is to be calculated on the basis of a number of days that is less than a full calendar year, is equivalent may be determined by multiplying such rate by a fraction, the numerator of which is the actual number of days in the calendar year in which such yearly interest is to be ascertained and the denominator of which is the number of days comprising such other basis.
- (q) Counterparty shall provide a written notice to Dealer as promptly as practicable prior to the Counterparty ceasing to be a “foreign private issuer” (as such term is defined in Rule 3b-4 under the Exchange Act) or the Shares otherwise becoming subject to the requirements of Section 16 of the Exchange Act.

9. **Other Provisions.**

- (a) **Opinions.** Counterparty shall deliver to Dealer an opinion of U.S. counsel and an opinion of Canadian counsel, dated as of the Premium Payment Date, collectively with respect to the legal matters set forth in Sections 8(a) through (c) of this Confirmation; *provided* that any such opinions of counsel may contain customary exceptions and qualifications. Delivery of such opinions to Dealer shall be a condition precedent for the purpose of Section 2(a)(iii) of the Agreement with respect to each obligation of Dealer under Section 2(a)(i) of the Agreement.
- (b) **Repurchase Notices.** Counterparty shall, on or prior to the date one Scheduled Trading Day immediately following any date on which Issuer has effected any repurchase of Shares, promptly give Dealer a written notice of such repurchase (a “**Repurchase Notice**”) on such day if following

such repurchase, the number of outstanding Shares as determined on such day is (i) less than []¹¹ million (in the case of the first such notice) or (ii) thereafter more than []¹² million less than the number of Shares included in the immediately preceding Repurchase Notice; *provided* that, with respect to any repurchase of Shares pursuant to a plan under Rule 10b5-1 under the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), Counterparty may elect to satisfy such requirement by promptly giving Dealer written notice of the entry into such plan, the maximum number of Shares that may be repurchased thereunder and the approximate dates or periods during which such repurchases may occur (with such maximum number of Shares deemed repurchased on the date of such notice for purposes of this Section 9(b)). Counterparty agrees that, if Counterparty(x) fails to provide Dealer with a Repurchase Notice on the day and in the manner specified in this paragraph or (y) fails to provide Dealer a notice pursuant to Section 8(q) of this Confirmation, Counterparty will indemnify and hold harmless Dealer and its affiliates and their respective officers, directors, employees, affiliates, advisors, agents and controlling persons (each, an “**Indemnified Person**”) from and against any and all losses (including losses relating to Dealer’s hedging activities as a consequence of becoming, or of the risk of becoming, a Section 16 “insider”, including without limitation, any forbearance from hedging activities or cessation of hedging activities and any losses in connection therewith with respect to the Transaction), claims, damages, judgments, liabilities and reasonable expenses (including reasonable attorney’s fees), joint or several, which an Indemnified Person may become subject to, in each case, as a result of such failure, and to reimburse, within 30 days, upon written request, each of such Indemnified Persons for any reasonable legal or other expenses incurred in connection with investigating, preparing for, providing testimony or other evidence in connection with or defending any of the foregoing. If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against the Indemnified Person as a result of Counterparty’s failure to provide Dealer with a Repurchase Notice in accordance with this paragraph, such Indemnified Person shall promptly notify Counterparty in writing, and Counterparty, upon request of the Indemnified Person, shall retain counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person and any others Counterparty may designate in such proceeding and shall pay the reasonable fees and expenses of such counsel related to such proceeding. Counterparty shall not be liable for any settlement of any proceeding contemplated by this paragraph that is effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, Counterparty agrees to indemnify any Indemnified Person from and against any loss or liability by reason of such settlement or judgment. Counterparty shall not, without the prior written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding contemplated by this paragraph that is in respect of which any Indemnified Person is or could have been a party and indemnity could have been sought hereunder by such Indemnified Person, unless such settlement includes an unconditional release of such Indemnified Person from all liability on claims that are the subject matter of such proceeding on terms reasonably satisfactory to such Indemnified Person. If the indemnification provided for in this paragraph is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then Counterparty hereunder, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities. The remedies provided for in this paragraph (b) are not exclusive and shall not limit any rights or remedies which may otherwise be available to any Indemnified Person at law or in equity. The indemnity and contribution agreements contained in this paragraph shall remain operative and in full force and effect regardless of the termination of the Transaction.

- (c) Regulation M and OSC Rule 48-501. Counterparty is not on the Trade Date engaged in a distribution, as such term is used in Regulation M under the Exchange Act, of any securities of Counterparty, other than a distribution meeting the requirements of the exception set forth in Rules

¹¹ Insert the number of Shares outstanding that would cause the current position in the Shares underlying the Transaction of the Dealer with the highest Applicable Percentage (including the number of Shares underlying any additional transaction if the greenshoe is exercised in full) to increase by 0.5%.

¹² Insert the number of Shares that, if repurchased, would cause the current position in the Shares underlying the Transaction of the Dealer with the highest Applicable Percentage (including the number of Shares underlying any additional transaction if the greenshoe is exercised in full) to increase by a further 0.5% from the threshold for the first Repurchase Notice.

