

### **Certificate of Qualified Person**

I, Thomas Kerr, of Denver, Colorado, USA, do hereby certify that as the co-author of the “NI 43-101 Technical Report, Bomboré Gold Project, Burkina Faso” (the Technical Report”) prepared for Orezone Gold Corporation (the “Company”), dated August 12, 2019 with an effective date of June 26, 2019:

1. I am employed as a Senior Executive Project Engineer with Knight Piésold Consulting, 1999 Broadway, Suite 600, Denver, CO 80202-5706, USA.
2. I graduated from the University of Saskatchewan, in Saskatchewan, Canada with a Bachelor of Science in Engineering (BE) degree.
3. I am a professional engineer in good standing with the Professional Engineers of Ontario (PEO) in Canada (no. 90407230) and the Division of Professions and Occupations of Colorado (PE.0044505).
4. I have practiced my profession continuously as a Civil engineer for 36 years and with Knight Piésold since 1982.
5. I am responsible for Sections 18.12, 18.13, 25.3 and 26.3.
6. I have read the definition of “qualified person” set out in National Instrument 43-101 (NI 43-101) and certify that, by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I am “qualified person for the purpose of NI 43-101.
7. I visited the site from 29 January to 2 February 2018 to conduct walkover inspections of the areas planned for the tailings storage facility (TSF), off channel water reservoir (OCR) and various site drainage facilities. Also viewed core from select drill holes at the site that were considered representative of foundation conditions for the TSF.
8. I am independent of the Company in accordance with Section 1.5 of NI 43-101.
9. I have not had any prior involvement with the Property that is the subject of the Technical Report.
10. I have read NI 43-101 and Form 43-101F1 and the Technical Report has been prepared in compliance with same.
11. At the effective date of the Technical Report, to the best of my knowledge, information and belief, the Technical Report, or part that I am responsible for, contains all scientific and technical information that is required to be disclosed to make the Technical Report not misleading.

Dated at Denver, Colorado, USA, this 12 day of August 2019.

**(Signed) “Thomas Kerr”**