101(b)(10) and 102(b)(7) of Regulation M. Counterparty shall not, until the second Scheduled Trading Day immediately following the Effective Date, engage in any such distribution. Counterparty will not take, directly or indirectly, any action prohibited by Ontario Securities Commission Rule 48-501 – *Trading during Distributions, Formal Bids and Share Exchange Transactions* in connection with the Transaction.

- (d) *No Manipulation.* Counterparty is not entering into the Transaction to create actual or apparent trading activity in the Shares (or any security convertible into or exchangeable for the Shares) or to raise or depress or otherwise manipulate the price of the Shares (or any security convertible into or exchangeable for the Shares) or otherwise in violation of the Exchange Act or applicable Canadian securities laws.
- (e) *Transfer or Assignment.*
 - (i) Counterparty shall have the right to transfer or assign its rights and obligations hereunder with respect to all, but not less than all, of the Options hereunder (such Options, the “**Transfer Options**”); *provided* that such transfer or assignment shall be subject to reasonable conditions that Dealer may impose, including but not limited, to the following conditions:
 - (A) with respect to any Transfer Options, Counterparty shall not be released from its notice and indemnification obligations pursuant to Section 9(b) of this Confirmation or any obligations under Section 9(l) or 9(q) of this Confirmation;
 - (B) any Transfer Options shall only be transferred or assigned to a third party that is a United States person (as defined in the Internal Revenue Code of 1986, as amended (the “**Code**”));
 - (C) such transfer or assignment shall be effected on terms, including any reasonable undertakings by such third party (including, but not limited to, an undertaking with respect to compliance with applicable Canadian and United States securities laws in a manner that, in the reasonable judgment of Dealer, will not expose Dealer to material risks under applicable Canadian and United States securities laws) and execution of any documentation and delivery of legal opinions with respect to applicable Canadian and United States securities laws and other matters by such third party and Counterparty, as are requested and reasonably satisfactory to Dealer;
 - (D) under the applicable law effective on or as of the date of such transfer and assignment, (1) Dealer will not, as a result of such transfer and assignment (including, for the avoidance of doubt, after giving effect to any indemnity from the transferee or assignee to Dealer provided in connection with such transfer or assignment), be required to pay the transferee or assignee on any payment date an amount under Section 2(d)(i)(4) of the Agreement greater than the amount that Dealer would have been required to pay to Counterparty in the absence of such transfer and assignment, except to the extent that the greater amount is due to a Change in Tax Law after the date of such transfer or assignment and (2) Dealer shall be entitled to a payment from such transferee or assignee (including, for the avoidance of doubt, after giving effect to any indemnity from the transferee or assignee to Dealer provided in connection with such transfer or assignment), on any payment date, that is not less than the payment Dealer would have received in the absence of such transfer and/or assignment on account of any deduction or withholding for or on account of any Tax (as defined in the Agreement), except to the extent such deduction or withholding is due to a Change in Tax Law after the date of such transfer or assignment;

- (E) an Event of Default, Potential Event of Default or Termination Event will not occur as a result of such transfer and assignment;
 - (F) Without limiting the generality of clause (B), Counterparty shall cause the transferee to make such Payee Tax Representations and to provide such tax documentation as may be reasonably requested by Dealer to permit Dealer to determine that results described in clauses (D) and (E) will not occur upon or after such transfer and assignment; and
 - (G) Counterparty shall be responsible for all reasonable costs and expenses, including reasonable counsel fees, incurred by Dealer in connection with such transfer or assignment.
- (ii) Dealer may transfer or assign all or any part of its rights or obligations under the Transaction (A) without Counterparty's consent, to any affiliate of Dealer (1) that has a long-term issuer rating that is equal to or better than Dealer's credit rating at the time of such transfer or assignment, or (2) whose obligations hereunder will be guaranteed, pursuant to the terms of a customary guarantee in a form used by Dealer generally for similar transactions, by Dealer or Dealer's ultimate parent, or (B) with Counterparty's consent (such consent not to be unreasonably withheld or delayed), to any other third party with a long-term issuer rating equal to or better than the lesser of (1) the credit rating of Dealer at the time of the transfer and (2) A- by Standard and Poor's Financial Services LLC or its successor ("**S&P**"), or A3 by Moody's Investor Service, Inc. or its successor ("**Moody's**") or, if either S&P or Moody's ceases to rate such debt, at least an equivalent rating or better by a substitute rating agency mutually agreed by Counterparty and Dealer; *provided* that, in the case of any transfer or assignment described in clause (A) or (B) above, under the applicable law effective on or as of the date of such transfer or assignment, (i) no Event of Default, Potential Event of Default or Termination Event will occur as a result of such transfer or assignment, (ii) both Dealer and the transferee or assignee in any such transfer or assignment are a "dealer in securities" within the meaning of Section 475(c)(1) of the Code, or such transfer or assignment will not constitute a "deemed exchange" by Counterparty within the meaning of Section 1001 of the Code, (iii)(1) Counterparty will not, as a result of such transfer or assignment (including, for the avoidance of doubt, after giving effect to any indemnity to Counterparty provided in connection with such transfer or assignment), be required to pay the transferee or assignee on any payment date an amount under Section 2(d)(i)(4) of the Agreement greater than the amount that Counterparty would have been required to pay to Dealer in the absence of such transfer or assignment, except to the extent that the greater amount is due to a Change in Tax Law after the date of such transfer or assignment and (2) Counterparty shall be entitled to a payment (including, for the avoidance of doubt, after giving effect to any indemnity to Counterparty provided in connection with such transfer or assignment), on any payment date, that is not less than the payment Counterparty would have received in the absence of such transfer and/or assignment on account of any deduction or withholding for or on account of any Tax (as defined in the Agreement), except to the extent such deduction or withholding is due to a Change in Tax Law after the date of such transfer or assignment. If at any time at which (A) the Section 13 Percentage exceeds 9.0%, (B) the Option Equity Percentage exceeds 14.5%, or (C) the Share Amount exceeds the Applicable Share Limit (if any applies) (any such condition described in clauses (A), (B) or (C)), an "**Excess Ownership Position**"), Dealer is unable after using its commercially reasonable efforts to effect a transfer or assignment of Options to a third party on pricing terms reasonably acceptable to Dealer and within a time period reasonably acceptable to Dealer such that no Excess Ownership Position exists, then Dealer may designate any Exchange Business Day as an Early Termination Date with respect to a portion of the Transaction (the "**Terminated Portion**"), such that following such partial termination no Excess Ownership Position exists. In the event that Dealer so designates an Early Termination Date with respect to a portion of the Transaction, a payment shall be made pursuant to Section 6 of the Agreement as if (1) an Early Termination Date had been designated in respect of a Transaction having terms identical to the Transaction and a Number of Options equal to the number of Options

underlying the Terminated Portion, (2) Counterparty were the sole Affected Party with respect to such partial termination and (3) the Terminated Portion were the sole Affected Transaction. The “**Section 13 Percentage**” as of any day is the fraction, expressed as a percentage, (A) the numerator of which is the number of Shares that Dealer and any of its affiliates or any other person subject to aggregation with Dealer for purposes of the “beneficial ownership” test under Section 13 of the Exchange Act, or any “group” (within the meaning of Section 13 of the Exchange Act) of which Dealer is or may be deemed to be a part beneficially owns (within the meaning of Section 13 of the Exchange Act), without duplication, on such day (or, to the extent that for any reason the equivalent calculation under Section 16 of the Exchange Act applies with respect to the Shares and the rules and regulations thereunder results in a higher number, such higher number) and (B) the denominator of which is the number of Shares outstanding on such day. The “**Option Equity Percentage**” as of any day is the fraction, expressed as a percentage, (A) the numerator of which is the sum of (1) the product of the Number of Options and the Option Entitlement and (2) the aggregate number of Shares underlying any other call option transaction sold by Dealer to Counterparty, and (B) the denominator of which is the number of Shares outstanding. The “**Share Amount**” as of any day is the number of Shares that Dealer and any person whose ownership position would be aggregated with that of Dealer (Dealer or any such person, a “**Dealer Person**”) under any federal, state, provincial or local (including U.S. and any non-U.S. jurisdiction’s) law, rule, regulation, regulatory order or organizational documents or contracts of Counterparty that are, in each case, applicable to ownership of Shares (“**Applicable Restrictions**”), owns, beneficially owns, constructively owns, controls, holds the power to vote or otherwise meets a relevant definition of ownership under any Applicable Restriction, as determined by Dealer in its reasonable discretion. The “**Applicable Share Limit**” means a number of Shares equal to (A) the minimum number of Shares that could give rise to reporting or registration obligations (except for any filing requirements on Form 13F, Schedule 13D or Schedule 13G under the Exchange Act, in each case, as in effect on the Trade Date) or other requirements (including obtaining prior approval from any person or entity) of a Dealer Person, or could result in an adverse effect on a Dealer Person, under any Applicable Restriction, as determined by Dealer in its reasonable discretion, *minus* (B) 1% of the number of Shares outstanding. Dealer shall cause the transferee or assignee to make the Payee Tax Representations and to provide such tax documentation as may be reasonably requested by Counterparty to permit Counterparty to determine that the results described in (ii), (iii)(1) and (iii)(2) of this paragraph will not occur upon or after the transfer and assignment.

(iii) Notwithstanding any other provision in this Confirmation to the contrary requiring or allowing Dealer to purchase, sell, receive or deliver any Shares or other securities, or to make or receive any payment in cash, to or from Counterparty, Dealer may designate any of its affiliates to purchase, sell, receive or deliver any Shares or other securities, or to make or receive such payment in cash, and otherwise to perform Dealer’s obligations in respect of the Transaction and any such designee may assume such obligations. Counterparty shall be entitled to a payment, on any payment date, that is not, after giving effect to any amounts paid under Section 2(d)(i)(4) of the Agreement, less than the payment Counterparty would have received in the absence of such designation on account of any deduction or withholding for or on account of any Tax (as defined in the Agreement), except to the extent such deduction or withholding results from a Change in Tax Law occurring after the date of such designation. Dealer shall be discharged of its obligations to Counterparty to the extent of any such performance.

(f) Eligible Financial Contract. The parties intend that this Agreement, including all Transactions entered into hereunder, shall be an “eligible financial contract” as such term is defined in the *Bankruptcy and Insolvency Act* (Canada), the *Companies’ Creditors Arrangement Act* (Canada) and the *Winding-Up and Restructuring Act* (Canada) (collectively, “**Canadian Insolvency Law**”).

(g) Additional Termination Events.

(i) Notwithstanding anything to the contrary in this Confirmation, upon any Early Conversion in respect of which a “Notice of Conversion” (as such term is defined in the Indenture) that is effective as to Counterparty has been delivered by the relevant converting “Holder” (as such term is defined in the Indenture):

(A) Counterparty may, in its sole and absolute discretion, within ten (10) Scheduled Trading Days of the Conversion Date for such Early Conversion, provide written notice (an “**Early Conversion Notice**”) to Dealer specifying the number of Convertible Notes surrendered for conversion on such Conversion Date (such Convertible Notes, the “**Affected Convertible Notes**”), and the giving of such Early Conversion Notice shall constitute an Additional Termination Event as provided in this clause (i) (provided that any such Early Conversion Notice shall contain the representation and warranty that Counterparty is not, on the date thereof, in possession of any material non-public information with respect to Counterparty or the Shares);

(B) upon receipt of any Early Conversion Notice, Dealer shall designate an Exchange Business Day as an Early Termination Date (which Exchange Business Day shall be as promptly as reasonably practicable following the Conversion Date for such Early Conversion) with respect to the portion of the Transaction corresponding to a number of Options (the “**Affected Number of Options**”) equal to the lesser of (x) the number of Affected Convertible Notes (as defined below) [minus the “Affected Number of Options” (as defined in the Base Call Option Confirmation), if any, that relate to such Affected Convertible Notes]¹³ and (y) the Number of Options as of the Conversion Date for such Early Conversion;

(C) any payment hereunder with respect to such termination shall be calculated pursuant to Section 6 of the Agreement as if (x) an Early Termination Date had been designated in respect of a Transaction having terms identical to the Transaction and a Number of Options equal to the Affected Number of Options, (y) Counterparty were the sole Affected Party with respect to such Additional Termination Event and (z) the terminated portion of the Transaction were the sole Affected Transaction;

(D) for the avoidance of doubt, in determining the amount payable in respect of such Affected Transaction pursuant to Section 6 of the Agreement, the Calculation Agent shall assume that (x) the relevant Early Conversion and any conversions, adjustments, agreements, payments, deliveries or acquisitions by or on behalf of Counterparty leading thereto had not occurred, (y) no adjustments to the “Conversion Rate” (as defined in the Indenture) have occurred pursuant to any Excluded Provision and (z) the corresponding Convertible Notes remain outstanding; and

(E) the Transaction shall remain in full force and effect, except that, as of the Early Termination Date for such Early Conversion, the Number of Options shall be reduced by the Affected Number of Options.

(ii) [Reserved.]

¹³ Include in Additional Call Option Confirmation only.

- (iii) Within ten (10) Scheduled Trading Days following any Repayment Event (as defined below), Counterparty may notify Dealer of such Repayment Event and the aggregate principal amount of Convertible Notes subject to such Repayment Event (any such notice, a “**Repayment Notice**”); *provided* that any such Repayment Notice shall contain an acknowledgement by Counterparty of its responsibilities under applicable securities laws, and in particular Section 9 and Section 10(b) of the Exchange Act and the rules and regulations thereunder, in respect of the delivery of such Repayment Notice and shall remake the representation set forth in Section 8(f) hereof as of the date of such Repayment Notice. [Any Repayment Notice delivered to Dealer pursuant to the Base Call Option Confirmation shall be deemed to be a Repayment Notice pursuant to this Confirmation and the terms of such Repayment Notice shall apply, *mutatis mutandis*, to this Confirmation]¹⁴. The receipt by Dealer from Counterparty of any Repayment Notice shall constitute an Additional Termination Event as provided in this Section 9(h)(iii). Upon receipt of any such Repayment Notice, Dealer shall designate an Exchange Business Day following receipt of such Repayment Notice (which Exchange Business Day shall be on or as promptly as reasonably practicable after the related repurchase settlement date for the relevant Repayment Event) as an Early Termination Date with respect to the portion of the Transaction corresponding to a number of Options (the “**Repayment Options**”) equal to the lesser of (A) [(x)] the aggregate principal amount of such Convertible Notes specified in such Repayment Notice, *divided by* USD 1,000, [*minus* (y) the number of “Repayment Options” (as defined in the Base Call Option Confirmation), if any, that relate to such Convertible Notes (and for the purposes of determining whether any Options under this Confirmation or under the Base Call Option Confirmation will be among the Repayment Options hereunder or under, and as defined in, the Base Call Option Confirmation, the Convertible Notes specified in such Repayment Notice shall be allocated first to the Base Call Option Confirmation until all Options thereunder are exercised or terminated)]¹⁵, and (B) the Number of Options as of the date Dealer designates such Early Termination Date and, as of such date, the Number of Options shall be reduced by the number of Repayment Options. Any payment hereunder with respect to such termination shall be calculated pursuant to Section 6 of the Agreement as if (1) an Early Termination Date had been designated in respect of a Transaction having terms identical to the Transaction and a Number of Options equal to the number of Repayment Options, (2) Counterparty were the sole Affected Party with respect to such Additional Termination Event, (3) no adjustments to the “Conversion Rate” (as defined in the Indenture) have occurred pursuant to an Excluded Provision, (4) the corresponding Convertible Notes remain outstanding as if the circumstances related to such Repayment Event had not occurred, (5) the relevant Repayment Event and any conversions, adjustments, agreements, payments, deliveries or acquisitions by or on behalf of Counterparty leading thereto had not occurred and (6) the terminated portion of the Transaction were the sole Affected Transaction. “**Repayment Event**” means that (i) any Convertible Notes are repurchased or redeemed (whether in connection with or as a result of a fundamental change, howsoever defined, or for any other reason) by Counterparty or any of its subsidiaries, (ii) any Convertible Notes are delivered to Counterparty or any of its subsidiaries in exchange for delivery of any property or assets of Counterparty or any of its subsidiaries (howsoever described), (iii) any principal of any of the Convertible Notes is repaid prior to the final maturity date of the Convertible Notes, or (iv) any Convertible Notes are exchanged by or for the benefit of the Holders (as defined in the Indenture) thereof for any other securities of Counterparty or any of its subsidiaries (or any other property, or any combination thereof) pursuant to any exchange offer or similar transaction. For the avoidance of doubt, any conversion of Convertible Notes (whether into cash, Shares, “Reference Property” (as defined in the Indenture) or any combination thereof) pursuant to the terms of the Indenture shall not constitute a Repayment Event.

- (h) Amendments to Equity Definitions.
- (i) Section 11.2(e)(vii) of the Equity Definitions is hereby amended by deleting the words “a diluting or concentrative” and replacing them with the words “a material” and adding the phrase “or the Options, as a result of a corporate event involving the Issuer” at the end of the sentence.
 - (ii) Section 12.1(d) of the Equity Definitions is hereby amended by replacing “10%” with “20%” in the third line thereof and by replacing all references to “voting shares” therein with “Shares”.
 - (iii) Section 12.6(a)(ii) of the Equity Definitions is hereby amended by (1) inserting “(1)” immediately following the word “means” in the first line thereof and (2) inserting immediately prior to the semi-colon at the end of subsection (B) thereof the following words: “or (2) the occurrence of any of the events specified in Section 5(a)(vii)(1) through (9) of the ISDA Master Agreement with respect to that Issuer”.
 - (iv) The first sentence of Section 12.7(b) of the Equity Definitions is hereby amended by inserting, prior to the period at the end thereof, the following phrase: “; provided that in the case of a Merger Event or Tender Offer, the parties shall use commercially reasonable efforts to agree on such amount on or prior to the Merger Event Date or Tender Offer Date, as the case may be”.
 - (v) Section 12.9(b)(i) of the Equity Definitions is hereby amended by (1) replacing “either party may elect” with “Dealer may elect” and (2) replacing “notice to the other party” with “notice to Counterparty” in the first sentence of such section.
 - (vi) “Extraordinary Dividend” (as such term is used in the Equity Definitions) means any cash dividend on the Shares.
- (i) No Netting or Set-off. The provisions of Section 2(c) of the Agreement shall not apply to the Transaction. Each party waives any and all rights it may have to set-off delivery or payment obligations it owes to the other party under the Transaction against any delivery or payment obligations owed to it by the other party under any other agreement between the parties hereto, by operation of law or otherwise.
- (j) [Reserved.]
- (k) Waiver of Jury Trial. Each party waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect of any suit, action or proceeding relating to the Transaction. Each party (i) certifies that no representative, agent or attorney of either party has represented, expressly or otherwise, that such other party would not, in the event of such a suit, action or proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that it and the other party have been induced to enter into the Transaction, as applicable, by, among other things, the mutual waivers and certifications provided herein.
- (l) Registration. Counterparty hereby agrees that if, in the good faith reasonable judgment of Dealer, based on the advice of counsel, the Shares (“**Hedge Shares**”) acquired by Dealer for the purpose of effecting a commercially reasonable hedge of its obligations pursuant to the Transaction cannot be sold in the public market by Dealer without registration under the Securities Act, Counterparty shall, at its election made in its sole discretion, either (i) in order to allow Dealer to sell the Hedge Shares in a registered offering, make available to Dealer an effective registration statement under the Securities Act and (A) enter into an agreement, in form and substance satisfactory to Dealer, substantially in the form of an underwriting agreement for a registered secondary offering of similar size, (B) provide accountant’s “comfort” letters, (C) provide disclosure opinions and other customary opinions, certificates and closing documents customary in form for registered offerings of equity securities and (D) afford Dealer a reasonable opportunity to conduct a “due diligence” investigation (in all cases of (A)-(D) above, as would be usual and customary for offerings for companies of similar size and in a similar industry) (*provided, however, that if Dealer, in its sole*

reasonable discretion, is not satisfied with access to due diligence materials, the results of its due diligence investigation, or the procedures and documentation for the registered offering referred to above, then clause (ii) or clause (iii) of this paragraph shall apply at the election of Counterparty), (ii) in order to allow Dealer to sell the Hedge Shares in a private placement, Counterparty will use its best efforts to enter into a private placement agreement substantially similar to private placement purchase agreements customary for private placements of equity securities of similar size, in form and substance satisfactory to Dealer (in which case, the Calculation Agent shall make any adjustments to the terms of the Transaction that are necessary, in its reasonable judgment, to compensate Dealer for any commercially reasonable discount from the public market price of the Shares incurred on the sale of Hedge Shares in a private placement of similar size), or (iii) purchase the Hedge Shares from Dealer at the then-current market price on such Exchange Business Days, and in the amounts and at such time(s), requested by Dealer. This Section 9(l) shall survive the termination, expiration or early unwind of the Transaction.

- (m) Tax Disclosure. Effective from the date of commencement of discussions concerning the Transaction, Counterparty and each of its employees, representatives, or other agents may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the Transaction and all materials of any kind (including opinions or other tax analyses) that are provided to Counterparty relating to such tax treatment and tax structure.
- (n) Right to Extend. Dealer may postpone or add, in whole or in part, any Valid Day or Valid Days during the Settlement Averaging Period or any other date of valuation, payment or delivery by Dealer, with respect to some or all of the Options hereunder, if Dealer reasonably determines, in its discretion, based on the advice of counsel in the case of clause (ii) below, that such action is reasonably necessary or appropriate (i) to preserve Dealer's commercially reasonable hedging or hedge unwind activity hereunder in light of existing liquidity conditions (but only if there is a material decrease in liquidity relative to Dealer's expectations on the Trade Date) or (ii) to enable Dealer to effect purchases of Shares in connection with its hedging, hedge unwind or settlement activity hereunder in a manner that would, if Dealer were Issuer or an affiliated purchaser of Issuer, be in compliance with applicable legal, regulatory or self-regulatory requirements, or with related policies and procedures applicable to Dealer (*provided* that such policies and procedures have been adopted by Dealer in good faith and are generally applicable in similar situations and applied in a non-discriminatory manner); *provided further* that no such Valid Day or other date of valuation, payment or delivery may be postponed or added more than 45 Valid Days after the original Valid Day or other date of valuation, payment or delivery, as the case may be.
- (o) Status of Claims in Bankruptcy. Dealer acknowledges and agrees that this Confirmation is not intended to convey to Dealer rights against Counterparty with respect to the Transaction that are senior to the claims of common shareholders of Counterparty in any United States bankruptcy proceedings of Counterparty; *provided* that nothing herein shall limit or shall be deemed to limit Dealer's right to pursue remedies in the event of a breach by Counterparty of its obligations and agreements with respect to the Transaction; *provided, further* that nothing herein shall limit or shall be deemed to limit Dealer's rights in respect of any transactions other than the Transaction.
- (p) Securities Contract; Swap Agreement. Each of Dealer and Counterparty agrees and acknowledges that Dealer is a "financial institution," "swap participant" and "financial participant" within the meaning of Sections 101(22), 101(53C) and 101(22A) of the Bankruptcy Code. The parties hereto further agree and acknowledge (A) that this Confirmation is (i) a "securities contract," as such term is defined in Section 741(7) of the Bankruptcy Code, with respect to which each payment and delivery hereunder or in connection herewith is a "termination value," "payment amount" or "other transfer obligation" within the meaning of Section 362 of the Bankruptcy Code and a "settlement payment" within the meaning of Section 546 of the Bankruptcy Code, and (ii) a "swap agreement," as such term is defined in Section 101(53B) of the Bankruptcy Code, with respect to which each payment and delivery hereunder or in connection herewith is a "termination value," "payment amount" or "other transfer obligation" within the meaning of Section 362 of the Bankruptcy Code and a "transfer" within the meaning of Section 546 of the Bankruptcy Code, and (B) that Dealer is entitled to the protections afforded by, among other sections, Sections 362(b)(6), 362(b)(17), 362(b)(27), 362(o), 546(e), 546(g), 546(j), 548(d)(2), 555, 560 and 561 of the Bankruptcy Code.

- (q) Notice of Certain Other Events. Counterparty covenants and agrees that:
- (i) promptly following the public announcement of the results of any election by the holders of Shares with respect to the consideration due upon consummation of any Merger Event, Counterparty shall give Dealer written notice of the weighted average of the types and amounts of consideration received by holders of Shares upon consummation of such Merger Event (the date of such notification, the “**Consideration Notification Date**”); *provided* that in no event shall the Consideration Notification Date be later than the date on which such Merger Event is consummated; and
- (A) Counterparty shall give Dealer commercially reasonable advance (but in any event at least one Exchange Business Day prior to the relevant Adjustment Notice Deadline) written notice of the section or sections of the Indenture and, if applicable, the formula therein, pursuant to which any adjustment will be made to the Convertible Notes in connection with any Potential Adjustment Event (other than a Potential Adjustment Event in respect of the Dilution Adjustment Provisions set forth in Section 14.04(b) or Section 14.04(d) of the Indenture) or Merger Event (or, if the Convertible Notes are no longer outstanding, any such Potential Adjustment Event or Merger Event that would have resulted in an adjustment to the Convertible Notes if the Convertible Notes were outstanding) and (B) promptly following any such adjustment, Counterparty shall give Dealer written notice of the details of such adjustment (or such adjustment that would have occurred if the Convertible Notes were outstanding, as the case may be). The “**Adjustment Notice Deadline**” means (i) for any Potential Adjustment Event in respect of the Dilution Adjustment Provision set forth in Section 14.04(a) of the Indenture, the relevant “Ex-Dividend Date” (as such term is defined in the Indenture) or “Effective Date” (as such term is defined in the Indenture), as the case may be, (ii) for any Potential Adjustment Event in respect of the Dilution Adjustment Provision in the first formula set forth in Section 14.04(c) of the Indenture, the first “Trading Day” (as such term is defined in the Indenture) of the period referred to in the definition of “SP₀” in such formula, (iii) for any Potential Adjustment Event in respect of the Dilution Adjustment Provision in the second formula set forth in Section 14.04(c) of the Indenture, the first “Trading Day” (as such term is defined in the Indenture) of the “Valuation Period” (as such term is defined in the Indenture), (iv) for any Potential Adjustment Event in respect of the Dilution Adjustment Provision set forth in Section 14.04(e) of the Indenture, the first “Trading Day” (as such term is defined in the Indenture) of the period referred to in the definition of “SP₁” in the formula in such Section, and (v) for any Merger Event, the effective date of such Merger Event (or, if earlier, the first day of any valuation or similar period in respect of such Merger Event).
- (r) Wall Street Transparency and Accountability Act. In connection with Section 739 of the Wall Street Transparency and Accountability Act of 2010 (“WSTAA”), the parties hereby agree that neither the enactment of WSTAA or any regulation under the WSTAA, nor any requirement under WSTAA or an amendment made by WSTAA, shall limit or otherwise impair either party’s otherwise applicable rights to terminate, renegotiate, modify, amend or supplement this Confirmation or the Agreement, as applicable, arising from a termination event, force majeure, illegality, increased costs, regulatory change or similar event under this Confirmation, the Equity Definitions incorporated herein, or the Agreement (including, but not limited to, rights arising from Change in Law, Hedging Disruption, Increased Cost of Hedging, an Excess Ownership Position, or Illegality (as defined in the Agreement)).
- (s) Agreements and Acknowledgements Regarding Hedging. Counterparty understands, acknowledges and agrees that: (A) at any time on and prior to the Expiration Date, Dealer and its affiliates may buy or sell Shares or other securities or buy or sell options or futures contracts or enter into swaps or other derivative securities in order to adjust its hedge position with respect to the Transaction; (B) Dealer and its affiliates also may be active in the market for Shares other than in connection with hedging activities in relation to the Transaction; (C) Dealer shall make its own determination as to whether, when or in what manner any hedging or market activities in securities of Issuer shall be conducted and shall do so in a manner that it deems appropriate to hedge its price and market risk with respect to the Relevant Prices; and (D) any market activities of Dealer and its affiliates with respect to Shares may affect the market price and volatility of Shares, as well as the Relevant Prices, each in a manner that may be adverse to Counterparty.

- (t) Early Unwind. In the event the sale of the [“Firm Securities”][“Option Securities”] (as defined in the Purchase Agreement (the “**Purchase Agreement**”) dated as of November [____], 2025, among Counterparty and [Cantor Fitzgerald & Co.] as representative of the Initial Purchasers party thereto (the “**Initial Purchasers**”)) is not consummated with the Initial Purchasers for any reason, or Counterparty fails to deliver to Dealer opinions of counsel as required pursuant to Section 9(a), in each case by 5:00 p.m. (New York City time) on the Premium Payment Date, or such later date as agreed upon by the parties (the Premium Payment Date or such later date the “**Early Unwind Date**”), the Transaction shall automatically terminate (the “**Early Unwind**”), on the Early Unwind Date and (i) the Transaction and all of the respective rights and obligations of Dealer and Counterparty under the Transaction shall be cancelled and terminated and (ii) each party shall be released and discharged by the other party from and agrees not to make any claim against the other party with respect to any obligations or liabilities of the other party arising out of and to be performed in connection with the Transaction either prior to or after the Early Unwind Date. Each of Dealer and Counterparty represents and acknowledges to the other that, upon an Early Unwind, all obligations with respect to the Transaction shall be deemed fully and finally discharged.
- (u) Payment by Counterparty. In the event that, following payment of the Premium, (i) an Early Termination Date occurs or is designated with respect to the Transaction as a result of a Termination Event or an Event of Default (other than an Event of Default arising under Section 5(a)(ii) or 5(a)(iv) of the Agreement) and, as a result, Counterparty owes to Dealer an amount calculated under Section 6(e) of the Agreement, or (ii) Counterparty owes to Dealer, pursuant to Section 12.7 or Section 12.9 of the Equity Definitions, an amount calculated under Section 12.8 of the Equity Definitions, such amount shall be deemed to be zero.
- (v) Other Adjustments Pursuant to the Equity Definitions. Notwithstanding anything to the contrary in this Confirmation, solely for the purpose of adjusting the Cap Price pursuant to this Section 9(v), the terms “Merger Event,” “Tender Offer” and “Potential Adjustment Event” shall each have the meanings assigned to such term in the Equity Definitions (in the case of the definition of “Tender Offer,” as amended by Section 9(h)(ii) above, and in the case of the definition of “Potential Adjustment Event,” as amended by Section 9(h)(i) above), and upon the occurrence of a Merger Date, the occurrence of a Tender Offer Date, or declaration by Counterparty or Issuer of the terms of any Potential Adjustment Event, respectively, as such terms are defined in the Equity Definitions, the Calculation Agent shall determine whether such occurrence or declaration, as applicable, has had a material economic effect on the Transaction and, if so, shall, adjust the Cap Price to preserve the fair value of the Options; *provided* that (w) solely in the case of a Potential Adjustment Event pursuant Section 11.2(e)(i), (ii)(A) or (iv), no adjustments will be made to account solely for changes in volatility, expected dividends, stock loan rate or liquidity relative to the relevant Shares, (x) the parties agree that Exempted Repurchases shall not be considered Potential Adjustment Events, and (y) in no event shall the Cap Price be less than the Strike Price. “**Exempted Repurchase**” means any (1) open market Share repurchase at prevailing market prices (including, without limitation, any discount to average VWAP prices), (2) any privately negotiated Share repurchases entered into outside of an exchange or (3) Share repurchase through a dealer pursuant to accelerated share repurchases, forward contracts or similar transactions that is entered into at prevailing market prices (including, without limitation, any discount to average VWAP prices) and in accordance with customary market terms for transactions of such type to repurchase the Shares, so long as the aggregate of such Exempted Repurchase transactions described in clauses (1), (2) and (3) above would not exceed 20% of the greater of (A) the number of Shares outstanding as of the Trade Date and (B) the number of Shares outstanding as of the end of the Issuer’s most recently completed fiscal quarter (in the case of this clause (B), as may be adjusted by the Calculation Agent in a commercially reasonable manner to subtract any outstanding Shares issued by the Issuer in transactions following the Trade Date that would not have reasonably been expected to increase the “free float” for the Shares), as determined by the Calculation Agent, and as adjusted by the Calculation Agent to account for any subdivision or combination with respect to the Shares.
- (w) Tax Matters.
- (i) *Withholding Tax Imposed on Payments to Non-U.S. Counterparties under the United States Foreign Account Tax Compliance Provisions of the HIRE Act.* “**Indemnifiable Tax,**” as

defined in Section 14 of the Agreement, shall not include any U.S. federal withholding tax imposed or collected pursuant to Sections 1471 through 1474 of the Code, any current or future regulations or official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code, or any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement entered into in connection with the implementation of such Sections of the Code (a “**FATCA Withholding Tax**”). For the avoidance of doubt, a FATCA Withholding Tax is a Tax the deduction or withholding of which is required by applicable law for the purposes of Section 2(d) of the Agreement.

- (ii) To the extent that either party is not an adhering party to the ISDA 2015 Section 871(m) Protocol published by the International Swaps and Derivatives Association, Inc. on November 2, 2015 and available at www.isda.org, as may be amended, supplemented, replaced or superseded from time to time (the “**871(m) Protocol**”), Dealer and Counterparty hereby agree that the provisions and amendments contained in the Attachment to the 871(m) Protocol are incorporated into and apply to the Agreement with respect to this Transaction as if set forth in full herein. If there is any inconsistency between this provision and a provision in any other agreement executed between the parties to which this Transaction relates, this provision shall prevail unless such other agreement expressly overrides the provisions of the 871(m) Protocol. Dealer and Counterparty further agree that, solely for purposes of applying such provisions and amendments to the Agreement with respect to this Transaction, references to “each Covered Master Agreement” in the 871(m) Protocol will be deemed to be references to the Agreement with respect to this Transaction, and references to the “Implementation Date” in the 871(m) Protocol will be deemed to be references to the Trade Date of this Transaction.

Additionally, each party shall, promptly upon request by the other party, provide such other tax forms and documents reasonably requested by the other party.
- (iv) *Payer Tax Representations.* For the purpose of Section 3(e) of the Agreement, each party makes the following representation: It is not required by any applicable law, as modified by the practice of any relevant governmental revenue authority, of any Relevant Jurisdiction to make any deduction or withholding for or on account of any Tax from any payment (other than interest under Section 9(h) of the Agreement to be made by it to the other party) under the Agreement. In making this representation, it may rely on (i) the accuracy of any representations made by the other party pursuant to Section 3(f) of the Agreement, (ii) the satisfaction of the agreement contained in Section 4(a)(i) or 4(a)(iii) of the Agreement and the accuracy and effectiveness of any document provided by the other party pursuant to Section 4(a)(i) or 4(a)(iii) of the Agreement, and (iii) the satisfaction of the agreement of the other party contained in Section 4(d) of the Agreement, except that it will not be a breach of this representation where reliance is placed on clause (ii) above and the other party does not deliver a form or document under Section 4(a)(iii) of the Agreement by reason of material prejudice to its legal or commercial position.
- (v) *Payee Tax Representations.* For the purpose of Section 3(f) of the Agreement, the parties make the representations below:
